DECEMBER

Wed 9 Presentation Night, 6pm start
Thurs 10 Last day of term 4, 2.05pm dismissal

As we begin the term, our focus is clear: Finish Strong. This is more than a message for the end of the year; it is about the approach we take each day and the choices we make along the way. Over the next nine weeks, there will be plenty of opportunities to engage in new learning, grow and celebrate success, as well as challenges that will require persistence and resilience.

For our students, finishing strong means arriving ready to learn, having a go when things become difficult, taking responsibility for their choices and treating others with kindness and respect. These everyday actions may seem small, but when practised consistently, they make a significant difference to individual progress and the culture of our school. Term 4 is an opportunity for every student to build on the progress they have made throughout the year, recognise their growth and continue challenging themselves to achieve their best.

For our Year 12 students, this term marks an important milestone as they complete their schooling and prepare for the next stage of their lives. I encourage them to make the most of the opportunities ahead, seek support when needed and approach these final weeks with purpose and confidence. We are proud of how far they have come and want each student to finish their school journey with a sense of achievement and pride.

Our staff remain committed to providing purposeful learning opportunities, maintaining high expectations and building positive relationships that help every student feel seen, valued and supported. Our shared commitment to *Stronger Together, Better Every Day* continues to guide this work. A welcoming greeting, a helping hand, a word of encouragement or a willingness to try again all contribute to a positive school culture. When students, staff and families work together, we create the conditions for young people to flourish both at school and beyond.

In keeping with the importance of recognising those who contribute to our school, I would also like to draw your attention to the Tom Venning MP Community Education Award. This award recognises an individual who has gone above and beyond by dedicating and volunteering their time, skills and energy to support our

FROM THE PRINCIPAL

Dear Families,

Welcome back to Term 4. I hope everyone enjoyed a well-earned break and returned feeling refreshed and ready for the term ahead. It is wonderful to welcome our students and staff

back, along with the new students joining Streaky Bay Area School this term. We also extend a warm welcome back to Mrs and Mr Karp.

I would like to remind all families that Daymap is our school's central communication platform and an essential tool for staying informed and connected with your child's learning and school life. By accessing Daymap regularly, families can stay up to date with school notices, upcoming events, ongoing assessment information, direct communication from teachers, assignment deadlines, reports, attendance information, and other important updates and notifications.

school and make a positive difference. Nominations are welcome for a staff member, parent or community member who has made a meaningful contribution to Streaky Bay Area School. If you know someone deserving of this recognition, please email a short nomination to:
tim.oreilly419@schools.sa.edu.au by Friday 23 October.

As we move into Term 4, I encourage everyone to focus on what they can control: their effort, attitude, preparation and the way they respond to others. We cannot always control the challenges we face, but we can choose how we approach them. If each of us looks for small ways to improve, support one another and contribute positively each day, the collective impact can be significant.

Thank you to our staff for their continued dedication and to our families and wider community for the trust, encouragement and partnership you provide. Your support plays an important role in helping our students succeed.

Let's approach Term 4 with energy, purpose and a shared commitment to making it count. I look forward to seeing our students continue to grow and our school community work together throughout the term.

Finish Strong. Stronger Together. Better Every Day.

Kind Regards,
Tim O'Reilly
Principal

SBAS NEWS SHEET

As from the start of term 4 we will **no longer be publishing the school News Sheet**. The school Newsletter will still be published each fortnight. All communication required between the publication of the newsletters will be published on Daymap.

✂ _____ ✂ _____ ✂ _____ ✂ _____ ✂ _____

2026 School Magazine

The Streaky Bay Area School Magazine has a wide range of items this year, including class pages, theme days, sports events and performances. All magazines will again be in full colour and continue to be high quality. Don't miss your chance to order a magazine. This assists us in distributing them once they have arrived. Magazines will be ready for distribution by the end of Term 4.

We would also like to take this opportunity to thank our community members and businesses who have sponsored the magazine over the years so that we can keep the magazine price low for our families. Magazines will cost \$22. All monies and the return slip must be returned to the Front Office.

Students Name: _____ Class: _____

I would like to order _____ copy/ies of the 2026 school magazine @ \$22 each.

Total amount enclosed: _____

TOM VENNING COMMUNITY EDUCATION AWARD

The Tom Venning (MP) Community Education Award acknowledges someone within our community who has **'gone above and beyond and gone the 'extra mile' dedicating and volunteering their time and skills to support our school'**. It can be a staff, parent or community member.

'Volunteers are at the heart of our school communities, giving their time, energy and care in so many ways. Whether working in the canteen, umpiring or coaching, caring for the school garden, serving on the P&F or simply lending a helping hand when it is needed, their contribution makes a real difference'. Tom Venning

The nomination form is attached later in the newsletter, nominations close tomorrow, Friday 30 October.

NO HAT NO PLAY

A reminder to parents that Term 4 is a 'No hat No play' policy, where all students are required to wear a broad brimmed hat or legionnaire style hat whilst outside. Students without an appropriate hat will be required to sit in hard shade areas at break times. **Parents & Friends have hats for sale at \$12ea available at the front office.**

SENIOR SCHOOL NEWS

Senior School students are currently on track to complete their SACE requirements, with Year 12 classes scheduled to conclude on 6 November. As students approach the end of their schooling, they will take part in a number of important Rites of Passage celebrations, including a student breakfast, morning tea with staff, and the Graduation Dinner. These events provide a valuable opportunity to acknowledge and celebrate their achievements and contributions to the school community. The students are now looking ahead to a wide range of post-school pathways, including trades, university study, gap year opportunities, and employment. As always, the final weeks of the year will pass quickly, and it has been a pleasure to work with this group of students as they prepare for their next steps beyond school. We wish our Year 12 students all the very best for their final weeks at Streaky Bay Area School.

Throughout the year, the Senior School cohort has been carefully monitored, with targeted interventions provided to support students through what has, at times, been a challenging year. Staff have worked closely with students and families to ensure the necessary academic and wellbeing supports have been in place to maximise each student's opportunity for success.

Subject counselling has also taken place as part of planning for next year. This process is assisting the school to determine which classes can be offered in 2027, while responding to student interest and curriculum needs.

We are very grateful to the P&F group for their generous fundraising efforts to improve the Year 12 room. Their contribution will assist with the purchase of a new sofa, as well as a kettle and toasty maker, helping to create a more welcoming and comfortable space for our students.

Careers Trip Feedback

I was incredibly proud to receive the following feedback after last term's careers trip. Streaky Bay students continue to represent our school with pride, and this message is a wonderful reflection of our young people:

"I am an Ambassador/Tour Guide at Adelaide Oval, and this morning (24 September) I had the pleasure of hosting a group of your Year 11 students and their teachers/supervisors on a tour of the Oval.

They were an exceptional group of students — friendly, cooperative and engaged during the tour. It is not often that we get such a good group of students on our tours.

The students were a credit to themselves and wonderful ambassadors for the school and the Streaky Bay community in general.

Congratulations to all involved."

Regards,
Trevor Manuel
Adelaide Oval Ambassador

Parents of these students should also feel incredibly proud of their children and how they represented themselves and our school community on tours throughout the week.

Kind regards
Karen Box
Senior School coordinator

Middle School Update

Welcome to Term 4. It is hard to believe we are already in the final term of the year, and we are excited to finish the year on a high.

Congratulations to our Term 3 award winners for consistently displaying our school values across all lessons: Lucy Bougourd, Sammy Richardson, Mason Elliott and Mackenzie Martin. We are very proud of the positive way these students represent our middle school.

This term, middle school students will begin taking part in transition activities as they prepare to move into next year and meet new teachers. These experiences are an important step in helping students feel confident and ready for what comes next, so please keep an eye out for more details.

We also look forward to our Middle School Celebration in Week 8, where we can come together to celebrate, connect and have fun!

As always, families are encouraged to continue to engage with DayMap to keep an understanding of their child's learning and progress throughout the term.

We are looking forward to a positive and successful Term 4.

Kind regards
Madi Nicholson
Senior School coordinator

The

WELL-BEING

WAGON...

is seeking a leader!!!

From yr 8 up

Applicants must show these qualities to ensure the Wellbeing Wagon continues...

- ♥ The school values of Trust, Security, Care and Success
- ♥ Passion for wellbeing/ helping others
- ♥ Responsible and organised

For expression of interests please email Toni
@Toni.Foster914@schools.sa.edu.au or Chloe
@chloe.foster948@schools.sa.edu.au and we can have a chat :)
