

SITE LEARNING PLAN 2026

Respect

Pride

Success

Vision:

A balanced curriculum prepares students for a changing world.

Key Priorities and Areas of Focus

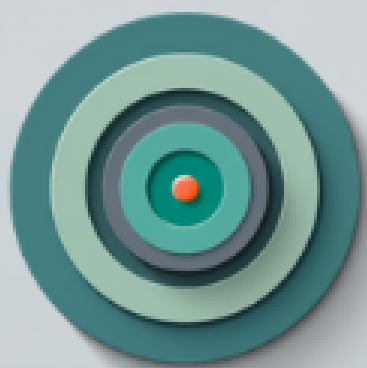

Literacy:
Improvement in oral language, vocabulary, reading, and writing.

Numeracy:
Pattern recognition, problem solving, persistence, and mathematical thinking.

Wellbeing:
Collaboration, respectful peer relationships, self-efficacy, and regulation.

GOALS AND TARGETS

- Literacy: Enhanced oral and written communication; success in reading and writing measured with assessments (e.g., LGU Scope and Sequence, DIBELS, PAT-R).
- Numeracy: Growth in mathematical thinking, documenting working, and applying strategies.
- Wellbeing: Improved collaboration and emotion regulation; increased task stamina and independence.

CRITICAL ACTIONS

- Use SA Curriculum and split-screen planning (knowledge, capabilities, dispositions).
- Model risk-taking and growth mindset.
- Focus on learning intentions and success criteria.
- Use data analysis and feedback for personalised learning.
- Plan for cross-curriculum and connected learning.
- Embed inclusive technologies.
