### Welcome Back to Taparra for 2026

It is with great excitement that I welcome all of our students, families and staff to the 2026 school year at Taparra Primary School. We hope you have enjoyed a relaxing break and are feeling refreshed for the wonderful year of learning, growth and connection ahead.

I would like to extend a very warm welcome to the new staff joining our Taparra community this year. We are thrilled to have **James Goodridge**, who joins us as our Junior Primary Disability Unit teacher from Modbury Special School, and to welcome back **Amanda Elliott**, returning to Taparra in the role of mainstream NIT teacher following her time at Blakeview Primary School. We know both James and Amanda will bring valuable experience, care and enthusiasm to our students and school community.

Next Tuesday we will be holding our **Taparra Take Off Morning**, a special opportunity for families to meet their child's teacher, explore our 2026 learning spaces and connect with other members of our community. A light breakfast will be provided on the quad, and we warmly invite all families to join us. We look forward to seeing you there and beginning the year together in a positive and welcoming way.

We are incredibly excited for the year ahead and look forward to seeing our students continue to shine as they live out our school values: **Be Kind, Be Safe and Be a Learner**. Thank you for your ongoing partnership and support in making Taparra such a strong and caring learning community.

Here's to an amazing 2026 at Taparra Primary School!

# WELLBEING NEWS

Ziggy, our much-loved wellbeing dog, is back and ready for another pawsome year at Taparra Primary School! As we welcome him back, we'd like to give a quick reminder to our school community about our agreed practices when engaging with Ziggy. These help keep both Ziggy and our students safe, happy and calm.

Ziggy can't wait to be part of lots of exciting moments this year – popping into classrooms, attending events, and supporting our students with his signature fluffy calm vibes

## AGREED PRACTICES

We are excited to welcome Ziggy our wellbeing dog to our school community. When Ziggy is at school we will:

Say hello to the person walking Ziggy.

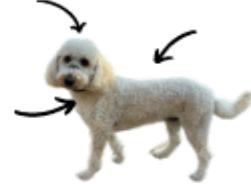

Give Ziggy space when we walk past.

Ask to pat Ziggy and move away from Ziggy when finished patting.

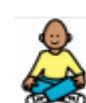

Pat Ziggy on the top of his head, back and chest.

Ziggy has his own special food, we will not share our food with him.

Use safe hands, safe bodies and safe voices around Ziggy.

# How to make SOCIAL MEDIA SAFER AND KINDER

Social media can be a great way to connect with your friends, but it can also be a cruel and dangerous world. Here's how you can make it a better place for yourself and others.

Don't say anything that you wouldn't say to the other person's face. Insults hurt online too.

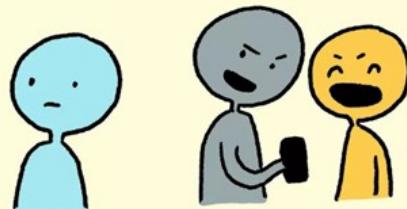

Don't post things you'd be embarrassed about if everyone could see them. Secrets are never safe online.

Remember that everything you post online could stay there forever, even if you delete it.

Don't talk behind other people's backs or make fun of them online.

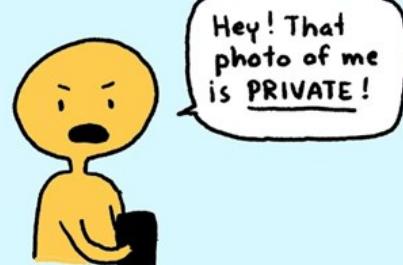

Don't accept friend requests from people you don't know.

Don't share personal information online, and never give anyone your password.

Don't post other people's pics or tag them without their permission.

If a friend is in trouble online, talk to an adult.

Report hateful, violent or inappropriate posts and comments.

# 6 Helpful Tips for School Zones

As parents and caregivers, we have a great responsibility to ensure children stay safe in school zones. We also play a key role in educating children about road safety.

**Here are 6 helpful tips for safety in school zones.**

**1** Consider alternative transport modes to reduce the number of vehicles in school zones.

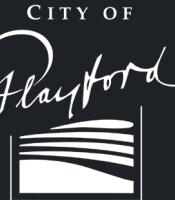

**2** Allow enough time to take your child to the school gate safely and without rushing.

**3** Always observe parking signs and speed limits in and around school zones. They are designed to keep your child safe.

**4** Talk about traffic safety with your child. Identify and discuss places where it is safe to get out of the car and to cross the road.

**5** Teach your child how to cross the road using the 'stop, look, listen and think' process – stop at the kerb, look and listen for traffic and then decide whether it is safe to cross.

**6** Park a few streets away and walk your child to school to reduce congestion and improve safety. This is also good exercise and helps teach your child road safety rules.

## Parking safely around schools

We all know parking and traffic around school can be frustrating but going against the road rules places not only your child's life at risk, but those of others. Tragedies can occur if care is not taken to abide by these rules.

## Common Parking Restrictions

### No Parking Signs

You may use this area for drop off and pick up only, for a maximum of 2 minutes. You must not queue or wait here. The driver must remain with the vehicle.

### Kiss and Drop Zones

are generally near the school gates and are designated by 'No Parking' signs.

### Here are some key reminders when entering a Kiss and Drop Zone:

Follow the rules of 'No Parking' signs

Be mindful of others who are also dropping off their children

Keep an eye out for children crossing the road when exiting the Kiss and Drop Zone

Be mindful that queuing for the Kiss and Drop zone may result in other breaches to the road rules

If your child is unable to enter/exit the vehicle and enter the school independently, consider parking and walking your child in

### No Stopping Signs/ Yellow Lines

Both No Stopping Signs and Yellow Lines mean the same thing. There might be one or the other or both. Drivers must not stop on a length of road to which this restriction applies, even if you are stopping for a short period to pick up a child. Stopping here may cause a traffic hazard as well as congestion. You cannot stop near a school crossing, always follow the signs and yellow lines.

### Bus Zone Signs

You must not stop within a bus zone at any time. This zone is only available to public buses. If there are no signs, you are not allowed to stop within 20 metres of the approach to a bus stop or within 10 metres of the departure side.

### Double Parking

Drivers must not stop next to a vehicle already stopped or parked at the kerb at any time. This practice is illegal and creates dangerous situations for traffic flow and for pedestrians crossing a road.

Example of cars double parked in a school zone.
