

## Primary student use of mobile phones and personal devices

### Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

### Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- To ensure their safety while travelling
- So that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

### Storage of personal devices

Phones will be kept switched off and stored at the front office securely throughout the day.

### If the student does not comply

If a student is not complying with the policy the device may be confiscated and returned to the parent at their request at the end of the day, from the front office.

### Roles and responsibilities

#### Principal

Make sure:

- This policy is clearly communicated and accessible to all students, staff, and families

- There is a process for regular review of the policy
- Secure storage is provided for student personal devices that are handed in to school staff.

### **Students**

Comply with the requirements of the school's policy and follow all reasonable directions from the Principal and school staff.

If permitted to use a mobile phone or personal device in line with an exemption under this policy, do so in a safe, responsible and respectful way and support peers to do the same.

Communicate respectfully with others and do not use a mobile phone or other personal device to bully, harass or threaten another person. Respect others' rights to privacy and do not take photos, film or audio records of other people without their knowledge or permission.

## Parents

Respect others' rights to privacy and do not take photos, film or audio records of other people without their knowledge or permission.

Use the school's formal communication channels in all instances to communicate with the school (including where a student requires early collection from school). Encourage their child to always report to a school staff member in the first instance if they become unwell or experience an issue at school.

Recognise the important role they play in supporting their child to use their mobile phone (or other personal device) in a safe, responsible and respectful way.
