## From the Principal by Sarah Magnusson

Dear Parents/Caregivers,  
Welcome back to the final school term of this year.

### SCHOOL VALUES – Responsibility, Relationship, Resilience and Respect

We proudly promote and expect to see and hear our school values in action whilst at school and when representing our school in the community.

*Responsibility* is our focus for this term. I encourage families to support us with this at home by students taking responsibility for their learning, actions, belongings and school equipment.

### HAPPY WORLD TEACHER'S DAY

Tomorrow, Friday October 25th, is World Teacher's Day with the theme 'Hats off to Teachers'. The day honours the dedication, hard work, and passion of teachers who play a crucial role in shaping the minds and futures of all children.

The term 'hats off' has a long history of being used to show respect, admiration and offer congratulations. It can be traced back to medieval times when knights would remove their helmets to show respect. Today you don't have to be wearing a hat, you can simply say 'hats off' and as well as being respectful, it can be used to celebrate achievement.

Let's all reflect on the incredible work all our teachers do every day to give our students the best future possible.

### SUN SMART SCHOOL

The Hub is a SunSmart school. As per our Sun Smart Policy we are to wear hats when outside this term.

### ENROLMENTS 2025

Please contact the school if your child is eligible to start school next year and you have not yet completed an enrolment form. If you know of any families with children eligible to enrol and have not yet done so or any families looking for a new school, then please advise us as soon as possible for a school tour and enrolment form.

This information helps us to make informed decisions about class placements for next year.

Enrolment forms are available from the Front Office.

Please contact the school for any queries.

### 2025 RECEPTION TRANSITION VISITS

We look forward to welcoming our students starting school with the upcoming transition visits -

- Thursday 21st November: 9am -10.30am
- Thursday 28th November: 9am -12.15pm
- Thursday 5th December: 9am -1.50pm

### LEAVING THE HUB NEXT YEAR?

Please contact the school asap via email or in person to formally inform us if you are planning on leaving the Hub at the end of the year. The importance of the school knowing now greatly assists with our planning for next year.

1 or 2 families leaving makes a difference, not only in the number of classes we are entitled to, but also how many students in each class.

Whilst we do not want to see any families leave the Hub, we do understand changing of circumstances occur.

### CONGRATULATIONS

Congratulations to Samuel R who has been selected to participate in the u12 Track & Field State Team in Sydney later next month.

## FIRST NATIONS ART EXHIBITION

This term the focus for our First Nation students will be painting a canvas representing a place within South Australia that is named from an Aboriginal word. Students have selected their place and will work with Simon Wilson to learn more about the Aboriginal meaning, culture and significance of the place they have chosen for them to represent in their painting. These paintings will be displayed to anyone who would like to attend the Art Exhibition at 7pm in the hall at Port Noarlunga on Wednesday December 11th at the end of this term.

## From the desk of the Deputy Principal

To Parents/ Caregivers,

Earlier this year we had some of our students participate in Maths, English, Writing, Digital Technology and Science ICAS testing. A big congratulations to L. Edwards, T. Horder, E. Kazazic, H. Kazazic and V. Sidhu for their efforts while completing the tests- they should all be very proud of their participation and achievements.

## EXTERNAL SERVICE PROVIDERS- 2025

We highly value the knowledge and support that external service providers offer our students and staff during both on and off-site therapy sessions. For those families who currently have external service provider sessions for their child onsite and are planning on continuing in 2025, please note from Term 1 2025 families will be invoiced \$10 per term for external service provide sessions on-site to cover a room service fee.

Ngaityalya (Kurna, thank you)

Kind Regards,

Amanda Allen

## 2025 MATERIALS & SERVICE CHARGES AND COMMUNITY MEETING INVITATION

Our Governing Council have proposed the Materials and Services charge next year be set at \$355 per student. This will allow us to maintain our learning programmes. A copy of the watermark notice detailing the itemised breakdown of the charge can be seen in the adjacent image.

The commitment by the state Government of South Australia to support all student fees by offering a \$200 rebate to full paying families means that families will only be paying \$150 per student in 2025.

As per communication sent out last term all parents/caregivers of Reception to Year 5 students who are responsible for the charge are invited to attend the next Governing Council meeting on Wednesday November 6th at 6.30pm to discuss the proposed increase of the 2025 Materials and Service Charge to \$355.

After the community meeting, Governing Council will decide if the full amount of \$355 will be the 'legally recoverable' amount. If accepted the polling letters will be sent to parents/carers to approve the amount as a 'legally recoverable' amount. If you are unable to attend but would like to comment on the Materials and Service Charges, you may do so in writing prior to Monday November 4th, 2024, addressed to either the Governing Council Chairperson, Kelly Johnson ([DFESA-0536-GOV-COUNCIL@ConnectedCommunity.org](mailto:DFESA-0536-GOV-COUNCIL@ConnectedCommunity.org)) or to the Principal, Sarah Magnusson ([Sarah.Magnusson893@schools.sa.edu.au](mailto:Sarah.Magnusson893@schools.sa.edu.au)).
