End of Term 3

Well we have past mid-term and it has been a busy term. As the term is coming to an end the weather is warming up so please ensure that students arrive to school with a water bottle and appropriate clothing to prevent sunburn.

Fraser Park would like to send out a huge thank you to all the parents and students for their cooperation and organisation for Photo Day. It was so lovely to see all the students in school uniform and the weather, although windy, was pleasant to enjoy having class photos outside.

A friendly reminder to parents of students in Kungari and Wuldi (Ms Crother and Miss Jess). If you have not returned your Monarto Zoo excursion forms and money, please organise this ASAP, the excursion is this Friday.

Next week will be a short week as Thursday is a Student Free Day and Friday is a School Closure Day because of the Royal Adelaide Show. Reminder notes will go home early next week to remind parents.

Principal's Passage

We are officially over halfway through term three. Last week, a small group of upper primary students participated in SAPSASA district day. It was a wonderful day, and our students not only participated but also excelled, showcasing their best. The feedback on their behaviour and attitude towards the events was fantastic, a testament to our school's values. Next year, we aim to take an even bigger team to District Day. We extend our thanks to Kara for her meticulous organisation leading up to the event and to Kez and Kara for their support and transportation on the day.

Also, last week, on Tuesday, the preschool at Fraser Park School was transformed into a film studio. We were chosen to showcase some of our fantastic learning. The feedback from the film crew and DfE staff was overwhelmingly positive, praising the lovely space and the fabulous job done by our staff, students, and families. We are eagerly looking forward to sharing the finished product with you all.

Last week, we were treated to another amazing Fraser Park Book Week Parade. Children from preschool to year six confidently displayed their book week costumes to the school. We extend our thanks to Anne for her organisation of the parade and to the EDGE team for their generous support in allowing us to use their space.

This week, all classes participated in the basketball clinic Igor from SA Country Basketball led. It has been wonderful to see the students learning new skills. We still have three more clinics to go! Please see our Facebook page for photos.

Seeing our attendance increase over the last couple of weeks has been great. The classrooms are full of learning, and seeing the playground full of students playing is terrific. It would be good to continue to see the improvement and move our attendance higher again.

We have seen a shift in the weather, and now it is time to start wearing our hats. On Friday, the two junior primary classes will receive their school hats, and on Monday, the two primary classes will receive theirs. The hats will remain at school, and staff will wash them during the school holidays. Your child's first hat is free. I cannot wait to see a sea of green hats on Monday.

Please remember that the primary school has a student-free day and a school closure day next week. Staff will be onsite Thursday to participate in professional learning, and on Friday, the school will be closed.

District Day

On Tuesday, August (Week 5) Fraser Park students took part in District Athletics day at Unity College. They competed against students from other schools in the area in events such as High Jump, Shot Put, Sprints, Long distance running and Long Jump. Each student put in a huge amount of effort and showed amazing sportspersonship towards each other and students from other schools. They all deserve a pat on the back!

Next year we look forward to taking more Fraser students to represent our school and our athletic ability.

Kungari

Kungari enjoyed dressing up for the Book Week parade and were excited seeing all the other students and staff in their Book Week costumes. Fraser Park have been fortunate to have Igor from the SA Country Basketball Association to run basketball clinics for the school. It was great to see the Kungari kids having a go and learning some dribbling and shooting skills.

Preschool at Fraser Park

Dear families

A very warm welcome to Sage and her family Sage just started at Pulyeri this term. If you know of anyone with preschool aged children in our neighborhood, please send them our way! We have space for more children to join us in play.

This term we continue our investigations about being a good friend We think it looks like showing respect for each other and the world around us.

At the moment, the children are brainstorming what toys and equipment we might need to buy for our learning at kindy. Stay tuned for ways to support a kids' fundraiser!
