- Sports Day
- School

We have had a very busy and exciting few weeks at school, with lots of wonderful things happening.

Our Sports Day was a fantastic success! Students participated with enthusiasm and gave their very best efforts on the day. It was great to see the excellent sportsmanship and encouragement shown by all students. A huge thank you to everyone who helped with the organisation, supported on the day and assisted with packing up—it was truly a team effort.

In classrooms, it has been great to see the wonderful learning taking place across both our Junior Primary and Upper Primary classes. Students have been engaged, curious and showing good progress in their learning.

We would also like to extend a special thank you to Alli Shipard and Jenny Chesson for their support in classes over the past few weeks. Your time and effort have been greatly appreciated.

As we move toward the end of the term, I would like to take this opportunity to celebrate the efforts of our students, staff, and community. Thank you all for your continued commitment to making our school such a positive and supportive place to learn.

Alyssa Di Girolamo
Acting Principal

Please Note:

Our School is a Nut Aware School.

We encourage families to avoid sending nuts or nut products to school.

Our school is on Wirangu land and we acknowledge the traditional owners of this country, the nations first people. We recognise their continuing connection to land, water and the community. We pay respect to them and their culture and to elders both past and present.

Penong Primary School Website

Our New School Website is Live!

We are excited to announce that our new school website is now up and running! The site has been updated to keep families, students, and the community informed and connected with all the latest updates from our school.

On the website you will find:

- **School Information** – key details about our vision, values, and the opportunities we provide.
- **Policies and Procedures** – the most up-to-date documents to support our shared expectations and practices.
- **Student Learning and Achievements** – photos and highlights showcasing the wonderful learning happening across our classes.

We encourage all families to take some time to explore the website and stay up to date with the latest news and information. It's a great way to celebrate our students' successes and keep connected with everything happening at our school.
