## PRINCIPAL'S WELCOME

Dear students, staff, families, and members of our community

We would like to extend a warm welcome to all students and families for the 2026 school year, with an extended welcome to those of you who are joining Streaky Bay Area School for the first time. We hope you have all had a restful and relaxing holiday break and enjoyed this time with family and friends.

Another school year begins with many opportunities ahead and we encourage each student to grasp them with both hands.

This year holds tremendous potential for our school community, and I am confident that together, we will continue to provide a positive, nurturing, and dynamic learning environment for all. The staff's passion, commitment, and tireless efforts are genuinely appreciated, and I am excited about the growth and success we will achieve in the next 12 months.

This year we welcome the following staff to our school community. Kai Luzi - Year 10, Hannah Riley – Year 6/7, Kara Squire – Cultural Studies, and Kim Williams –

Grounds. We welcome back Cassy Walker – Year 8, Karly Woolford – Year 8/9 and SSO's Richard Bowden and Summer Braz.

Our Leadership Team consists of Mrs Karen O'Reilly – Deputy Principal, Mrs Karen Box – Senior School Coordinator, Miss Madi Nicholson – Middle School Coordinator, Mrs Kerry Hill – Primary School Coordinator and Mr Mischa Karp – Wellbeing Leader.

### Class of 2025 – Congratulations!

We are very proud of the achievements of the class of 2025

- 100% SACE completion by the year 12 class!

At the Streaky Bay Area School, year after year we are seeing students being able to achieve exceptionally high results and embrace opportunities that enable them to pursue their passion and pathways. An absolute credit to our staff for their efforts in teaching and supporting our students through our school. Many thanks to Karen Box and the senior school staff for their work in supporting our students in their final year.

- DUX of Streaky Bay Area School – Kyle Feltus – 99.15 ATAR
- Proxime Accessit – Mia Roberts – 98.75 ATAR

Two exceptional ATAR scores achieved by students who were committed to their studies. They actively contributed to our school life in different ways and embraced the opportunities and challenges that came their way.

Well done to the Class of 2025. Our continued success proves that anything is possible in our school.

### Materials and Services discount

For the fifth year, South Australian families with children attending public schools will receive a \$200 discount per student on their annual materials and services charge.

### Governing Council

I would like to acknowledge the three Governing Councillors who have completed their two-year tenures: Courtney Faulkner, Luke Kelsh and Wendy McEvoy. I believe the Governing Council has done a great job of providing guidance and governance of our school and we thank our tenure completing Governing Councillors for their work and efforts for the past two years. Nominations are now open for the four

Governing Council positions. Previous Governing Councillors can be nominated at the completion of their tenure.

### 'Starting Strong'

Term 1 is about starting strong, with a continued intentional focus on strengthening **connections and school culture**. Positive relationships between students, staff, families, and the wider community are at the heart of a successful school. As we often say, "*Be what you want to see*", together, we can continue to build a welcoming, safe, and positive environment where learning and wellbeing go hand in hand.

Our focus for 2026 is **Stronger Together, Better Every Day**. This reflects our commitment to building strong relationships, supporting one another, and striving for continuous improvement, academically, socially, and personally. When we work together, we create the conditions for everyone to thrive.

Our school provides a broad range of opportunities, and we encourage you to embrace all that is on offer, contribute to school life, engage in the school and learning experience, and work together to support our young people to be the best that they can be.

Here's to another fantastic year of learning, growth, and connection.

*Regards,*

## BUSHFIRE SEASON

### PREPARE FOR A BUSHFIRE

Families should follow these steps to prepare for the fire danger season:

- read the [bushfires and your child's school or preschool brochure \(PDF 4 MB\)](#)
- talk to your children about what will happen if a bushfire occurs when they are at school or preschool
- read all bushfire information given to you by your child's school or preschool
- make sure your emergency contact details are up-to-date and available to your school or preschool before the start of the fire danger season

Streaky Bay Area School is in a '**low risk**' **bushfire area**. This means on days of forecast catastrophic fire danger ratings, our site will **remain open**. **School buses will not operate within the Fire Ban District**. Our phone number is 08 86261202, if this number is engaged during an emergency, contact; the Department for Education Emergency Information Hotline on 1800 000 279 for current and up-to-date information on bushfire emergencies. While we have an emergency and bushfire response plan for our site it is important that we are all prepared for a bushfire emergency.

### BUS PARENTS

A reminder **School buses will be cancelled when catastrophic bushfire weather is forecast**.

If during a school day, catastrophic bushfire conditions are declared, then bus services will be cancelled in the afternoon and students will need to be either picked up from school or have alternative care arrangements made for them. These are the same arrangements that are in place for all schools with bus services. We request that bus parents please monitor the ABC weather forecast on days of high bushfire risk, particularly early in the morning of the bus run commencing in case of a late catastrophic weather declaration, or utilise the CFS website for current forecasts and information [www.cfs.sa.gov.au](http://www.cfs.sa.gov.au).

## 2026 SCHOOL FEE PAYMENT PLANS

If you would like to take up the option of a payment plan, please ensure you come in and see the front office staff prior to the end of Term 1, Friday 10 April to complete your installment schedule. We encourage families to utilise this option to alleviate the financial burden.

## STUDENT ABSENCES

It would be appreciated if parent/guardians could notify the school by the Daymap app, email or phone. It is an Education Department requirement to have parent/guardians provide the school with a reason unless a student exemption form has been granted prior to the absence. This gives the school a reason and does not leave the student with an unexplained absence.

## **Be You- Streaky bay Area School is continuing its' commitment to promoting positive Mental Health in 2026**

### **What is Be You?**

Be You is the latest Australian education initiative in improving children's mental health, wellbeing and learning outcomes. It was developed in collaboration with the Australian Government Department of Health, beyond blue, the Australian Psychological Society, the Principals Australia Institute, and Early Childhood Australia. Be You is a birth to eighteen years framework designed to support schools and their communities in promoting and developing good mental health.

For more information and to access a great range of resources to support parents and children you can visit [www.beyou.edu.au/](http://www.beyou.edu.au/). There you can access a fantastic range of information and fact sheets to support your child's social development and help to develop resilience and good mental health.

The Be You model of supporting and growing the resilience and positive mental health of our school community relies on the work and commitment of a school action team made up of members from across the school community including parents, students and staff members. The school is extending an invite to join our Be You Action Team in 2026 and is looking for parents and community members who are passionate about education and promoting good mental health to join.

The Action Team will be responsible for coordinating and driving Be You initiatives in our school community. Our action team will drive and coordinate this whole school event as well as other initiatives to improve mental health and wellbeing, develop resilience and further build on the strengths of the school community.

If you are interested in becoming a member of the Be You Action team at Streaky Bay Area School or just want to find out more, please contact me or the school to register your interest.

## SENIOR SCHOOL NEWS

Welcome back to the start of another exciting school year in the Senior School. I hope you have enjoyed a restful and safe break.

A special welcome to our Year 10 students as they join the Senior School, and to their parents. We are also delighted to welcome Mack Thompson to Year 11, and Jaliah and Davari Johnson to Year 10. An especially warm welcome to these new families joining our school community this year. We are excited to have you with us.

We are pleased to announce that Mr Kai Luzi has joined our teaching team as the new Senior School Outdoor Education, P.E. and HASS teacher. We look forward to his expertise and enthusiasm adding to our senior school community.

Congratulations to our 2025 Year 12 students on their outstanding achievements, with all students completing their SACE. A special mention goes to Kyle Feltus, who achieved an exceptional ATAR of 99.15, and Mia Roberts, with an impressive 98.75. Our other graduates also performed remarkably well, with ATAR results ranging from 80 to 99.15. Well done to everyone for your hard work and commitment.

Our aim is not only to support students in achieving academic excellence, but also to help them become good humans—thoughtful, resilient, compassionate, and curious individuals who contribute positively to our school and the wider community. The calibre of our 2025 Year 12 graduates is a testament to these values.

I look forward to working together to make 2026 a memorable and successful year for all. Please don't hesitate to contact me with any questions or concerns.

*Kind regards,  
Karen Box  
Senior School Coordinator*

## MIDDLE SCHOOL MATTERS

### Welcome to the 2026 School Year!

Welcome to the 2026 school year and to our Middle School community. Our Middle School is **The Place to Be** — a place where connection and belonging are prioritised, students are encouraged to be themselves and positive relationships sit at the heart of everything we do.

We warmly welcome new staff members to our Middle School team this year: **Eve Walsh, Karly Woolford, Hannah Riley, Leah Chynoweth and Kara Squire**. We are excited to have them join our dedicated teaching team. We also welcome our new Year 6/7 students and look forward to supporting them as they settle into Middle School life.

In 2026, our focus is on creating a positive learning environment where **progress is celebrated**, effort is valued and every student feels known and supported. Already this year, **Surf Life Saving South Australia** has worked with our students in practical water safety sessions and **Mentally Fit EP** will be joining us to lead conversations around positive relationships, understanding behaviour and focusing on what we can control. These experiences are just the beginning of the opportunities our Middle School students will experience this year.

We look forward to a positive and engaging year ahead.

*Warm regards,  
Madi Nicholson  
Middle School Coordinator*
