From the Principal

David Marino

Principal's Update

With new staff and students now settled in and finding their routine and rhythm within the school, we've had an incredibly busy start to term two, including inter-school sports, excursions, staff training and student led activities, such as the highly successful Year 11 Youth Expo and RAW Impact casual day fundraiser.

School Values

Building on the work we have been undertaking to reevaluate our school's vision and purpose, we have also begun to explore how we can refresh our school values. We are interested in hearing from our school community and invite you to have your say in shaping our values for the future. A Daymap/email message has been sent to all families with a link to a short survey (<https://forms.office.com/r/vhPFHd12y7>) to be completed by 3pm Thursday 19 June.

Your feedback will help to build a strong foundation for our school's direction and complement our Positive Behaviour for Learning (PBL) framework.

Remembering Mr Peter Shute

I'd like to take a moment to acknowledge the dedication and service of long-serving teacher Mr Peter Shute who sadly passed away on 12 April. Peter is fondly remembered by students, staff and community for his dedication, quick wit and sense of humour. A school staff memorial gathering was held on Thursday evening of week two, with an Inclusive Education Centre (IEC), student-led memorial on the Friday.

Parent-Teacher Interviews and Open Night

On Wednesday of week three we held our annual Open Night event, providing prospective families the opportunity to learn more about our curriculum offerings, tour our facilities and meet our staff and students. The evening was well attended with resoundingly positive feedback. Thank you to all staff and students who contributed to making the event one of our most successful to-date.

Our annual Parent-Teacher Interview evening was held on Monday of week four with approximately 750 interviews held across the school. Parent-teacher interviews are a valuable two-way process which enable a positive learning partnership between schools and families. Thank you to our teaching and support staff for making the evening a success.

Staffing Updates

This term we have welcomed teacher Reece Worroll who is working with our RiME (Reengaging in Mainstream Education) students. The RiME program is a new collaborative initiative which aims to support students that are disengaged from school to reconnect in a safe and supportive environment. We have also welcomed Yonna Taylor into the position of Events Promotions and Community Engagement Officer and will next week farewell our Business Manager, Ann-Marie Ward. Ann-Marie has made an impactful contribution to our school over 12 years of service and will be greatly missed, however; we are pleased that Jo Burgess has been successfully appointed to the role and now recruiting to backfill Jo's position of Finance Manager.

Coming Events

3/6	YR 11/12 Boys & Girls Soccer

	Science & Engineering Challenge

PRINCIPAL'S REPORT CONTINUED

Mobile Phones and Electronic Communication Devices

As mentioned in our last newsletter, and in-line with Department for Education guidelines, we are considering an opportunity to introduce Yondr pouches as a measure to reduce mobile phone distraction and associated undesirable behaviours arising from inappropriate use, and to improve student learning, participation and overall wellbeing.

Governing Council have discussed this initiative, indicating their support, and further information will be provided to families in due course. NB: the Yondr pouch system will not impact any approved exemptions which will remain in place.

As we prepare to roll out this initiative, please note that mobile devices are not an acceptable payment method for our school canteen, and from Term 3 this will be phased out. Please ensure you arrange alternative methods of payment for canteen purchases such as cash, bank card or via the Spriggy school payment app (accessible via parent/guardian device). Thank you for your partnership in advancing our school.

Implementation of Two-Way Radios

This term we have implemented the use of staff two-way radios during recess and lunch time yard duty in response to student and staff desire for increased yard supervision, coverage and communication. The radio system is proving to be an effective and efficient tool for keeping our students safe.

NHS TEACHER HONOURED

Nuriootpa High School Teacher David Bowley Honoured for 'Outstanding Contribution to Agricultural Education'

49 Years of Service Celebrated at State Agriculture Teachers Conference!

On Friday May 9, at the South Australian Agriculture Teachers Association's Biannual Conference, the award for 'Outstanding contribution to Agricultural Education', was bestowed upon David Bowley for his exceptional service to agricultural learning across South Australia.

With an impressive 49 Year career behind him, Mr Bowley has become a towering figure in agricultural education and is admired for his no-nonsense teaching style, relentless work ethic and unshakeable dedication to hands-on, community-connected learning. His influence spans generations of students, educators and industry professionals.

Mr Bowley's formal agricultural journey began in 1971 at Adelaide University and continued at Waite Campus, where he completed a Bachelor of Agricultural Science with Honours in 1975. University peer Gerald Wright, remembers Bowley as a standout student and spirited motorcycle enthusiast, a hobby that would become a lifelong passion and one of many colourful threads in the tapestry of his career.

After graduating, Mr Bowley took up his first teaching role in 1977 at Booleroo Centre where he quickly established himself as a respected and impactful educator. Long time colleague Kathryn Kupke recalls: "He had the respect of the students with his no-nonsense behaviour management and great relationship skills. Among staff, he was affectionately known as 'The King', - a title he absolutely earned."

Over the years, Mr Bowley served not only as a teacher but also as a mentor, SACE Agriculture Moderator and long term volunteer at the Ag Learning Centre, supporting agricultural education across the state.

In 1998, Mr Bowley joined Nuriootpa High School, where he would later become known for leading the school's Nurihannam Wine Program. From 2007 to 2018 and again from 2021 onwards, he guided students through the entire winemaking process, from pruning and crushing to blending and bottling.

In 2022, he started mentoring the new Wine Manager – Milly Hoffmann, which still continues to this day. His mentorship in this space has been transformative, inspiring students to pursue careers in viticulture, agribusiness, and other careers with school-based apprenticeships and beyond.

As an Assistant Principal and Vet Coordinator, David's passion has been getting student's into careers under his leadership.

Over his time at NHS he has been instrumental in running Year 12 programs, from Agriculture Science, School Assessed Agricultural Studies and VET course for stable hands.

NHS TEACHER HONoured CONTINUED

His efforts haven't stopped at the vineyard gate or the winery door. Mr Bowley helped build partnerships with local winemakers and hosted international delegations, famously winning over visitors from the Philippines, Texas, and Russia, particularly the latter, where, as one story goes, he finally met an interpreter fast enough to keep up with his rapid speech.

Mr Bowley's impact reaches far beyond any classroom or vineyard. His guidance has shaped programs, inspired educators, and left a legacy that continues today.

In recognition of his outstanding career and service to the profession, the South Australian Agriculture Teachers Association proudly honoured David Bowley - a true champion of agricultural education, and as many agree, *a top bloke and a true king of Ag education!*

SCHOLARSHIP OPPORTUNITY

Scholarship opportunity

Travel opportunity for 18-25 year-olds

Young Australians in VET careers in horticulture, agriculture or trades have an exciting opportunity to broaden their horizons through a Global Footprints Scholarship.

The program offers a \$9000 grant to support overseas travel for industry experience, professional development and networking and is aimed at fostering the next generation of leaders committed to creating a more sustainable future.

Eligible applicants must be Australian citizens or permanent residents aged 18 to 25, with a Certificate III or IV (or equivalent) in a relevant vocational field, or be on track to complete their qualification within six months of applying.

Applications close on 1 June 2024.

Successful applicants will embark on their international experience before 31 December 2025, spending at least four weeks engaged in industry-related activities abroad.

[Find out more and apply](#)

Search the following link for more information on how to apply.

<https://www.globalfootprints.org.au/whocanapply>

Applications open 1 May 2025 and close 1 June 2025

Please disregard the closing date within the application

FINANCE REPORT

We would like to inform you of some important updates regarding the way Nuriootpa High School receives payments. These changes align with Australian Accounting Standards and Department for Education (DfE) policies, and are aimed at improving security and compliance.

Payment Options

Due to policy changes, we can no longer accept written credit card details on forms. However, we can still receive payments via the following methods:

- **Cash, cheque or EFTPOS** at the Finance Office
- **Credit card / Visa Debit card** – over the phone
- **Spriggy Schools** – for excursions, casual days, and uniform payments

Using Spriggy Schools

To make payments for excursions, casual days or uniforms through Spriggy:

1. Visit www.spriggyschools.com.au to register and download the **Spriggy Schools** app. (You can also search "Spriggy Schools" in your device's app store.)
2. Add a profile for each of your students, ensuring you select **Nuriootpa High School** and the correct **year level**.

School Card Assistance

School Card applications are now overdue.

If you believe you may be eligible, please apply **as soon as possible** via the online application:

www.sa.gov.au/education/schoolcard

Eligibility includes:

- Families with children aged 4+ attending school full-time
- Independent full-time students in Years 10–12
- Adult re-entry students completing SACE subjects

Your family's **gross income** for the 2022/23 financial year must be below the set threshold (based on the number of dependent children) to qualify.

What School Card covers:

- \$396 of the **Materials & Services Charge**
- The remaining \$114 will be waived **if School Card is approved**

Please note: Applications must be submitted **annually**.

Materials & Services Charges – 2025

Materials & Services Charges for 2025 were due on **14th March 2025** and are now **overdue**.

Payment options:

- Cash, cheque, EFTPOS at the Finance Office
- Credit card/Visa Debit card – over the phone
- **EFT (bank transfer):**
BSB: 105-055
Account Number: 233 809 740
Reference: Please use your **family code or invoice number** to ensure the payment is correctly allocated

Instalment Plans

We understand that managing school fees can be challenging. If you would like to set up an instalment plan, please contact the Finance Office – we're here to help.

Important Reminder

Please don't delay financial matters. In accordance with the **Nuriootpa High School Debt Collection Policy**, any **outstanding charges for 2025** will be referred to the **Recoveries Unit at the Attorney General's Office**.

Thank you for your cooperation and continued support.

Finance Team

Nuriootpa High School

SRC REPORT

SRC Year 7s

At the conclusion of Term 1, nominations were opened for Year 7 students to join the Student Representative Council (SRC), for the remainder of the year. Students self-nominated and voting took place in Week 1 of Term 2. We received a record number of nominations, with 12 students participating. The Year 7 cohort elected five representatives who will remain in their current home groups and attend our weekly meetings every Tuesday during Break 2 (lunch). The elected representatives are:

- Luca Surace
- Kendra Nixon
- Joel Fitzpatrick
- Riley Coomber
- Scarlett Lawrence

ANZAC Day

During the holidays, SRC members Lily Judd, Haylie Staunton, Elisha Kim, and Destiny Robertson volunteered to represent our school at the ANZAC Day Dawn Service at the Nuriootpa RSL. We commend them for their dedication and professionalism.

On the first Monday of Term 2, the school conducted an ANZAC Day assembly in the stadium. The entire school attended, and many SRC members contributed by speaking and assisting with the organisation. Roles included serving as MCs, reading tributes to former students who lost their lives in war, operating the PowerPoint, and playing the 'Last Post'. We extend our gratitude to Mrs Bey for her support and congratulate the SRC students for their outstanding contributions.

Casual Day

Term 2 casual day was held on Friday Week 4. The gold coin donations are supporting RAW Impact, an organisation who supports families in Cambodia, our Technology Teacher Mr Barkley, along with students Hannah Barkley and Paige Bull who are heading over to Cambodia in July volunteering for the organisation. We wish them all the best.

Barossa Valley Library

In Week 2, Michelle Knynenburg from the Barossa Valley Council Library, attended our weekly SRC meeting. She engaged with students to gather feedback on their needs and desires for the local library. The SRC offered valuable insights and looks forward to collaborating with Michelle with a subcommittee that has been formed.

NHS PASTORAL CARE WORKERS

Term 2 – New Pastoral Care Workers (PCW'S)

Tamara (Thursday –Friday) E: Tamara.richter910@schools.sa.edu.au

Kelly (Monday – Wednesday) E: Kelly.Nairn810@schools.sa.edu.au

Located in Student Support Centre – Bec Boltons old office

The Role of a PCW

A Pastoral care worker engages with staff and students to promote the social, emotional and spiritual wellbeing of individuals through a supportive presence and continuity of care within the structure and collaboration of the wellbeing team.

How do we do this?

- Support positive behaviour, and constructive social relationships with each other.
- Respect diversity, spirituality and cultural values.
- Facilitate individuals to discover purpose, meaning and hope.
- Engaging with students through breakfast club, at recess & lunch, fun, interactive group activities, programs and courses.
- Promote links between the school and the local community networks and participate - contribute to extra school curricular activities.
- Welcome to contact us for assistance or stop by for a friendly chat.

NHS CONCERT BAND

Well done to our NHS Concert Band marching to kick off Barossa Vintage, Touchdown and Taste of Barossa events.

Touchdown and Taste Off Barossa – Marching Band performing before the exhibition gridiron match

NHS CONCERT BAND CONTINUED

Tanunda's After Party - Concert Band, Percussion Ensemble and Woodwind Ensemble performing after the parade

NHS Open Night: Mrs Samain's Woodwind Ensemble providing background music for parent tours of the school

YEAR 12 MURRAYLANDS SAILING CAMP

Last week our Year 12 Sports Studies students attended their Sailing Camp at Murraylands Aquatic Centre, Swanport as part of their Practical Assessment. We had perfect conditions, however lacking some wind on the final morning, the students had the opportunity to do some stand up paddle boarding in pristine glass like conditions on The Murray River.

The students learnt the intricate skills and knowledge required to sail as well as developing essential lifelong skills of perseverance, resilience, team work and leadership.

Well done all involved on their fantastic behaviour and work ethic throughout the camp.

Brad West
Sports Manager

YEAR 12 MURRAYLAND SAILING CAMP CONTINUED

STUDENT ACHIEVEMENTS

On Friday 9th May, Sienna Booms represented Nuriootpa High School at Trinity College for the Interschool Gymkana, on her horse Nosey.

This was the first time both Sienna and Nosey had competed at Interschool.

It was an awesome day and Sienna and Nosey won four 3rd places, one 2nd place, a combined effort and a Reserved Championship.

Congratulations Sienna!

CLUB CULTURE AT NHS

In Week 3, the **Nuriootpa High School Debate Club** embarked on its very first excursion to Faith Lutheran College, teaming up with their Debate Club for a day of debating, collaboration and skill-building.

Students tackled topics such as 'Does SpaceX have a worthy goal of developing a colony on Mars?' and 'Should Australia embrace citizen journalism?', before jumping into a high-energy speed round where teams faced off against club leaders in quick-fire debates. The aim? To sharpen our skills, build new friendships, and exchange constructive feedback – and we definitely delivered!

Everyone had an incredible time, and we're excited to return the favour by hosting Faith Lutheran College's Debate Club in Week 9.

CLUB CULTURE AT NHS CONTINUED

Nuriootpa High School Chess Club is buzzing with strategic energy every Friday, offering a fun and welcoming space for students to challenge their minds and connect with fellow players.

Whether you're a beginner or a grandmaster in the making, there's always a friendly match waiting for students. We're looking forward to our Termly Tournament in the last week of term.

'It's fun, I like winning!' Seth.
'It's fun, until you get beaten!
'I was the best player at my old school,' Lincoln

Come check it out!

Nuriootpa High School Drama Club

Watch this space – something dramatic is coming!

Nuriootpa High's brand-new, student-led Drama Club is stepping into the spotlight with big plans to bring theatre back to the school. Identifying a creative gap in our co-curricular scene, these passionate students have taken the stage – literally – to create something special.

Their debut performance? *Oops... We Made a Play*. Get ready for laughs, talent, and a whole lot of heart.

CLUB CULTURE AT NHS CONTINUED

Dungeons and Dragons Club

The Library has been supporting a number of clubs that run at lunchtimes over the year and the Dungeons & Dragons Club is one of our most popular. Running on Tuesdays and Thursdays D&D boasts 20 members all involved in interactive adventures. With 20 members from Year 7 to 12 taking part in strategic alliances, creating new worlds and surviving monsters, ghosts and ghouls!

'It's fun, imaginative and immersive!' Mason who organises and runs the D&D Club.

Ms Natalie Axo
Teacher-Librarian

YEAR 11 OUTDOOR EDUCATION

After several months of preparation, students recently participated in a return MTB cycling trip from school to Lyndoch, a round trip of around 50km. It was a great achievement by all – well done team!! A BIG thank you to Mr Magarey and Mr Lane for their support!!

Peter Welford
Outdoor Ed Teacher

YEAR 11 OUTDOOR EDUCATION CONTINUED

YEAR 11 AGRICULTURE

On Friday, 16th May, our Year 11 Agriculture class enjoyed an exciting and educational excursion to **Days Eggs**, a world-class egg production and grading facility located at Lower Light.

Students gained valuable insights into the history of the company and its key partnerships—including McDonald's and all major supermarket chains. The visit provided a comprehensive overview of the various egg-laying production systems, the scale and locations of the farms, and the critical importance of biosecurity and animal welfare in modern agriculture.

A highlight of the day was the tour of the **state-of-the-art grading facility**, which can process up to **127,000 eggs per hour**—grading, detecting imperfections, discarding, washing, sanitising, and packaging eggs into cartons with impressive speed and precision.

Students also had the opportunity to explore a newly built shed housing **20,000 chickens**, where they learned about the cutting-edge systems used to support both high productivity and excellent animal welfare standards.

A huge thank you to **Jess Spencer** from Days Eggs for generously sharing her time and expertise.

It was a fantastic opportunity to see a leading South Australian agribusiness in action!

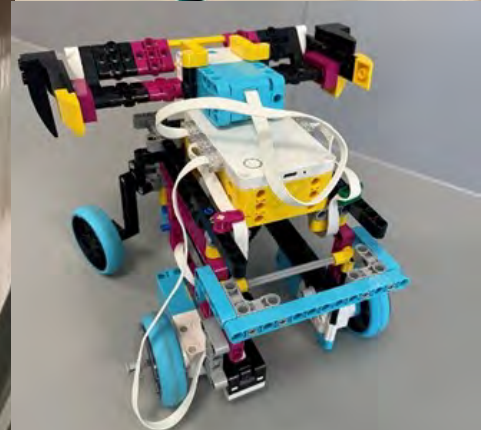

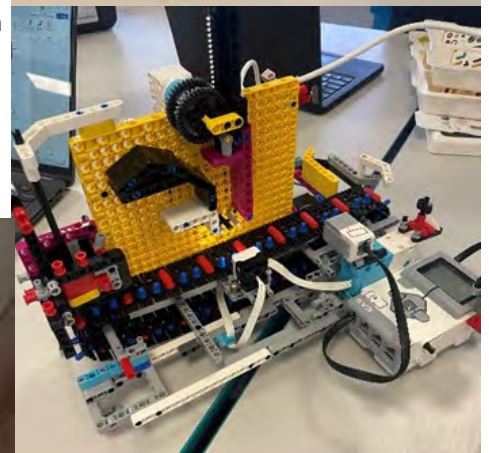

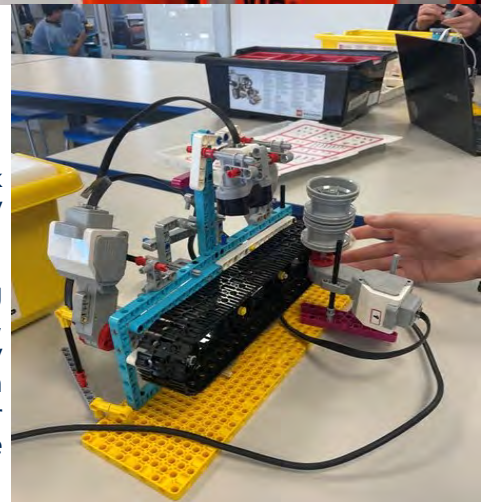

TREASURY WINE ESTATE EXCURSION

After visiting the school winery last term, the STEM class set to work designing machines to automate various processes and boost productivity in the wine industry.

Students have been developing models such as guided harvesting machines, automated crushers, bottle labellers, automatic guided forklifts, and more. Recently, they had the incredible opportunity to tour Treasury Wine Estates' Barossa facility, where they saw these types of machines in action on a commercial scale. It was great for the students to see how their classroom projects closely mirror the work of professional engineers in the industry, whilst providing valuable ideas to help finish off their projects.

A huge thank you to the team at TWE for their time and generosity in showing us around!

SPORT REPORT

The Year 9/10 Boys Football team played their Round 1 matches of the School Sport SA Championships on Wednesday of week 4. We hosted Faith Lutheran College and Clare High School at Nuriootpa Rover Football Club. The boys had a comfortable win in their first game, defeating Faith by 8 goals in what was a very impressive display of football. The boys enjoyed their experience of uniting together from over 5 different clubs to represent our school. In the final game of the day, Nuriootpa started well and were on top in what was a hard and physical contest. Clare High came back in the last quarter, but missed many crucial chances and Nuriootpa took the win by a goal. Well done to all involved and we look forward to what Round 2 will bring in a few weeks time.

Term 2 brings an enormous amount of sporting opportunities for students. We have Hockey being played in Week 5, Senior Soccer and Open Girls Football in Week 6. Week 7 will be the Year 7/8 Basketball teams and Year 9/10 Boy and Girls Soccer. In week 8 of this term the netball will get under way with 3 teams playing throughout the week and the Year 7/8, 9/10 and 11/12 teams will compete in Round 1 of the School Sports Championships. Finally in Week 9 we have the Year 7/8 Soccer. In early Term 3 there will be further opportunities in Years 7-9 Girls Football and Senior and Middle School Basketball. Students must listen and read the daily bulletins to not miss trials and trainings.

A huge thankyou to our selfless coaches and manages who put in many extra hours of time to organise and run School Sport as we truly value the tradition and pride we have at Nuriootpa High School. Good luck to all sports teams and be sure to check out the Nuriootpa High Facebook page for all sporting updates throughout the term.

Brad West
Sports Manager

YEAR 11/12 BOYS FOOTBALL

On Tuesday 20 May, the Open Boys Football team travelled to Kapunda for two games. In perfect conditions for football coached by Mr Lane and assisted by Lachlan Fuss, the boys competed in 2 very exciting games. Taking on Kapunda High in the first game. Inaccuracy cost us early, registering 1 goal 10 points in the first 3 quarters. Going into 3 quarter time 17 points down, coach Mr Lane asked for the boys to dig deep, roll the dice and get some score on the board. They responded well with a 4 goal quarter while keeping Kapunda High scoreless to secure an exhilarating 8 point win.

The second game against Kadina High started off well with Nuriootpa High continuing on with their momentum from the previous game in a dominating display in the first quarter. Kadina edged their way back in the second quarter piling on 4 goals to our 1. The rest of the game was an even affair with momentum swinging back and forth for both sides. In the end nothing could split the sides with the match ending in a draw.

With the results from the Kapunda High and Kadina High going our way, we have now progress to round 2. Thank you to Mr Lane and Lachlan Fuss for coaching and for Mr Hall for helping out.

Best players for the day across the 2 games were: Hayden Henke, Lewis Renshaw, Kaleb White, Ben Noack, Harrison Mattner, Liam Kurtz, Jordan Harvey, Kaelan Atkins and Eamon Wilksch

YANA REPORT

YANA (You Are Not Alone)

Over the course of Term 1, YANA has been working on several School Initiatives to create a more inclusive community and school culture at Nuriootpa High School. These initiatives have included celebrating International Women's Day, IDAHOBIT Day, and making clear indications of safe spaces across our school.

YANA identified that some students do not always feel confident in approaching staff about issues that may be affecting them at school. This led to them wanting to create a way for students to identify a safe space. This initiative has seen several posters and pride flags displayed around our school to help students feel more included, safe and confident in finding a supportive staff member.

The Pride flag is not just for people who identify as LGBTQIA+, it is a symbol of our continuous work at being a more inclusive and supportive school and most importantly as a symbol of our commitment to creating a kind and respectful school culture for Nuriootpa High School.

We are looking forward to more celebrations and opportunities to advocate for our students in the upcoming terms!

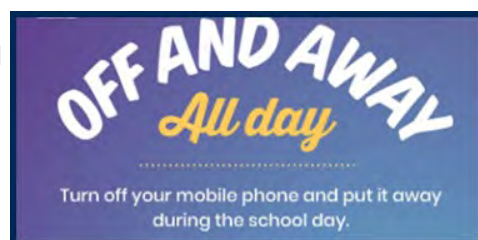

COMMUNICATION PROTOCOLS

PHONES OFF AND AWAY

If you need to get a message to your student/s, please phone us and select one of the following extensions:

Years 7-8	Ext 1
Years 9-10	Ext 2
Years 11-12	Ext 3

Alternatively you can send a Daymap Message through the Parent Portal.

EXEMPTION FROM ATTENDING SCHOOL

Students must attend school regularly.

Parents or carers can apply for an exemption from school attendance for the following reasons:

- Family travel or holidays
- Medical or health reasons
- Home education
- Full-time employment or
- Disability or behaviour concerns requiring part time exemption from school

LAPTOP CHARGES

Students are reminded to please bring their laptop charges to school.

TECHNOLOGY CENTRE - ITEMS FOR SALE

Make us your best offer!

Tiertime UP300: for Sale

Product Description:

The **Tiertime UP300** is a professional-grade 3D printer designed for users who need versatility, reliability, and top-tier print quality. Perfect for schools, designers, engineers, and serious hobbyists. This unit has been well maintained and is in good working condition.

Key Features:

- Modular **Extruder System:** Three interchangeable extruders for different filament types – PLA, ABS, TPU, and more.
- Large **Build Volume:** 205 x 255 x 225 mm – ideal for medium-to-large prints.
- **HEPA & Activated Carbon Filters:** Safe for classroom or office use with advanced air filtration.
- Dual **Filtration Enclosure:** Fully enclosed print environment ensures high-quality and consistent results.
- **Wi-Fi, USB, and Ethernet Connectivity:** Flexible connection options for any setup.
- Touchscreen **Interface:** 7" colour touchscreen for easy control and monitoring.

What's Included:

- 1 x Tiertime UP300 3D Printer
- Power and USB cables
- Build plates and spare accessories

Product Specifications:

- **Printing Technology:** Fused Filament Fabrication (FFF)
- **Build Volume:** 205 x 255 x 225 mm
- **Layer Resolution:** 100 – 500 microns
- **Nozzle Diameter:** 0.4 mm (standard)
- **Filament Diameter:** 1.75 mm
- **Filament Compatibility:** PLA, ABS, TPU, Nylon, PETG, and more
- **Connectivity:** Wi-Fi, USB 2.0, Ethernet, USB Drive
- **Software:** UP Studio 2.0 (Windows/Mac)
- **Automatic Calibration:** Bed leveling and nozzle height detection
- **Filtration:** Dual system – HEPA + Activated Carbon
- **Touchscreen:** 7" Full-Color LCD
- **Noise Level:** < 50 dB
- **Printer Size:** 500 x 523 x 493 mm
- **Weight:** Approx. 30 kg
- **Power Supply:** 100–240V AC, 50–60 Hz, 220W

UP BOX + 3D Printers x2: For Sale

Product Description:

Take your 3D printing projects to the next level with the **UP Box+**, a professional-grade 3D printer perfect for prototyping, education, hobbyists, or small business manufacturing. This second-hand unit has been well cared for and is in good working condition.

Key Features:

- **Large Build Volume:** 255 x 205 x 205 mm – ideal for bigger models or multiple parts in one print.
- **HEPA Air Filter:** Safe for indoor use with enclosed printing and active air filtration.
- **Auto Calibration:** Easy to use with automatic platform leveling and nozzle height detection.
- **Filament Compatibility:** Works with ABS, PLA, and other UP filaments – open spool system.
- **WiFi & USB Connectivity:** Print wirelessly or directly from your PC/Mac.

What's Included:

- UP Box+ Printer (used, good condition)
- Power cable & USB cable
- Spare build plates and accessories

Product Specifications:

Printing Technology:

- Fused Filament Fabrication (FFF)

Build Volume:

- 255 mm (L) x 205 mm (W) x 205 mm (H)

Layer Resolution:

- 100 to 400 microns (adjustable)

Print Speed:

- Up to 200 mm/s

Nozzle Diameter:

- 0.4 mm

Filament Compatibility:

- 1.75 mm ABS, PLA, and other UP-compatible materials
- Open material system (can use 3rd-party filament with some settings)

Connectivity:

- USB 2.0
- Wi-Fi (wireless printing supported)

Software:

- UP Studio (Windows/Mac compatible)
- Supports .STL, .UP3, and .UPP file formats

Platform Leveling:

- Automatic bed leveling & nozzle height detection

Enclosure & Safety Features:

- Fully enclosed print chamber
- Built-in HEPA air filtration system
- Power loss recovery feature
- Filament run-out detection

Operating Noise:

- < 50 dB (very quiet)

Printer Dimensions:

- 485 mm (L) x 495 mm (W) x 520 mm (H)

Weight:

- Approx. 20 kg

Power Requirements:

- 100–240V AC, 50–60 Hz, 220W max

PARENT / CARER SCHOOL BUS STOP DUTY OF CARE AGREEMENT – RETURN SLIP

BUS PASSES

Dear parents or caregivers

Please complete your contact details and indicate to us bus stop arrangements for your child. We may need to contact you if your child is not able to be set down from the bus if it appears to the bus driver that no responsible adult is present.

You will know that where a parent or carer is not present at the school bus drop off point, as provided in this notice, the bus driver is required to follow the school communication and emergency protocols, which may involve the child or young person being transported back to the school.

* I (insert Parent / Carer Name):

Parent / Carer 1 Contact Number:

* I (insert Parent / Carer Name 2):

Parent / Carer 2 Contact Number:

The parent(s) / carer(s) of (insert Child Name): Age:

DO ☐ / DO NOT ☐ (mark box) give permission for my child to be dropped off at the approved bus stop for the service allocated without a parent or carer being present.

For practical purposes we acknowledge parents / carers may provide other arrangements for the safe collection of your child(ren) at school pick up points e.g. another family member or friend may collect your child(ren). Please communicate any other arrangement in place here:

Other Responsible Adult Name / Arrangement:

Other Responsible Adult Contact Number:

* Note: When a decision is being made as to whether the child or young person can / should be dropped off at a bus stop without a parent or carer present, consideration will be given to such things as the child / young person's:

- Age, maturity, and developmental ability
- Any special needs, health, or medical conditions
- Family members who may also be travelling on the bus accompanying the child, and
- Any other local conditions relevant to the bus service (e.g. including traffic conditions, pedestrian access, walking distance from the bus stop to the place of residence).

Parent's / Carer's Signature: Date: Click on day to enter a date

Return this slip to the school for record keeping. This information must then be provided to the principal / principal delegate with management of department school bus service and the responsible school bus driver e.g. include in Student Roll Forms.

Our Sister City Grapevine, Texas

We are eight motivated agriculture students from Nuriootpa High School who will be participating in a study tour in September 2025, visiting students in Grapevine, Texas.

2025 Study Tour - we need your support

We are raising money for flights and a few essentials. All costs while we are there are paid by Grapevine.
