From the Principal by Sarah Magnusson

Dear Parents/Caregivers,

Welcome back to the final busy term of the year. Whilst there are many events on our school calendar that we are preparing for, we remain focussed on delivering a rich engaging curriculum with our goal of increasing reading achievement of all students.

School Value - Responsibility

This term, our school community is focussing on the value of Responsibility.

We are encouraging all students to show responsibility through their learning, behaviour and daily choices. This includes being prepared, following instructions, caring for belongings and our environment, and treating others with respect.

Thank you to our families for supporting this important value at home and in partnership with our school.

CLASSES 2027

Planning is well underway for next year for 8 mainstream classes, and 2 small classes (special options).

This model allows for smaller class sizes thereby providing greater student opportunities with their learning.

ENROLMENTS 2027

Please contact the school if your child is eligible to start school next year and you have not yet completed an enrolment form. If you know of any families with children eligible to enrol and have not yet done so or any families looking for a new school, then please advise us as soon as possible for a school tour and enrolment form.

This information helps us to make informed decisions about class placements for next year. Enrolment forms are available from the Front Office. Please contact the school for any queries.

LOST PROPERTY

Please encourage your child/ren to take responsibility of their named school uniforms. We have accumulated a lot of lost unnamed property and would like to see all of it returned to their rightful owner. Please ensure all clothing is named. Our goal this term is to have the lost property bin empty most of the time.

*High expectations
United communities and
Building bright futures together.*

LEAVING THE HUB NEXT YEAR?

Please contact the school asap via email or in person to formally inform us if you are planning on leaving the Hub at the end of the year.

The importance of the school knowing now greatly assists with our planning for next year. 1 or 2 families leaving makes a difference, not only in the number of classes we are entitled to, but also how many students in each class. Whilst we do not want to see any families leave the Hub, we do understand changing of circumstances occur.

Ngaityalya (Kurna, thank you) Kind Regards,

Sarah Magnusson
Principal

End of Year Reminder

Week 7 will be the final week for student borrowing. We kindly ask that all library books are returned by the end of **Week 8**.

The library will remain open for classes to visit, enjoy books and browse during Weeks 8 and 9, but borrowing will no longer be available.

Thank you to all our families for your support in helping us return all books and prepare the library for the end-of-year stocktake!

CELEBRATING OUR YOUNG AUTHOR, LACEY HAINES!

Lacey Haines has always loved being creative through writing, crochet and illustration, and we are thrilled to see that her passion for storytelling has lead to such an amazing opportunity. Earlier this year, Lacey entered a competition through Firefly Publishing, which invited students to write a story of up to 2,000 words inspired by an experience of their own.

Lacey chose to draw inspiration from her dreams, and her story, *The Night the Butterfly Came*, was selected for publication! What an incredible achievement, and one of which Lacey should be very proud. Did we mention that she also illustrated the cover?

Lacey will receive 50 copies of her book, with another 50 available for purchase at Woodcroft Library, with proceeds going to charity. Her book will be officially launched at Woodcroft Library on Sunday 15th November at 1:00 pm, so come along if you are in the area.

Congratulations, Lacey! We can't wait to see you hold your very own published book in your hands!

Congratulations!

Term 4 ; Hats on

Out of School Sport @ the HUB 2026

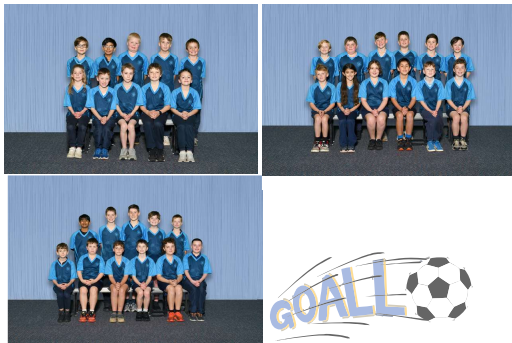

Congratulations to all our students on a fantastic year of basketball, netball, soccer and Pedal Prix!

It has been wonderful to see so much enthusiasm, dedication, teamwork and sportsmanship throughout the year.

We are incredibly proud of all our students for giving their best, challenging themselves, supporting their teammates and representing our school with pride. Whether celebrating a win, learning a new skill or showing resilience through a challenge, every student has contributed to a successful and memorable year of Out of School Sport.

Soccer

Jayde Grava (coordinator),
Hamish Aits (seniors
coach),
Tina Squires/Archer Grava
(seniors coach) and
Stephen Plummer (U9's
coach)

THANK YOU!

A big thank you to all our coaches and coordinators for the time, commitment and passion you have given throughout the year. Your support, encouragement and willingness to give up your time have provided our students with valuable opportunities to learn, grow and enjoy being part of a team. These programs would not be possible without your dedication and hard work.

Basketball

Ulana Reimann (coordinator), Jay Reimann (Yr 5/6 coach), Kym Hosking (Yr 5/6 coach) and Damian Corbyn (Yr 3/4 coach)

We would also like to thank the families and supporters who have encouraged our students and helped make the year such a success.

I will be visiting classes over the coming weeks with registration forms for 2027. As always, we rely heavily on parent volunteers to fill the various roles required to make each sport viable. Please keep this in mind when you are filling your child's registration form and indicate if you are able to support in a role.

Congratulations again to everyone involved! We look forward to building on this success and enjoying another fantastic year of Out of School Sport in 2027.
