

KARCULTABY PRESCHOOL QUALITY IMPROVEMENT PLAN 2026

STEPS WE WILL TAKE:

- Create a supportive environment which encourages risk taking and persistence in learning.
- Explicitly teach growth mindset, resilience and problem solving so that children are setting goals, regulating emotions, solving problems, using positive self talk, developing a can do attitude and exploring coping strategies, which include calming strategies and seeking help.
- Engage the preschool community in the learning.
- Undertake professional development for educators.

WHERE ARE WE NOW?

Based on our self assessment we are wanting to enhance children's confidence and self concept as a learner.

OUR GOAL:

To empower every child to feel supported in developing as a confident and resilient learner who persists through challenges.

SUCCESS MEASURES:

- Environment and practice documentation
- Family engagement tools
- Child voice
- Educator reflection and professional learning logs

NQF PRIORITY:

- GOAL: Improve the quality of parent and family engagement in the learning program.

SUCCESS CRITERIA:

- Creation of a supportive environment which encourages risk taking and persistence in learning.
- Children's behaviour and attitudes demonstrate a positive shift in developing growth mindset.
- Family engagement
- Educator practices
- Evidence of improvement
