ABSENCES

If your child will be absent from school for any reason, please let their basegroup or classroom teacher know and/or the front office

LRCS IS NOT AWARE
DO NOT pack nuts in your lunchbox!

Government of South Australia
Department for Education

From the Principal

Another term has come to a close so I would like to congratulate students who have worked hard to achieve and to staff who have worked diligently for our students.

Thank you to parents who attended our full school assembly in week 8. Again it is great to see our students receiving awards for their good work and the support they receive from

Last week year 6, year 2/3 and year 3/4 students having great fun on their camps. Thank you to staff and parents who attended and making these camps possible.

Congratulations to the Mallee Suns Under 13 Football team for taking out this year's premiership. I attended the game and could only be impressed with the tenacity and fight the boys showed against an equally good team. Special mention to Tim Moyle who took out the inaugural 'Maynard Medal' for best on ground performance. Well done everyone!

This Friday 27th September is the last day of term 3 and we will be finishing at 2:15pm. I trust everyone will have a great break and be ready to start term 4 on the 14th of October.

2025 Intentions

We are currently looking at class structures and staffing for 2025.

To assist us please return the tear-off slip on a letter sent to you a couple of weeks ago, if of course you haven't done so already.

Please indicate whether your child/children will be attending LRCS in 2025. It is exceptionally important to return the slip if this is not the case. Much appreciated.

Have a great break!

Greg Cox
Principal

Math-tastic Challenge!

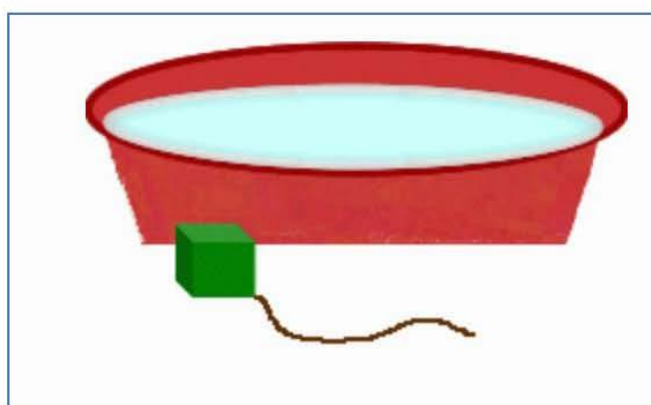

The Year 9 Maths class have been working on the measurement topic and have been practicing drawing in 3D using isometric paper and looking at drawings from different aspects and perspectives. This enables them to have a better understanding of area, surface area and volume.

Here is a challenge for you to try at home:

Imagine you are suspending a cube from one vertex (corner) and allowing it to hang freely. Now imagine you are lowering the cube into water until it is exactly half submerged.

What shape does the surface of the water make around the cube?

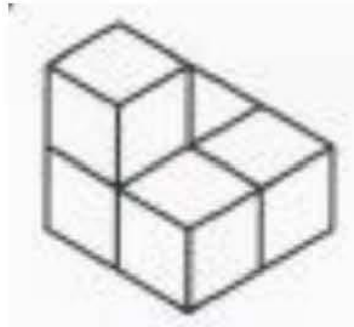

This problem has been adapted from the book "Sums for Smart Kids" by Laurie Buxton, published by BEAM Education.

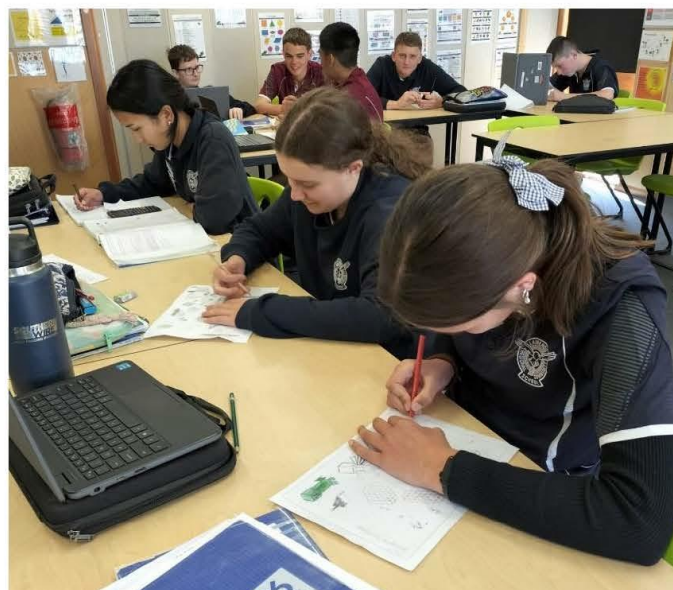

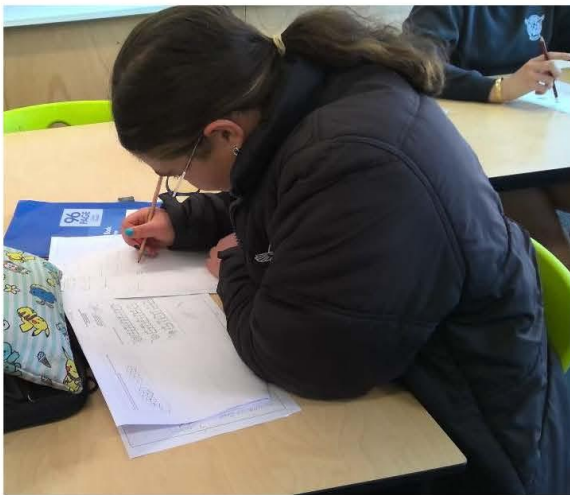

The answer will be published in the next edition of the LRCS newsletter!

Try some isometric 3D drawing yourself!

Can you draw the following shape on the isometric paper below? What about a pyramid or a triangular prism? Have a go, it is ok to make a mistake (this is why pencils are awesome!).

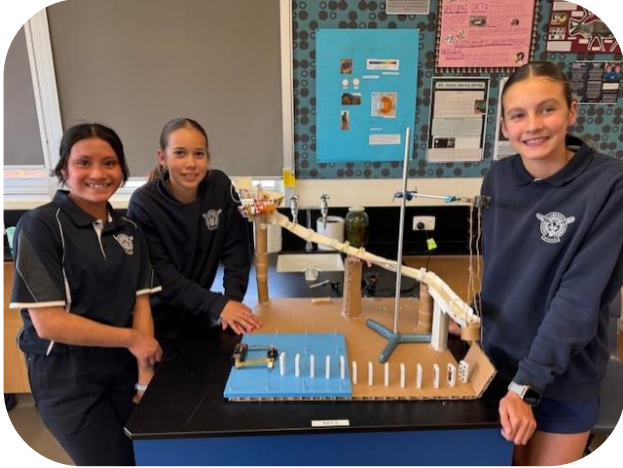

Year 9 Maths students practicing their 3D drawing

Year 7 Science - Rube Goldberg Machines!

What is a Rube Goldberg Machine you ask? It is a machine that does a simple task in a complicated way. Year 7 students worked in groups, used their knowledge of physics and created a machine with at least 6 different force mechanisms. 3 teams finished their projects in week 9. Science is fun!!

Camille, Lianka, Chante and Bree (absent) created a complex maze that turned a light on.

Brock, Tim and Cooper created their masterpiece to ring a bell.

Evie and Amity created a fun way to water a plant!

Year 1 with Mrs Zerk

Year 1's have been busy designing, making and appraising in Integrated Studies. They have had fun making a variety of things including boats, masks and wands. Lots of fun hands on learning.

KINDERGARTEN MONARTO ZOO EXCURSION

On Thursday 12/9, LRCS Kindy headed to Monarto Zoo. We were very lucky to have very interactive animals on the day including a giraffe who came right to the bus window to say hello!

Before we went, we thought of some inquiry questions that we really wanted to know the answers to!
Here is what we found out:

Q: Do painted dogs bark?

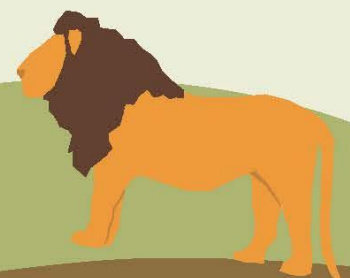

A: No! They make a squealing noise to communicate.

Q: What colour is a giraffe's tongue?

A: Blue!

Q: Can hyena swim?

A: Yes, they love the water!

Year 2/3/4 Camp

MUSEUM – WEST BEACH – ADELAIDE ZOO

Miss Branson's Year 2/3's and Ms Venning's Year 3/4 went on camp together in week 9. The students has a fantastic experience, visiting the Adelaide Museum and the delights of the bustling city, including a tram ride on the first day.

The students stayed overnight at West Beach Parks in cabins and had fun utilising all of the fun on offer at the site. The flying fox, jumping pillow, brief beach visit and sleepover with friends in the bunk houses were a particular hit!

Day two saw the students up early and enthusiastic for more urban adventures. It was off to the Adelaide Zoo, with the children eager to find their individual animal they have spent the last few weeks researching. The students were keen and enthusiastic observers at the enclosures- not even a few heavy downpours dampened the excitement of going beyond the classroom to experience new things!

The students are to be commended on their outstanding attitude and behaviours while representing our school out in the community. A terrific time was had by all, with new learning experiences and making special memories with their classmates. As special thank you to Kelli Harvey, Bek Noll, Catherine Ridgway and Haydon Thorpe who attended the camp as adult helpers.

Year 2/3/4 Camp

Term 3 Whole School Assembly

**On Thursday 12th September LRCS held their whole school assembly.
Congratulations to all of the award winners.**

Presenters at
Assembly:
Patrick, Cyle, and
Chloe

Primary Award Winners

The Primary
Choir sang the
National
Anthem and
performed
one of their
Choir songs.

Secondary Award Winners

Congratulations to Miss Schultz who recently got married and Miss Wilson who got engaged. They were presented with flowers at assembly.

The school
band
performed
with their
music
teachers.

RUOK?™

A conversation could change a life.

On Thursday 12th September it was RUOK? Day. All students at LRCS from Foundation to Year 12 celebrated this day by taking part in activities together as a whole school. The PCW also put on a BBQ lunch for all students and staff to enjoy.

|-------------------|---------------------|
| Maroon: | Navy: |
| 436 points | 357.5 points |

Upcoming House Events

House Events are still being decided on for the remainder of Term. Preparation for Term 4 events will also be shared in the upcoming newsletter

SAPSASA Basketball Carnival

On Wednesday the 11th of September, the 5/6s participated in the first ever SAPSASA Basketball Carnival for the Mallee District. We had one boys team and one girls team competing on the day.

Everyone put in a big effort, with the girls coming third overall, and the boys coming away with a win and a draw.

A massive thank you to Annita and Bek for umpiring and coaching the teams, and for Miss Schultz for coming along. Hopefully, this event can happen again in the future!

Miss Wilson

SAPSASA Athletics

On Monday in week 9 the LRCS Students took part in the Murray Mallee SAPSASA team and what a day! Well done to all participants and congratulations to the following medal winners.

Robin – Silver 10Y Discus
 Max – Gold 12Y Long Jump
 - Silver 13Y Discus
 Halle – Bronze 10Y 200m
 Daniel – Bronze 12Y 800m

Gold for 10 year old girls team – Halle & Jamie
 Gold for 11 year old boys team – Josh

Well done and a big thank you to the parents for getting the kids there!

We are seeking donations of bulbs and/or succulents for the school's new garden project.

If you could help us out, could you please drop off your donated bulbs/succulents to the front office.

Please note that school holidays are from 28/9/24 – 13/10/24 so the Front office will be closed between these dates.

Thank you, and we appreciate your help!

from ocean to outback

Lameroo

**BreastScreen SA's Mobile Screening Unit is visiting
Lameroo from early October to mid-October 2024.**

Book now!

Scan QR code or visit
breastscreen.sa.gov.au

We're inviting all women aged over 40, especially 50 to 74 years, to come along for their 2-yearly screening mammogram (breast X-ray).

- It's FREE and quick - it can take as little as 15 minutes
- You can make a booking with a friend, family member or group
- It's the best way of detecting breast cancer early (before symptoms start to show), giving you a greater chance of successful treatment

Book online at www.breastscreen.sa.gov.au or call 13 20 50
