SAPSASA Netball

Friday 4th April, our Year 5/6 Girl's netball team participated in our local SAPSASA carnival at Argana Park.

They have been working hard all term, training together with both Ms Katrina and Mr Simon.

On the day, their ability to work hard, play kindly and show great sportsmanship really shone through making it a successful day for all involved.

On the court, the girls triumphed, winning all 7 of their matches. The girls worked together as a team which helped them implement the skills they had been taught.

Thank you to all the families that came out to support on the day. We were all appreciative of your extra loud cheers of encouragement.

Thank you to Ms Katrina for all your efforts to ensure all the girls understood the game plan, rules and how to show our school values on the court.

Simon Harris

HPE Teacher

Excursion to the Precinct Community Garden

We enjoyed our day at The Precinct Community Garden. We learnt all about wombats and made our own wombat poo, which were actually soil and seeds for us to plant. We went on a scavenger hunt around the garden and learnt all the parts of a plant. Using magnifying glasses, we explored seeds and made predictions of what they might look like inside. To finish off the afternoon, we potted our own plants and ate lunch together on the lawn.
