All students are expected to attend school on Friday, 25th September at the allocated appointment time for their Round Table Self-Assessment Meeting. Appointment times will be communicated to families by Care Group Teachers.

The Round Table Self-Assessment Meeting provides an opportunity to discuss your child's Term 3 report, celebrate their achievements and share their learning journey. Parents / Caregivers are encouraged to attend face-to-face appointments with their child.

PLEASE NOTE: THERE WILL BE NO BUS PICK-UP OR DROP OFF SERVICE AVAILABLE FOR STUDENTS ON FRIDAY, 25TH SEPTEMBER.

School Pride Program

This is an alternative program that operates on the first and last day of each term in conjunction with Round Table meetings. The Program provides students with an opportunity to contribute to the school community through activities such as maintenance, cleaning of grounds and learning areas, and caring for equipment and buses. It encourages students to develop a sense of pride, responsibility and ownership of their school.

Students are welcome to participate in School Pride before or after their Round Table Assessment Meeting. Students participating in School Pride will be dismissed at 2:00pm, unless alternative arrangements have been made with their Care Group Teacher.
