#### **18<sup>th</sup> September**

SRC Wheels Day  
Electives

# Robertstown Primary School

Newsletter No.8 August 28<sup>th</sup> 2025

Dear Families and Community,

Thank you for welcoming me into the Robertstown Primary School Community. For those who I haven't met, my name is Mrs Jones (Emma), I normally work at Wasleys Primary School. I live in Kapunda, I have three children, and love being part of the community. I consider myself very lucky to have had the opportunity to join your school community in an acting role while Mrs Whitelaw has been on leave. I have really enjoyed meeting and working with the staff, students and families and continuing the school's learning journey. I have loved seeing everyone living into your school values of respect, pride and success!

There have been quite a few events over the past few weeks including; Science Week, Bullying No Way Week, SSO Week and Book Week that have been a focus for learning and celebration at Robertstown Primary School and all across Australia. The theme for National Science Week this year was *Decoding the Universe – Exploring the unknown with nature's hidden language*. The theme for Children's Book Week was *Book an Adventure*. SSO Week was an opportunity to say thank you to all the SSO's who help out at schools in many different roles, Robertstown Primary School is certainly appreciative of all the wonderful support staff who work so hard to help our students and support our school community.

Please remember that there is a School Closure Day on Monday (1/9) and a Pupil Free Day on Tuesday (2/9). Mrs Whitelaw will be back as principal when students return to school on Wednesday next week. I wish everyone all the best for the rest of the term and year ahead.

Thank you,

Emma Jones  
Acting Principal

# News from Mrs Schutz...

The students participated in two incursions over the last few weeks, one for Science Week 'Stemania' and one for Book Week 'Treasure Hunt'. They enjoyed the online performances and chat. They completed various quizzes and even made it to the champion board on a number of occasions. Our favourite part was when our school and students got a shout out.

## Fun in Maths

We did some data investigating using jelly beans. The students were challenged to work through the process of being a statistician and following the below steps.

- Ask a question
- Collect data and display
- Analyse the display

In groups the students came up with a question, sorted the jelly beans and collected their data. They created graphs manually and digitally. When analysing their data the students were surprised to find that each bag had a different flavour being the most common and each bag had a different amount of jelly beans.

# Book Week 2025

## Book An Adventure

We had such a fun Book Week reading stories and completing activities. Thank you to our school parents and playgroup for joining in our parade, games and participating in CREW, we had such a fun morning and a delicious morning tea. We also got to celebrate our SSO's for SSO Week!

# Meet our SRC students

## Harry

**Age:** 6 years old

**What makes you a good SRC member?** I think kindness and helpfulness.

**What would you like to achieve as an SRC member?** I want to do lots of fun fundraisers and raise lots of money for our charity.

**What is one of your favourite things about our school?** We get to do piano lessons every Tuesday.

**What do you want to be when you grow up?** I want to be an actor so I can make movies and share them.

**Fun fact:** I love dinosaurs because they're giant lizards and birds.

## Brayden

**Age:** 11 years old

**What makes you a good SRC member?** I'm fun and help others.

**What would you like to achieve as an SRC member?** Making sure there is no rubbish so our school grounds are looked after.

**What is one of your favourite things about our school?** I like the subjects we learn.

**What do you want to be when you grow up?** Maybe a chef or work at Dominoes so I can create new recipes. Then I will make lots of money and give some to my parents.

**Fun fact:** I like playing video games, my favourites are Roblox and Fortnite.
