

FOR SALE: Hafco Centre metal lathe

The Design and Technology faculty have upgraded one of their metal lathes. As a result, the decommissioned lathe is now for sale by tender.

Hafco (Hare and Forbes, Machinery House) Centre lathe (similar to the K8253).

[AL1324 DRO, 415V Centre Lathe with Digital Readout Includes Tooling Package - Hare & Forbes Machineryhouse.](#)

It includes all the safety features required for schools including chuck guard interlock and foot brake for emergencies.

As per the included pictures:

- 3 jaw chuck and 4 jaw chuck
- Turret tool post and general-purpose tool
- Live tailstock centre and keyless drill chuck
- 2 axis Digital Read Out (DRO)
- 3 phase power (H&F do stock replacement bolt on 240 volt 2HP motors for this lathe)
- Last serviced June 2025 and decommissioned in November 2025

Any further information please contact Mr David Vaughan during school hours, ph.8562 2022 or email David.Vaughan101@schools.sa.edu.au. All tenders to be sent via email to Ms Jo Burgess, Business Manager, Jo.Burgess954@schools.sa.edu.au.

Tenders close on Friday 20 March 2026.
