Thursday 11/12 Year 6 Graduation

Friday 12/12 End of Term 4 – Early dismissal 2:00pm

Principal's Message

Welcome back to school for Term 4!

Class Placements 2025

We have starting class placements for 2026. We are requesting parents/caregivers inform us in writing via the front office if your child will not be attending Swallowcliffe P-6 School next year. This information assists us in developing class structures to accommodate all students. Teachers work collaboratively to create class lists taking into consideration the following facts;

1. Friendship groups
2. Social and emotional development
3. Behaviour support needed
4. Special abilities and learning needs

Decisions are based on establishing balanced and equitable class groups that will potentially work well together and support the needs of ALL students. All classes regardless of straight year level or composite comprise students of mixed learning abilities.

Parents/cares will be informed of class placement in their child's reports at the end of the year. Students will have transition in Week 8 where they will visit their new classroom location and teacher (where possible) during a whole school transition program. Changes after transition will only be made in exceptional circumstances where staff and/or parents provide additional written information, previously unknown during the placement exercise.

Parents/carers are invited to provide relevant information regarding their child/ren by Friday 31st October at the latest. Please address your concerns in a written letter addressed to the 'Principal' and handed in to the front office.

Please note the following:

- A separate letter is to be written for each child.
- We are unable to consider requests for particular teachers.
- Your child will be placed in either a straight year level or composite class dependent upon class structures.
- Changes will only be made in exceptional circumstances.
- We may be unable to meet requests but they will be considered in the final make up of class lists.

Penny Sweeney, Principal

Swallowcliffe P-6 is committed to providing Quality Education.

Our Mission: To empower students to recognise and optimise their full learning potential through explicit teaching of;

✓ High Expectations ✓ Positive & Growth Mindset ✓ Relationships with Others
