Did you know that towns in regional South Australia rely on volunteer ambulance teams made up of locals who generously step up to support their community?

Have you ever considered volunteering? SA Ambulance Service (SAAS) is calling on Far North and West Coast residents to 'Join the Team in Green'. By becoming an ambulance volunteer, you'll be part of a dedicated team and make a meaningful, life-changing difference in your community.

Claire Morichaud, pictured below, is a volunteer based in Balaklava, and says her time with SAAS has been incredibly rewarding.

"I enjoy using my experience as a teacher to support new recruits through their training. It gives me the chance to make a positive difference in the lives of others and in the community," Claire said.

With flexible training options and the ability to fit shifts around family, work or social commitments, volunteering with SAAS offers the chance to gain nationally recognised clinical skills while giving back in a meaningful way.

Volunteers receive comprehensive training at no cost, ongoing peer and leadership support, free Ambulance Cover for themselves and immediate family members, and the chance to be part of a close-knit, community-focused team.

If you're ready to join the team in green and become a SAAS volunteer, visit www.saasvolunteer.sa.gov.au or call 1300 175 584. The team in green is excited to welcome you!

SAAS is recruiting volunteers for the following Far North and West Coast stations:

- Cleve
- Port Kenny
- Cowell
- Quorn
- Cummins
- Roxby Downs
- Hawker
- Streaky Bay
- Kimba
- Tumby Bay
