End of Term 2

Well we are just over the halfway mark and its safe to say that winter has certainly made itself known. School jumpers are available to purchase from the front office so if you haven't bought your uniform yet, now is a great time to do it.

The current behaviour in the school has been disappointing and students have been informed by Mrs Rathjen that anyone **who is suspended and who do not follow the school's expectations, will not be going on the whole school excursion to Bounce on the 28th June. This will be starting from Monday Week 6 (3rd June).**

A friendly reminder to parents to ensure that your child has a piece of fruit in their bags for healthy snack time. As a whole school focus, a healthy snack helps nourish the mind and give the body essential nutrients and vitamins to help grow healthy minds which leads to better and more productive learning.

Principal's Piece

We are halfway through the term, and the weather has changed. It's fantastic timing as our new school jumpers have arrived. We are almost fully stocked with t-shirts and jumpers. Please come and see the front office staff to get your uniforms. Payment options are available; please see Julie for more information. Our year six t-shirts and jumpers arrived this week and look fabulous. It is great to see our senior students wearing the uniforms with pride. We are updating our uniform policy, which I will present at our next governing council meeting in week 8.

Unfortunately, we have had pockets of unsafe behaviour or behaviour that have disrupted the learning of others. We are following the behaviour policy and working closely with families to reduce the number of incidents. On Friday, I held an assembly to inform and talk to students about the behaviours we have been seeing. The students were told that any suspensions from Monday, 3rd June, week 6, would result in the student being unable to attend the Bounce excursion. All students have a fresh start, and we hope to have as many students attending the excursion as possible. The Bounce excursion is Friday, 28th June, week 9.

In week 8 we have our next Student Free Day which will be our second day of Berry St training. This training, with its focus on relationships, is a crucial part of our ongoing commitment to student development. As part of our training, I have participated in a leader's workshop. The focus for Fraser Park in these workshops is updating our Student Behaviour Management Policy. We will take our learning from Berry St and use this to update the policy. This will occur over the next two years as we have two more Berry St days to complete in 2025. I will provide updates as we review the policy.

Our students have been involved in many fantastic learning opportunities this term, and we couldn't be more excited to share them with you. The reception to year twos has been completing Auskick sessions Friday afternoon with Flash. This week, our year three to six students will have four football clinics run by the SANFL. Our preschool, reception to year two students had a visit from the tooth fairy, our year four to six students get to preview MBHS School of Rock on Wednesday and our reception to year two students got to participate in a Grug workshop before watching the performance at the (town hall). We still have a lot of things to pack in before the end of term.

The teachers are busy writing midyear reports for our primary students. This report will give you an overview of what has been covered this year and what your child has achieved. The reports will be handed out in week ten. If you have any questions, please ask your child's classroom teacher.

Kimberly

Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle.

Wellbeing Corner

National Reconciliation Week

The National Reconciliation Week 2024, theme, *Now More Than Ever*, is a reminder to all of us that no matter what, the fight for justice and the rights of Aboriginal and Torres Strait Islander people will – and must – continue.

Fraser Park students have been reflecting and learning more about our shared histories, cultures and the dreaming stories. The theme emphasises the need for respect, connection, decisive action, urging all Australians to act towards meaningful change and the ongoing journey of reconciliation.

Students have read and listened to stories about The Hawkesbeak Turtle and Bip the Snapping Bungaroo. These stories are beautifully illustrated and featuring native Australian fauna. Bip the Snapping Bungaroo is a special story that highlights the importance of friendship, communication and teamwork.

The preschool's Thukubi (Murray short-necked turtle) came to visit and students talked about its features and colours. They then made their own Thukubi with their own special designs.

NOW MORE THAN EVER

NATIONAL RECONCILIATION WEEK 2024 27 MAY – 3 JUNE #NRW2024 RECONCILIATION.ORG.AU

Wuldi

This term in Mathematics we have begun sequence of learning about addition and subtraction. Our focus has been around adding and subtracting zero, counting on, counting back, making ten, doubling and several other counting strategies to help solve worded problems. To assist you in supporting your child's learning here is some of the language we will be using and their meanings.

Part: An element of an equation (number sentence) that makes up a whole, for example, in $6 + 8 = 14$, the 6 and 8 are the parts, while 14 is the whole.

Whole: A number sentence or equation is made up of parts and a whole. In the equation $3 + 5 = 8$, 8 is the whole as it is the sum of the two parts.

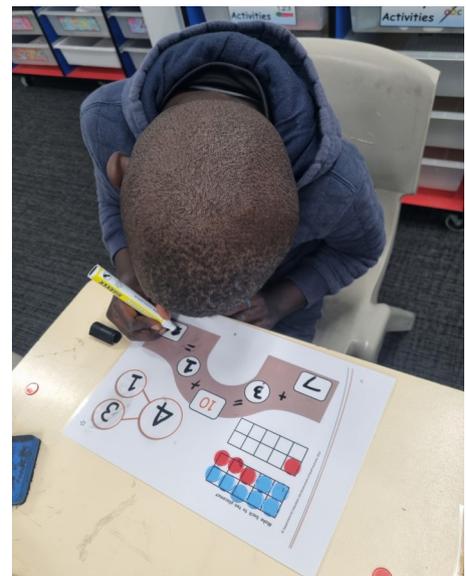

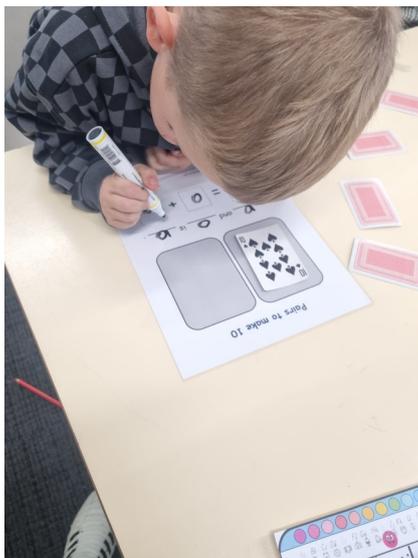

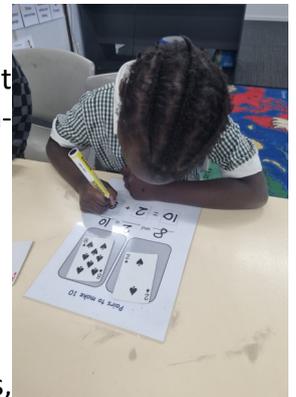

Number sentence: Also known as an equation, a statement that asserts that two mathematical expressions are equal in value. A number sentence must include an equal sign.

Equal: Exactly the same amount or value. The symbol is $=$.

Subitising: Recognising the number in small collections without counting.

Partitioning: Physically separating or renaming a collection in terms of its parts, for example 110 can be partitioned into one hundred and one ten.

Commutative: Operations are commutative if the order in which terms are given does not affect the result.

Uniforms

The new school uniforms have arrived!!!

School Shirts: \$20

School Hoodies: \$35

School Shirt + Hoodie: \$50

Please purchase in the front office—Cash and Bank Transfer available.

MEET THE LEADERS

MBHS invites prospective Year 6 families to our Meet the Leaders morning or afternoon tea

- ✓ Meet the MBHS leaders
- ✓ Get your questions answered
- ✓ Share important information
- ✓ Nibbles provided

Wednesday 19th June 4:00pm
or
Monday 24th June 9:30am
In the Glasshouse

Registrations are essential via the following link
tinyurl.com/meetleaders2025

☎ 08 8531 9500

✉ dl.0785.info@schools.sa.edu.au

Come along to the Learning Together Community playgroups. Our playgroups are all about playing, singing, learning, and having fun together.

Morning tea is provided for the kids and tea, coffee, and milo for you. We

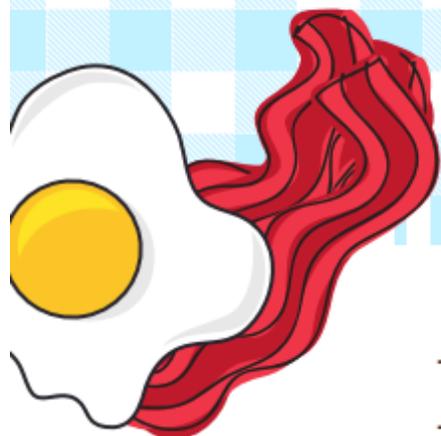

Drop in for a play on Monday or Wednesday at 10:00 am or come into our Baby play on Tuesday Mornings.

Other programs are available too! Nature Play at local parks, Cooking Together and Parenting programs.

Pulyeri

Preschool at Fraser Park

Dear families

This term, the children at Pulyeri are feeling safe, secure and confident to take some risks with their learning.

Here are some examples of skills explored, ideas shared and ways to show respect for our environment and each other.

Children organized themselves to wait for a turn at swinging on the branch. They cheered each other's effort. Go Arya!

Children at work and children at rest, ... helping each other, and giving each other quiet space. Thanks Sailer and Ayom. The agaves look great. Akol and Mackenzie love to read in the afternoon.

Children
At Work

Dates to remember

Week 7 ... No kindy this week

- 10th June - Public holiday
- 11th June—Pupil free day

Zoe and Josh from Bunnings donated special soil and plants for our wicking beds. We watched them pour in the soil while we ate our lunch. Then Zoe and Josh showed us how to carefully put in the plants.
