# Finance News

## 2026 Material & Services Charge Rebate

A \$200 rebate (discount) is available for parents, carers and independent students who are required to pay the 2026 Materials and Services charge. Students approved for School Card assistance aren't eligible to receive the discount as they're already exempt from paying the materials and services charge.

## 2026 Material and Services Charge

Governing Council approved the charge of \$281.00. This amount is legally recoverable by Department for Education Central Debt Collection for all students except those who receive approval for School Card in 2026.

## 2026 School Card

Eligibility for School Card Assistance is dependent upon the combined family gross income for the 2024/2025 financial year being within the following School Card limits:

1 child	\$75,524	\$1,452
2 children	\$76,873	\$1,478
3 children	\$78,222	\$1,504
4 children	\$79,571	\$1,530
5 children	\$80,920	\$1,556
more than 5 children	Add \$1,349 for each dependent child	Add \$26 for each dependent child

School Card does not roll over year after year; you are required to apply each school year. If approved for School Card the entire 2026 M&S charge of \$281.00 will be paid and a further \$25.00 can be accessed to purchase uniforms or pay for excursions in 2026.

Forms are available from the front office or you can apply online at [www.sa.gov.au/education/schoolcard](http://www.sa.gov.au/education/schoolcard)
