Mon 25 STUDENT FREE DAY

FROM THE PRINCIPAL'S DESK...

Dear Families,

After a long, dry spell, it's been heartening to see some much-needed rain finally arrive across our region. The rainfall has brought welcome relief to many in our community, especially our farming families, and has been a timely morale boost as we approach the end of Term 2.

Congratulations – Kyle Feltus

I'd like to begin by congratulating Kyle Feltus, who has been selected to represent South Australia in the 18 Years and Under School Sport Golf Team. This is a significant achievement, and Kyle will compete at the national championships later this year on Bribie Island. We are incredibly proud of him and wish him all the best as he prepares for this exciting opportunity.

Reporting and Assessment

For our Stage 1 and 2 students, final assessments are currently being completed, with Semester 1 concluding this Friday.

I'd like to acknowledge the entire staff team for their ongoing involvement in this important reporting process. Staff have worked diligently to prepare and moderate assessments and to compile comprehensive student reports, which will be sent home in Week 10. Their efforts ensure that the reports provide clear, constructive feedback and reflect each student's learning progress and achievements.

Focus on Metacognition

Across the school, students continue to develop their understanding of metacognition—the ability to reflect on and think critically about their own learning processes. This ongoing focus is helping students become more self-aware, take ownership of their learning, and develop habits that support deeper and more independent learning. Metacognition remains a key part of our whole-school approach to improving student outcomes.

Berry Street Education Model – Student Free Day

Our second Student Free Day dedicated to the Berry Street Education Model (BSEM) will take place on Monday, 25 August. This professional development continues to support staff in embedding trauma-informed and relationship-based teaching strategies. It builds on our existing focus on student wellbeing and engagement. The upcoming session will focus specifically on the 'Relationships' domain, further strengthening our capacity to build trust and connection with students.

Year 10 – Careers Expo & Work Experience

Our Year 10 students recently attended the Eyre Peninsula Careers Expo in Port Lincoln. This event offered valuable exposure to a wide range of career pathways, including health and science, trades, and tertiary education. Students engaged directly with industry representatives, training organisations, and tertiary providers—broadening their perspectives and sparking new ideas about possible futures.

In the final week of this term, Year 10 students will participate in work experience placements, providing them with meaningful, hands-on insight into the world of work. This opportunity plays an essential role in supporting their career development and helps inform their future subject selections and post-school planning.

Daymap

Finally, the next phase of our Daymap implementation will be rolled out to students and families soon. This update will include key features aimed at improving communication, such as notifications and reminders for

school events, uniform, behaviour and attendance tracking. These additions will make it easier for families to stay informed and engaged with their child's school experience.

As we move toward the end of the term, I thank our students, staff and families for their continued support and commitment to making our school a positive and thriving learning community.

*Warm regards,
Tim O'Reilly
Principal*

INFLUENZA A - STUDENT ILLNESS

There have been a number of cases of Influenza-A reported amongst our school community. As per SA Health's advice, we strongly encourage parents to keep their children home from school if they are unwell to limit the chance of infection in others. We have appreciated parents keeping their unwell children at home until they are well enough to return to school. Please speak to your children about hand hygiene and cough protection especially at this time of the year.

SENIOR SCHOOL NEWS

This week marks the end of Semester One for 2025, as we prepare to move into the second half of the school year. The final weeks of term remain busy for our senior students.

Our Year 10 Outdoor Education class will complete their bushwalk and overnight camp this week and will also undertake work experience in Week 10. On Wednesday, 25th June, our Year 11 students will travel to Ceduna to take part in the P.A.R.T.Y. Program — a valuable road trauma awareness workshop held at the Ceduna Hospital.

Year 12 students are now well into the final chapter of their schooling journey at Streaky Bay Area School, with their focus firmly on completing assessments and preparing for life beyond school.

Last week, the Year 10 cohort had the opportunity to attend a career expo in Port Lincoln. A big thank you to Mischa Karp and Belinda Black for accompanying and supporting the students on the day.

Year 10 Explore Careers Expo Port Lincoln

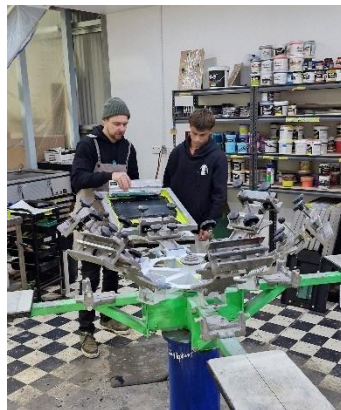

In week 6, term 2 members of the year 10 class attended the Explore Careers Expo in Port Lincoln. The Explore Careers Expo was coordinated and organised through partnerships from Department for Education Pathways team, Port Lincoln UniHUB and a wide range of industry specialists. The group attended the expo over 2 days and were offered valuable insights into various career paths. The group stayed overnight at Nyroca Scout camp in their dorm accommodation.

Students chose to attend workshops across a wide range of industries and career pathways including:

SA Power Networks
Early Childhood Education
TAFE SA
Nursing & Health pathways
Australian Defence Forces

Aquaculture & Fishing
Marine Sciences
Agriculture
SA Police & SA Ambulance
Master Builders

Students will use the experience to guide and direct possible work experience placements, future study and potential career pathways.

Year 7 & Year 11 Buddy Class Cook-Off

This week, Mrs Skull's Year 7s and Mrs Joske's Year 11 buddy classes came together for a fun-filled No-Bake Cook-Off – and what a deliciously creative day it was!

In mixed-year groups, students collaborated to choose a no-bake recipe they could prepare at school. From Oreo truffles to rocky road and banoffee pie, the variety was as impressive as the final results were tasty.

Before the big day, each group used Canva to design a recipe page, showcasing their planning, creativity and digital skills. Armed with ingredients from home, teams gathered in the Home Ec Room – a big thank you to Tom McCarthur for the use of the space!

The room buzzed with energy as older and younger students worked side-by-side, problem-solving, mixing, decorating and having a great time. The teamwork on display was outstanding.

Once cooking was complete, students sampled each group's creations and voted in two categories: Best Flavour and Best Presentation.

Well done to all our buddy class chefs – the cook-off was a sweet success!

Students enjoying the day and sharing their creations:

MIDDLE SCHOOL MATTERS

Year 8-9 Students Shine at Year 5/6 Mixed Netball and 9-A-Side Footy Carnival

The Year 8-9 students played a pivotal role in organising the first mixed Netball and 9-A-side footy carnival for the Year 5-6 students. They volunteered as umpires, coaches, and scorers, ensuring the event ran smoothly. Their dedication and hard work were instrumental in

the success of the day. A heartfelt thank you to these students—you were all fantastic!

The carnival featured five teams competing from 9:30 am to 2:30 pm, with only a brief break. On the netball court, teams showcased great sportsmanship and team spirit, with each game being highly competitive. Every team experienced both victories and defeats throughout the day.

The 9-A-side footy matches mirrored this competitive spirit. Teams displayed excellent skills and teamwork, with Team 2 emerging as the overall winner. However, the focus was not on winning or losing but on the exceptional play and sportsmanship demonstrated by all. Congratulations to all the students and staff for your participation and outstanding team spirit. It was an amazing day, and we look forward to future carnivals where the Year 8-9 students will continue to take on leadership roles. Great job, everyone!

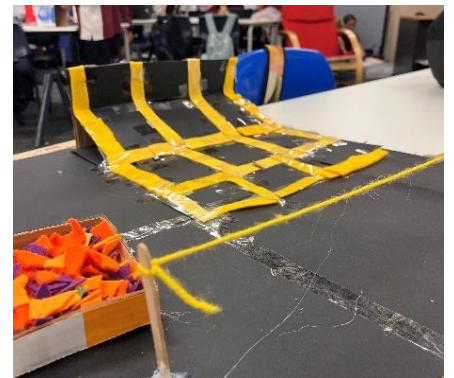

PRIMARY SCHOOL NEWS

Year 5/6

This term, Miss Leah and Miss Sampson's Year 5/6 classes have taken on the exciting challenge of designing a building to meet a local need/want. They began by researching and deciding on a type of building, then planning their design to scale.

Students have then started to construct a model of their building, including the installation of working electrical circuits. To support their designs, students have written persuasive letters to be sent to the council explaining why their building should be approved. The project will conclude with an open classroom gallery walk, where students will present their designs, followed by a vote to elect winners across several categories.

Streaky Bay

Vacation Care

Vacation Care is available to children aged **4 to 15** years old, parents are not required to be working for their child/ren to attend. Vacation Care offers a range of activities including a daily planned activity, see program below.

- **WHEN:** Monday to Friday - unless advised
- **TIME:** 8a.m. to 6p.m
- **WHERE:** Stem/Art room in the Primary Courtyard, at the Streaky Bay Area School.
- **WHAT TO PACK:** Water Bottle, lunch & snacks, hat & spare clothes. (please label belonging)
- **COST:** \$55.00 - for 10 hours of care or any part thereof. This amount can be greatly reduced by registering for the CCR percentage.

New enrolments are always welcome. When enrolling in the program, you will need a Customer Reference Number (CRN) from the Family Assistance Office, which is linked to the Childcare Rebate (CCR) (formerly CCB) system. You can register for a CCR either online at www.familyassist.gov.au or by calling 13 61 50. To receive a reduced fee, **you must be registered with Centrelink prior to the holiday program beginning.**

Pre-booking is essential to ensure adequate staffing. All BOOKINGS or cancellations must be made by 7 PM the night before. Same-day cancellations will incur a charge.

For bookings or any inquiries, please call or text Sheridyn on 0437361414.
