Fri 19th Sep

Camp Cook Out

Week 10

Thurs 25th Sep

Scrub School

Fri 26th Sep

2:15pm Early Dismissal

Dear Families,

Well it's certainly been a busy couple of weeks – which has resulted in this newsletter coming out a little later than anticipated!

We have already had so many exciting learning experiences and events this term – as the pages in this newsletter show.

Our Book Day was again a success, with a wonderful combination of community, learning and celebration. Thank you to our volunteers for joining us to read, families and community members who joined us for the parade and morning tea and to everyone else who put in effort to make the day such a success. A very special THANK YOU must go to Michelle, who spends countless hours organising the day, and is the reason that everything runs so smoothly.

We also celebrated SSO Week recently, showing our appreciation to our beautiful support staff by providing a roast lunch! Without Michelle, Giulia, Kate, Tony, Sophie and Hannah our school would not run as smoothly – we are truly grateful to have these fabulous people as part of our team!!

As scary as it is to think about, planning is in the beginning stages for 2026. As part of this, Miss Leah and I are presenting a Preschool and Supported Play Information Session for any interested families. The session is being held next Monday the 15th September at 3:30pm in the Reception classroom. At this session we will present the purpose of our preschool program, information about eligibility for Term 1 and Term 3 intake and set our context for 2026. All interested families are welcome to attend, with time set aside at the conclusion of the session for anyone to ask questions. We ran this session earlier in the year and attendees found it beneficial to understand how the enrolment processes work for preschool, and the options that are available to families for Term 1 and 3 intake.

Whilst looking to 2026, this is also the time that we begin to look at class structures, student numbers and staffing. If you are aware of any movement for your children and/or family next year, please do not hesitate to come and see me. Similarly, if you know of others in our town or area that require enrolment information, please pass on our details.

Our Whole School Camp Cook out is scheduled for next Friday – this was an absolute hit last year! Please keep your eyes out for information and catering notes, to support us in preparing for the day. We look forward to seeing you all there!

The end of the term is shaping up to be as busy as the last few weeks! I look forward to more shared learning and community experiences over the coming weeks.

Take care,

Jess Herrewyn
Principal

Book Week

'Book an Adventure'

Our 2026 Book Day was another absolute hit! Children had the best day full of reading, activities and play. We were blown away by all of the costumes!

To Michelle and staff that put in countless hours bringing everything to life – thank you! A very big thank you also to our volunteers who spent part of the morning reading to students, we appreciate each of you. Another fantastic Book Day done and dusted and we are looking forward to next year's already!

Book Week

Hot Shots

During Week 4, the Year 3/4/5/6 classes travelled to Millicent to attend Hot Shots where they competed in mixed teams. Arthur and Luca came away with a win – well done!

Year 1/2 Beach Clean Up

Earlier this term the Year 1/2 class spent a morning collecting rubbish from our beaches. This term they are learning about the environment and sustainability, and will be repurposing rubbish items to create arts and crafts.

PATCH Theatre

Our students were fortunate enough to travel to Mount Gambier to attend PATCH at the Sir Robert Helpmann Theatre.

Children spent the day exploring the Library, Main Corner and at the theatre where they engaged in different light performances as part of "Wonderverse".

Our children were engaged, enthusiastic and excellent representatives of our school. Another great day out!

Father's Day Breakfast

Happy Father's Day to our dads, granddads and special people!

Beachport Primary & Preschool is celebrating 50 years

FOOD
Lumberjacks BBQ
Rivoli Bay Burgers
Fruity Bliss

MUSIC
