End of Term 2

Welcome back for Term 2 and it has been such a busy start to the term, with lots happening and lots of things still to come.

We have a Grug performance for our Kungari and Wuldi classes at the town hall on the 28th of May.

The whole school will be going to Bounce in Adelaide for an excursion on the 28th of June and our Year 6 students are attending a School of Rock performance in Week 6.

The weather is really starting to cool down now and we still have school jumpers available, along with school shirts.

Also, just a reminder that Material and Service Fees are now due for those not on School Card. Please see Julie Cawte for more information.

Principal's Piece

It has been a hectic start to term 2! It has been great to see our attendance around 80% and more students arriving on time. Getting students into a routine helps them settle into the classroom and increase engagement with the learning. Our daily structure is designed for students to access the curriculum to the best of their ability. Our school data shows regular attendance is helping students improve in the critical areas of learning. This term, I will spend more time observing the teaching in classes. It has been fantastic to see the literacy, numeracy and science learning occurring in the classroom.

Lately, I have received reports of people smoking or vaping in the dirt carpark and going faster than the walking pace. Please remind everyone that smoking and vaping on school grounds, including the dirt carpark, is prohibited. Please remember to enter and exit the carpark at a walking pace to keep everyone staff.

This term, we are thrilled to welcome back Flash Gregory, who will be teaching our reception to year two students Auskick. It's a joy to see the students honing their Aussie Rules Football skills. We are incredibly fortunate to have Flash working with our students, and I know the students eagerly await the Friday afternoon sessions. Our year three to six students haven't been forgotten-they will also be participating in a football clinic this term. Stay tuned for more information!

I have been really lucky to listen to many students read so far. As a site, we are working with all students to build their reading fluency. I encourage all families to listen to their child read as often as possible. For our developing readers, it is great to listen to them as well as read to them. Students can borrow books from the school library, and we have a few books to give away.

Our school uniforms look great! We have ordered more jumpers, and they should be here soon. If you are interested in the new uniform, please visit the front office. We can organise sizes and help with payment plans if needed. Our hats have arrived, and they will be ready for each child in term three. Each child will receive a hat on the first day of term three.

Term three will see our first midyear reception intake, and more spots are available. If you know of any families looking for a reception class, please let them know we have spaces available. We also have spaces available in the preschool; please encourage interested families to pop in and say hello.

Wellbeing Corner

We know mornings can be hard work – especially as the weather begins to cool down and we just want to stay put in our nice warm beds. Getting up and organised for school can take a bit longer and before we realise school has already started and we are still on our way there. A couple of minutes late here and there doesn't seem like much; however, studies have shown the mere nature of arriving late and missing school learning time can have big impacts on learning.

Minutes lost = days lost per year

A couple of minutes here and there doesn't seem like much, but...

We know life gets busy and we run late sometimes. Or, our children feel sick or tired or other situations that may prevent students from being on time.

Arriving late to school can also mean that students miss out on activities designed to build connections with their peers, impacting their social interactions and missing important announcements for the day.

Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Build friendships

Develop life skills

Come along to the Learning Together Community playgroups. Our playgroups are all about playing, singing, learning, and having fun together.

Morning tea is provided for the kids and tea, coffee, and milo for you. We

Drop in for a play on Monday or Wednesday at 10:00 am or come into our Baby play on Tuesday Mornings.

Other programs are available too! Nature Play at local parks, Cooking Together and Parenting programs.

KUNGARI

In Kungari we have been exploring families and who make up our families.

In HASS we have also been looking at different celebrations we celebrate.

Uniforms

The new school uniforms have arrived!!!

School Shirts: \$20

School Hoodies: \$35

School Shirt + Hoodie: \$50

Please purchase in the front office—Cash and Bank Transfer available.
