COACHING AND MANAGING TEAMS

Coaches and Managers are parents/carers/grandparents of players in the team. Please consider taking on this role as without this support the students cannot play. Training is at the coach's discretion and normally occurs directly after school on a nominated day of the week. Training will begin straight after school and finish no later than 4:00pm.

On some occasions when parents have been unable to coach, teams have had a group of parents supervise the game and training has not occurred during the week. This is called a Game Day Supervisor.

It is mandatory that all coaches/managers have a Working with Children Clearance (forms available at School office) and RRHAN-EC Certificate. All coaches must complete an induction before they begin the season.

It is important to understand ***if there is no parent to look after the team = NO TEAM*.**
