Principal's Message

Welcome Back for Term 4

Welcome back to all of our students, families and staff as we begin Term 4. I hope everyone enjoyed a safe, restful and happy school holiday break and is feeling refreshed for the exciting term ahead.

Term 4 is always a very busy and rewarding time in the school year. It is a term filled with learning, celebration and special events as we work towards the end of another successful year. We are looking forward to a range of important occasions, including our school concerts, graduation, award ceremony, transition visits and class parties. These events provide wonderful opportunities to celebrate our students' achievements, efforts and growth throughout the year.

As we return for the warmer weather, I would also like to remind all students of the importance of wearing the correct school uniform each day. Our school uniform helps promote pride in our school and a sense of belonging for all students. In particular, I ask families to please ensure that all children have their hats daily to wear at recess and lunch. Wearing a school hat is an important part of keeping our students safe in the sun and supporting healthy habits.

Thank you to our families for your ongoing support in helping students come to school prepared each day and ready to learn. We appreciate your partnership and the positive contribution you make to our school community.

Class Placements 2026 and Transition

We will be starting class placements for 2027 in the next few weeks. We are requesting parents/ caregivers inform us in writing via the front office if your child will not be attending Swallowcliffe P-6 School next year. This information assists us in developing class structures to accommodate all students. Teachers work collaboratively to create class lists taking into consideration the following facts;

1. Friendship groups
2. Social and emotional development
3. Behaviour support needed
4. Special abilities and learning needs

(continued over)

Swallowcliffe P-6 is committed to providing Quality Education.

Our Mission: To empower students to recognise and optimise their full learning potential through explicit teaching of;

✓ High Expectations ✓ Positive & Growth Mindset ✓ Relationships with Others

Principal's Message

Decisions are based on establishing balanced and equitable class groups that will potentially work well together and support the needs of ALL students.

All classes regardless of straight year level or composite comprise students of mixed learning abilities.

Parents/carers will be informed of class placement in their child's reports at the end of the year. Students' transition week is yet to be decided but parent/caregivers will be informed when students will visit their new classroom location and teacher (where possible) during a whole school transition program. Changes after transition will only be made in exceptional circumstances where staff and/or parents provide additional written information, previously unknown during the placement exercise.

Parents/carers are invited to provide relevant information regarding their child/ren by Friday 6th November at the latest. Please address your concerns in a written letter addressed to the 'Principal' and handed in to the front office.

Please note the following:

- A separate letter is to be written for each child.
- We are unable to consider requests for particular teachers.
- Your child will be placed in either a straight year level or composite class dependent upon class structures.
- Changes will only be made in exceptional circumstances.
- We may be unable to meet requests but they will be considered in the final make up of class lists.

I wish everyone a happy, productive and successful Term 4 and look forward to sharing many special moments together as the year comes to a close.

Penny Sweeney, Principal

B4R1

As part of Book Week festivities, an African Drumming group showed us how to do some drumming. We had fun drumming, dancing and laughing. The excursion was thoroughly enjoyed by all the students in B4R1. We did some drawings to show how the performance made us feel.

Preschool

At preschool, educators have continued their learning about responsive relationships and the importance of building strong, secure connections with children and families. We value the important role families play in our service and appreciate your ongoing partnership in supporting your child's wellbeing and learning.

As part of this work, we kindly remind families to continue bringing your child to their primary care educator each morning to say goodbye. This helps children begin their day with a sense of security and connection, setting them up for a positive day at preschool. If you are unsure who your child's primary care educator is, please speak with one of our educators and we will happily assist you.

In line with our focus on responsive relationships, we are also making some changes to our lunchtime routine. Children will reconnect with their primary care educator in a small group before lunch, giving them an opportunity to connect and strengthen these important relationships throughout the day.

With the weather warming up, please ensure your child has a clearly labelled hat each day so they can enjoy playing safely in the sunshine. As children will also be engaging in more water play, please remember to pack spare clothes for changing. We also ask families to ensure that any grapes sent to preschool are sliced in half lengthways, as whole grapes are a choking hazard for young children.

For children moving on to school at Swallowcliffe in Term 1 2027, transition to school dates will be released shortly.

Thank you for your continued support in helping us create a safe, nurturing and inclusive environment for all children.

A vibrant yellow and red poster for Swallowcliffe P.G. Preschool. At the top center is a circular logo with a yellow background, a red border, and the text 'Swallowcliffe P.G.' at the top and 'Be Kind, Be Kind, We're Kind' at the bottom. Inside the circle are three red birds in flight. To the right of the logo is a simple yellow sun with a smiling face. The main text 'SWALLOWCLIFFE PRESCHOOL' is in large, bold, yellow capital letters. Below it, 'ENROLMENTS NOW OPEN' is in large, bold, red capital letters. A red rounded rectangle contains the year '2027' in white. The text 'Join us in 2027! If your child turns 4 before May 1st, they are eligible to start Preschool in Term 1 2027.' is in black. Below that, 'Register your interest now! Hurry - spaces are filling up fast.' is in black. At the bottom left, a red telephone icon is next to the text '(08) 8255 2908'. On the right side, there are two circular inset photos: the top one shows a bookshelf with children's books like 'AGE 4 RENAISSANCE' and 'Dinosaurs'; the bottom one shows a dinosaur-themed play mat with various dinosaur figures.

Circle of Security Parenting™

At times all parents feel lost or without a clue about what our child might need from us. Imagine what it might feel like if you were able to make sense of what your child was really asking from you. The Circle of Security Parenting™ program is based on decades of research about how secure parent-child relationships can be supported and strengthened.

Learning Objectives of the Program:

- Understand your child's emotional world by learning to read the emotional needs
- Support your child's ability to successfully manage emotions
- Enhance the development of your child's self esteem
- Honour your innate wisdom and desire for your child to be secure

Bringing Up Great Kids

This program gives you a chance to think about children, parenting and how you can provide children with the experiences you want for them as they grow up.

The Bringing Up Great Kids parenting program supports you as a parent or carer to:

- Learn more about the origins of your own parenting style and how it can be more effective.
- Understand more about your child's development and their behaviour.
- Discover how to overcome some of the obstacles that are getting in the way of being the kind of parent you would like to be.
- Discover ways to take care of yourself and how to find support if you need it.

Healthy Smiles Start With Water!

Your child will receive a sippy cup or drink bottle from SA Dental to help build healthy drinking habits and support strong, healthy teeth.

Tap water is the best drink for your child.

It helps keep teeth strong and healthy.

How to keep your child's teeth healthy

- > Choose tap water instead of sugary drinks.
- > Offer tooth-friendly foods like fruit, vegetables and cheese.
- > Brush your child's teeth twice a day with fluoride toothpaste.
- > Take your child for regular dental check-ups from around 12 months of age.

Free or low-cost dental care for children

Your child may be able to get free dental care through the Medicare Child Dental Benefits Schedule (CDBS). If not, dental care is still available through SA Dental.

- > Children aged 0 to 5 years who have not started school can receive dental care at no cost.
- > Children aged 6 to 17 years can receive dental care for a small fee.

Our Vision

Families confidently
supporting their child's
wellbeing and development.

Our purpose

To work collaboratively in a
welcoming, supportive
community to empower
families to nurture their
child's learning through play

**When you attend a
playgroup at one of our
sites, we will ask that you
please -**

- keep your phone tucked
away and enjoy play with
your child supporting
your connection
together.
