Dear Parents/Caregivers,

Colour Run

It was wonderful to see so many families attend last Friday's Colour Run. Thank you to all who volunteered their support on the day. The students (& staff) had a lot of fun. Monies raised go towards the new basketball backboards, which hopefully will arrive before the end of the year.

2025 Classes

Current planning for 2025 is well underway. Student placements to classes have been finalised and further communication will be sent out to families soon. We will have our internal class transition towards the end of this term. This will give students the opportunity to meet their peers for the new school year and class teacher where we are able.

Class structure for 2025 will be;

- 1x Reception Class
- 1x Year 1 Class
- 1x Year 2 Class
- 1x Year 2/3 Class
- 2x Year 3/4 Classes
- 3x Year 5/6 Classes
- 1x Junior Primary Small Class
- 1x Primary Small Class

The next phase will be to assign teachers to their respective classes. If you have any queries, please do not hesitate to contact the school.

Enrolments 2025 and beyond.

Please contact the school if your child is eligible to start school next year or if you know of any families with children eligible for enrolment. This information helps us to make informed decisions about class placements for next year.

Enrolment forms are available from the Front Office.

Contact the school on 82705055 or by emailing dl.0536.info@schools.sa.edu.au to book a tour or for any queries.

Remembrance Day Assembly

On November 11th, our school held a special Remembrance Day assembly hosted by our SRC executives to honor the brave men and women who have served in the armed forces. Students gathered to watch a video about the significance of Remembrance Day and listened to a speech about the importance of peace. We also observed a moment of silence to remember those who gave their lives for our freedom. It was a thoughtful and respectful ceremony that helped everyone reflect on the sacrifices made for our country.

I am so proud of all our students who demonstrated respectful behaviour throughout the assembly.

Educational Management System - EMS

Our school will be transferring to the Educational Management System EMS next year - Term 1, 25th March 2025. Administration, leadership and finance staff have started their training and will continue this on February 4th and 5th, 2025. Hopefully this will be a smooth transition in the business of the start of the new school year.

Welcome 2025 Receptions

Next week we will have our new 2025 Receptions attend their first transition visit. We look forward to meeting new and existing families, forging together a strong successful partnership in celebrating the learning successes your child will enjoy during their years at the Hub.

Ngaityalya (Kurna, thank you)

Kind Regards,

DAILY TRANSITION TO SCHOOL

The transition to school each morning can look very different for each and every one of our students, ranging from a sense of excitement to high anxiety. While anxious feelings are common, they usually subside once the situation has passed, or the stressor is removed. All staff at the Hub are committed to supporting our families and students with the transition to school each day, and appreciate this transition can be a stressful time for both parents and the child. To support your child with their transition to school some strategies might include:

- Streamline your morning: make sure your child knows what the routine will be. i.e. they'll be dropped at the gate/the classroom with a big hug and kiss and then they will go inside.
- Talk to your child's teacher/ leadership: staff have a wealth of experience in assisting families with separation difficulties and may have a process to help with morning transitions.
- Be supportive, yet firm: for the majority of children, anxious behaviours end soon after the child leaves you. It is important you remain calm by saying a quick goodbye and offering a final hug and kiss, to demonstrate to your child you are confident they will be safe and supported at school.

UNIVERSITY STUDENTS

Sadly we will be farewelling 2 university students who are nearing the end of their placement time with us at the Hub. Nina has been shadowing Kate Videon in Room 14 and will be finishing her teaching placement on Friday 22nd November, while Jae will be completing her Social Work placement on Friday 15th November after working alongside Brad Walters and Joy (PCW). On behalf of all the staff and students, I would like to thank both Nina and Jae for all the support and learning opportunities they have provided the students, and wish them both all the best for their future studies and professional pathways.

Ngaityalya (Kaurua, thank you)

Kind Regards,

Sports News

Out of School Sports

**At The Hub We Value Relationships,
Responsibility, Resilience and Respect**

Brad Walters will be visiting classes in the coming weeks to distribute registration forms for Out of School Sport for 2025.

Being offered include:

- Basketball (turning 8 or above in 2025),
- Soccer (turning 8 or above in 2025)
- Pedal prix (going into yr 5/6 or attending Aberfoyle Park High School in 2025).

If your child doesn't receive a form but would like to register for one of these sports for 2025, they will be available from the front office.

Brad Walters
Student Wellbeing Leader
Health & PE Teacher
Aberfoyle Hub Primary School

The Governing Council invited all Parents/Caregivers to attend the meeting held on 4th November 2024 where any concerns or questions regarding the proposed 2025 Materials & Services charges could be raised.

The fee was ratified at the Governing Council meeting (4th Nov.) at \$355.00.

All Parents/Caregivers of students (Reception – Year 5) will be sent a Polling Letter to approve the full amount of the Materials & Services fees for 2025 to be legally recoverable (where applicable).

The Materials & Services charges are used for items the Government does NOT fund schools for, such as:

- Class Stationery
- Whole School software,
- readers, student library resources,
- games, sports equipment
- photocopying/printing, curriculum resources (Maths/English/Science), technology equipment and programmes.

It does not fund the running costs of the school or staff salaries.

We aim to keep the fees as minimal as possible and still be able to provide resources for your child/children.

In 2025 the government rebate towards Materials & Services fees will be \$200 per student which means the cost to parents will be \$155 per child.

Ngaityalya (Kurna, thank you) and kind regards,

Chris Godden
