School Profile 2026

Paradise Primary School is set on spacious grounds surrounded by a natural environment, providing an inviting and nurturing place to learn. We cater for students from Reception to Year 6 and currently have an enrolment of approximately 140 students. We are proud of our strong, caring community, which actively supports our Mainstream, International, Intensive English and Special Options Classes.

Our priority curriculum areas include literacy, numeracy, and science. AUSLAN is our language program and has been enthusiastically embraced by both students and the wider school community. Student wellbeing is a key focus and is supported through restorative practices, EarlyAct (Student Voice), our Pastoral Care Worker, and a team of dedicated, caring staff. We maintain strong partnerships with local groups, including the Eastern Zone Primary Schools Soccer Association and the Resthaven aged care service. Our vibrant Playgroup, held each Monday, helps children and families build confidence and connection prior to starting Reception.

Our school values—**Be Kind, Be Safe, Work Hard**—underpin everything we do and guide our commitment to supporting every student to thrive.
