STUDENT ABSENCES

Student absences can be notified by using the Daymap Companion app –

- Click on Communication Tab at the bottom of screen
- Click new message
- Select Absence Notification
- Choose the correct date
- Select the Absence Reason
- Select the child you are reporting the absence for
- Type a brief message, this can include the expected return date or more information relating to the reason

It is an Education Department requirement to have parent/guardians provide the school with a reason unless a student exemption form has been granted prior to the absence.

Or notify the school by phone: 86261202 or email: dl.0745.info@schools.sa.edu.au

PLANNING FOR 2026

Planning for 2026 is well underway, thank you to the parents who have provided information to the school on any students who may be joining or leaving the school in 2026 – this really assists us with budgeting and planning for next year. Any student information regarding 2026 can be given to the front office staff.

BOOK AN ADVENTURE

Now`s the time to start thinking about your costume!

- Parents are welcome to attend the Book Week Parade Assembly…..Thursday 21st August @ 10.10 in the Middle School Courtyard

ICT SUPPORT OFFICER POSITION – FAR WEST REGION

The Department for Education ICT Services is currently looking for an ICT Support Officer based in the Far West of the state. This position can be based anywhere in the area between Penong, Streaky Bay & Wudinna. You will be well supported by a multi-level team within the Extended Support Program, and we encourage anyone with any ICT experience or interest to apply!

The School ICT Support Officer is responsible for delivering a range of ICT services which support Department for Education ICT information technology systems for School sites in the area. The incumbent will provide a high level of customer service in the delivery of first and second level support and technical advice relating to incidents and requests logged by the Department for Education's school users.

The role requires the effective identification and application of a range of service delivery strategies and processes to ensure the provisioning of quality technical outcomes for our students and staff. This includes applying troubleshooting and remediation techniques to resolve issues, and the efficient application of standard installation and configuration processes across a range of key ICT systems and platforms.

For further information or to submit your resume for consideration, please contact Jason Hagger, ICT Account Manager by email Jason.Hagger@sa.gov.au

CANTEEN CORNER

Open Monday, Thursday & Friday for our regular menu plus some homemade options.

Don't forget we have lots of snacks in the canteen ranging from 20c +.

I am away all of Term 3, Mariah Dickson will be opening the canteen. You can contact her on 0417850030.

Lunch order cut off time is 9am as Mariah will be prepping food, any orders after this time will need to be changed to nuggets, pies, sausage rolls or toasties.

Thanks for your support
Naomi Rogers.
