## STUDENT ILLNESS

In the past two weeks there has been a marked increase in the number of students reporting feeling unwell, we have appreciated parents keeping their unwell students at home until they are well enough to return to school. As per SA Health's advice, we are strongly encouraging parents to keep their children home from school if they are unwell to limit the chance of infection in others.

## SCHOOL UNIFORM ORDER

The order that was placed at the end of week one should be here by the end of next week (week 6). The next order will not be placed until the end of the term. We thank students and families for their support in making sure the correct uniform is being worn.
