14th October 2026

DIARY DATES

23-10-26
5-a-Side Soccer
@ Lock

26-10-26
Student Free Day

Welcome back to the final term of the year! I hope everyone is feeling refreshed ready for a busy few months as we finish off the school year. Our summer break and Christmas will be here before we know it.

This time of year is not just busy for school, but our farmers too. I hope you all have a successful and smooth harvest. It appears to be shaping up to be a rewarding season.

Congratulations to Ziek who was selected to be part of the CEP SAPSASA Tennis Team. Ziek will compete in Adelaide this term. We wish him all the best.

During the last week of term, a draft strategic plan for Lock Area School was sent home to families. We ask that all feedback be shared with either myself or Governing Council members before our next meeting so we can finalise our plan and have it ready for implementation at the start of next year. Any feedback can also be sent via email to dl.0230.leaders@schools.sa.edu.au

Any families that haven't notified the school of their intentions for schooling in 2027, please contact the school. We are busy planning for next year's funding, staffing and class structures and it is extremely important that we have a clear picture of enrolments to make sure we can have an accurate budget prepared.

Next Friday, we will have Year 5/6 students from Elliston AS and Kimba AS on site to participate in a 5-a-side Soccer Carnival that we will host. Our Year 5/6 students will participate, with the 7/8s running the Carnival. We are looking forward to a great day!

Congratulations to our Term 4 Class Captains, Frankie, Lara, Dustin and Soraya. We wish these students all the best as the join the SRC for the remainder of the year. We look forward to seeing what they plan for the term.

Have a great week,
Beth Sampson

R/1 CREW NEWS

Last term, the Year 1 students began learning about place value by partitioning two-digit numbers into tens and ones. This term, they are continuing to build on this understanding and extend their place value knowledge. Meanwhile, the Reception students have been developing their number sense and exploring part-part-whole.

jump rope celebration

On behalf of SRC, thank you everyone for putting in the effort to skip and fundraise for the Jump Rope for Heart program last term. We've loved seeing so many people attempting the challenges during DPA, through breaks and in PE lessons. We appreciated the support of the teachers. Thank you to all the people that helped donate. We ended up having 20 students who signed up online. Our aim was to raise $700 dollars and with their hard work Lock Area school ended up raising $2,352. This money will all go towards vital heart research and education programs.

-Jesse and Nathan

After assembly at the end of last term, students spent time skipping to celebrate the end of Jump Rope for Heart. Thanks to those parents who joined us, and thanks again to everyone who got involved with Jump Rope for Heart this year!
