- Clean Up Australia Day Event
- Finance Training
- South Australia Curriculum
- Swimming / Aquatics
- Governing Council
- WCIAC
- Paul Rutter, Illustrator Visit
- Harmony Day

*Please Note:
Our School is a Nut aware School.
We encourage families to avoid sending nuts or nut products to school.*

Our school is on Wirangu land and we acknowledge the traditional owners of this country, the nations first people. We recognise their continuing connection to land, water and the community. We pay respect to them and their culture and to elders both past and present.

Dear Parents & Caregivers

Welcome to the end of week 9!

It is truly unbelievable that we only have two weeks of term 1 left. Lots of great things have been happening over these last weeks. I hope you enjoy sharing them with us.

NAPLAN

During weeks 7 & 8 our year 3 and year 5 students have been engaged in NAPLAN testing.

This is testing that occurs in all school across Australia. I would like to congratulate our students who tried really hard to do their best. Thank you to Ms Ettridge for being our NAPLAN coordinator and ensuring the process ran smoothly.

Visitors

Over the last weeks we have had various visitors in the school. Ms Kylie Jackel who is our staffing officer who discussed all issues personnel and looked at our projected enrolments. Ms Susan Holland, Inclusive Support Officer who worked with Ms Allen and Ms Davies looking at classroom behavior and structure to assist students in becoming more independent.

School/Preschool Site Learning Plans

Staff have continued to work on our learning plans and making them real in our classrooms.

A major focus in our two priority areas; wellbeing and effective learners, is emphasising dispositions.

SCHOOL VALUES

Clean Up Australia Day

Last Friday our School & Community celebrated Clean Up Australia Day. It was a fabulous turn out and the children thoroughly enjoyed working beside parents and community members.

Much rubbish was collected, and we really did make a difference.

Pride in our community is so very important.

Thank you and congratulations to Tricia and her Student Voice team Chloe, Archer, Siena, David, Caleb, Uvarnah, Leila, Albert & Rory who organised the event. Shout out to Tony, as Tricia's off sider who did the rounds of the town picking up the piles of collected rubbish. Your help was greatly appreciated.

Thank you to all those adults who attended and helped out.

Finance Training

During week 6, Mrs Hardy and I attended Finance Training in Port Lincoln.

There is always new information coming out in this area and it is important that we keep abreast of changes and improvement.

I thank Jenny Hardy for her continued commitment towards our school in this area.

Thank you

A special thank you to Nicole Warmington for her continued effort with our Can and Bottle Drive, raising money for our new playground.

Our latest figure for can and bottle collecting was just over \$4,000.

An amazing effort. Well Done Nicole!

If you have any cans and bottles you would like to donate, please contact Nicole or the school.

South Australia Curriculum

This week teaching staff travelled to Koonibba to engage with their staff on the all-important topic of the South Australia Curriculum.

The new curriculum is based on dispositions, capabilities and knowledge. It focuses on understanding, doing and being integrated for the holistic development of learning and the Whole Child.

Aquatics & Swimming

Next Tuesday 1st April is Aquatics for the Upper Primary Class and Swimming for the Junior Primary Class.

Consent forms have been disseminated. Please ensure they are returned. All the children appear to be looking forward to this opportunity.

Governing Council

Our 2nd Governing Council meeting has been rescheduled for Thursday 3rd April at 1pm. Issues to be discussed include fundraising, new playground, classroom update & learning plans.

Congratulations
Ellieyre

WCIAC
Runner up 9 girls

WCIAC

It was very exciting to have 4 children as our ambassadors attend WCIAC at Karcultaby after their success at Ceduna Sports Day.

Kayla, Eddierose, Koby & Ellieyre headed down the highway for a big day of competition.

It was a fabulous effort from everyone and we are really proud of them.

Koby

1st 100m
1st Relay

Harmony Day

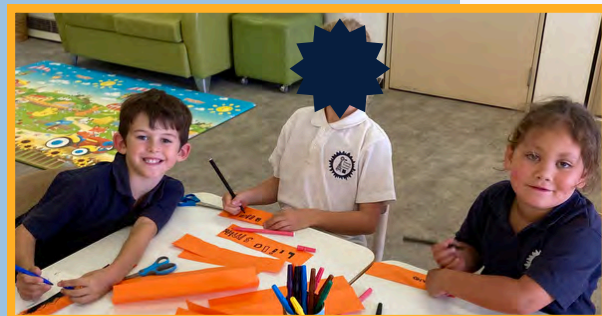

As a school we celebrated Harmony Week with an afternoon of activities on Tuesday 18th March.

Harmony week is celebrated annually across the nation.

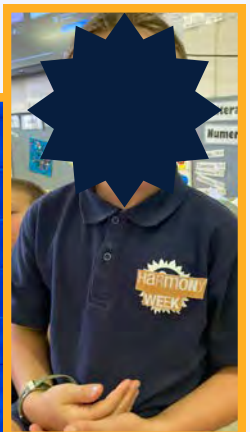

It promotes cultural diversity, inclusiveness and foster a sense of belonging for all Australians. The on going theme is Everyone Belongs.

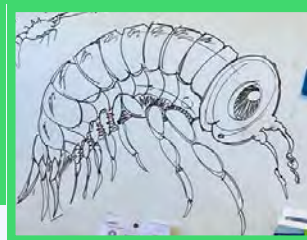

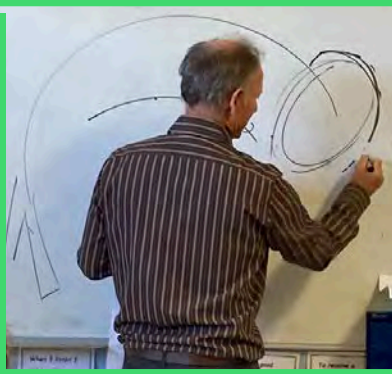

The colour orange is associated with Harmony Week and it represents social communication, meaningful conversations and the freedom of ideas.

The children did a great job sharing and working together. Please enjoy our photo gallery.

HARMONY WEEK
EVERYONE BELONGS • HARMONY.GOV.AU

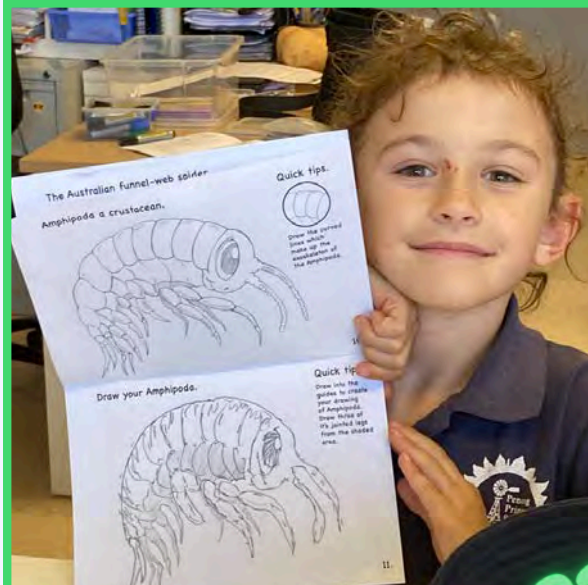

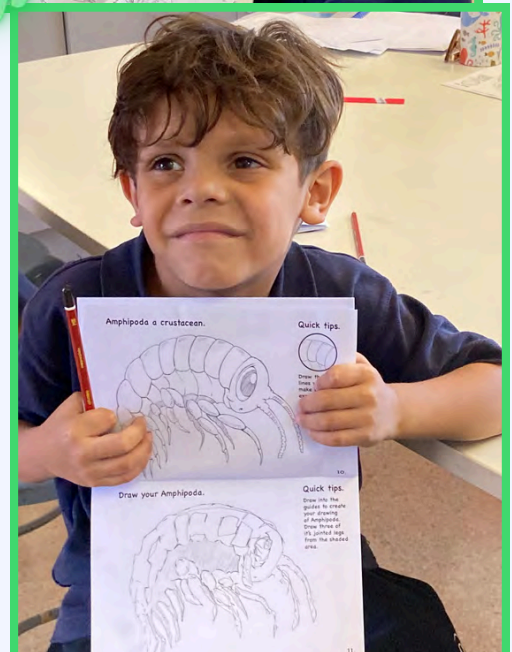

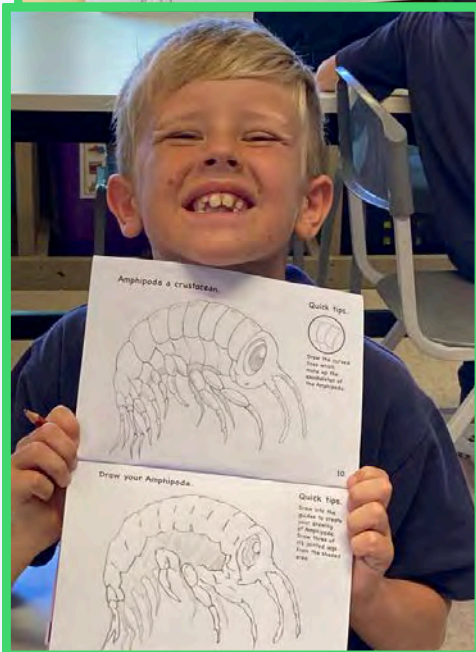

Paul Rutter

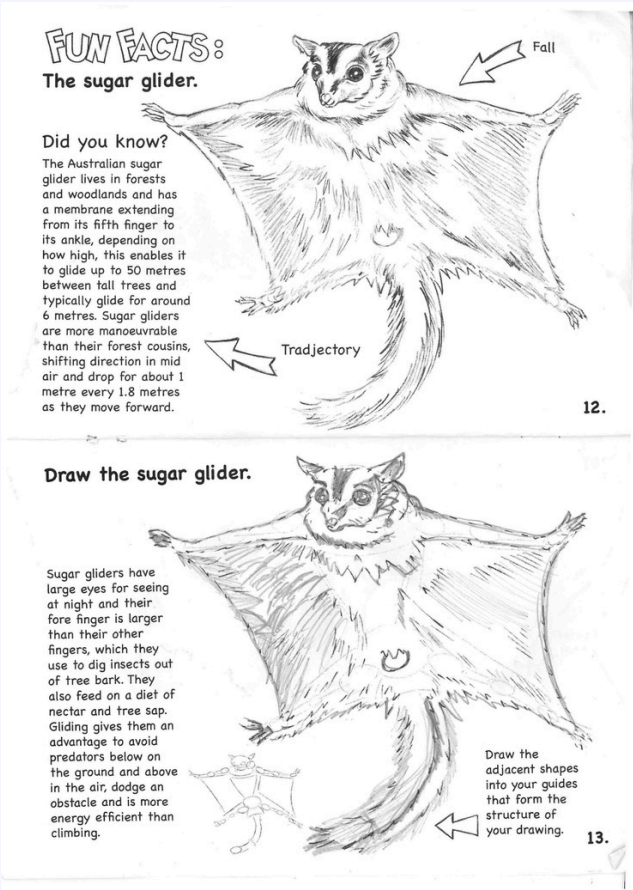

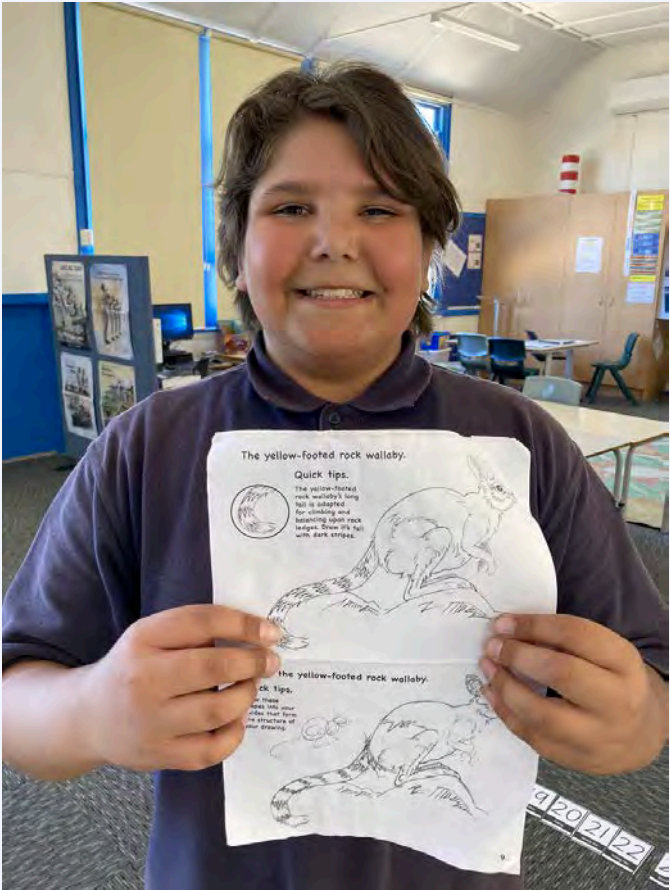

Last week we had the pleasure of Mr Paul Rutter an author, but more famously an illustrator spent time with the children in two separate drawing sessions.

Upper Primary engaged in the theme Australian Marsupials and Junior Primary worked on the theme of Mini Beasts. It was a great opportunity for the children to try their hand at something different and show their skills.

Paul Rutter
Illustrator

Paul Rutter
Illustrator

Junior Primary Design & Technology

Our Junior Primary group have been focusing on "Paddock to Plate" concepts and looking at the different facts that different cultures enjoy. Jossie Webb joined the group last Tuesday to show case her skills with Philippine cooking. It was a great afternoon, and the children thoroughly enjoyed the opportunity. Thank you Jossie.

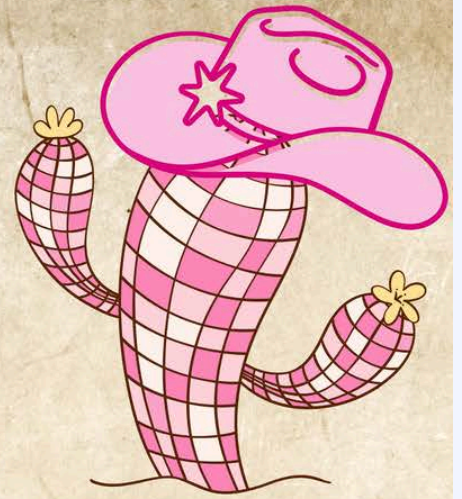

Thank you
Jossie

GAMES AND A LOT MORE FUN!**

Hosted by the Salty
Seahorses
(student Voice)

Kindy News

The end of the term is fast approaching! Once again we have had some exciting opportunities for our kindy children. We were very lucky to have Jossie Datoon come to the Kindy to show us how to cook cheese sticks. This is part of the unit of work we have been doing in Design and Tech about where our food originates from and what different cultures and countries use the different foods for. It was lots of fun cooking them and they were very yummy to eat.

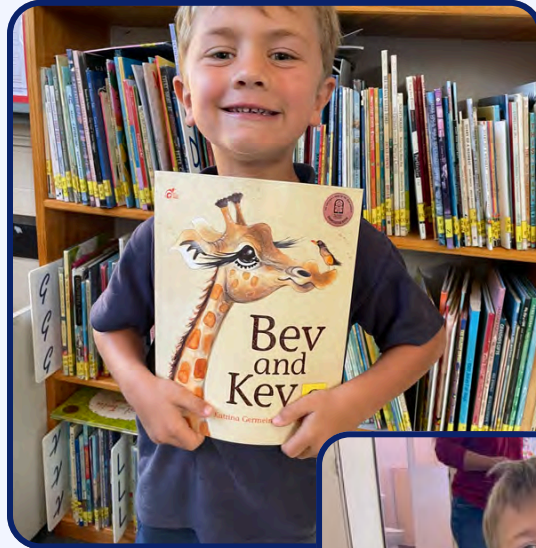

Rory was also fortunate to be invited to join the Ceduna Kindy and visit the famous author Katrina Germein who was holding a workshop at the Ceduna Area School library. She was very entertaining and held all of the children captive with her story telling and all of the songs and actions that go with them. We then went back to the kindy in Ceduna where Rory joined in with playtime as well as mat time where he enjoyed being part of a bit bigger group.

Kora showed that she really enjoyed dancing when we played blues music to one of the videos we have been learning about where our clothing comes from. We saw cotton, wool, silk and bamboo products.

We have had a visit from Emily Seaman the Education Lead - Early Childhood on Thursday to make sure we are meeting all requirement for our kindy. We appreciate her support to keep up to date.

I am looking forward to the last couple of weeks with Easter looming!!

Tricia

A NEW PLAYGROUND

Community News

Dear Penong Community,

The students from the Hunting Hammerheads Student Voice group are asking for new games at school.

We were wondering if anyone from our community would let us borrow their games or would maybe like to purchase any of the following items and donate them to the school, please.

At the moment the students are not having fun at school because we're waiting for a new playground to be installed.

If you want to give the school toys we would be really grateful and careful with them. Please contact the school between 1 and 130 weekdays and ask to speak to Eddirose and

Koby if you would like to assist us.

Thankyou from Eddierose, Sabella, Trey, Hudson, Ollie, Storm, Malea, Koby, DJay
