Connections

### News from Ms Nina

Community hub excursion to the City of Playford's Refugee Week event. The event celebrates Refugees across Australia and promotes awareness of issues they face. This years theme was Finding Freedom. The journey towards freedom represents the challenging path that many refugees take, escaping oppression and uncertainty for safety in a new place. In these new spaces, community is more than just a physical place or a group of people; community is a lifeline. It offers refugees safety, belonging, and the strength to rebuild. Diverse communities bring people together, showing that our differences make us stronger, more united, and capable of facing challenges.
