- What we're doing well
- Where we can improve
- What is important to you as a parent or carer

Your responses are confidential. Neither you nor your child can be identified, and only collated feedback is provided to our school.

You should have already received a link to the survey via email or SMS. Reminder messages are also being sent unless you have already completed the survey or chosen to unsubscribe.

We strongly encourage you to take a few minutes to complete the survey. Your feedback is valuable and helps guide our school improvement efforts.
