OSHC PROGRAM

The Out of School Hours Care (OSHC) Program provided by East Para Primary School is for children attending the school and/or neighbouring schools.

It is open to all students from Reception to Year 6 who require care whether it be on a permanent, occasional or emergency basis.

The OSHC Program has been set up to give a child care activity program which aims to provide a stimulating atmosphere within a nurturing environment.

Written weekly programs are displayed to inform parents and children of the activities being offered and to allow parents and children the opportunity to provide feedback to the service on programs.

We believe our children look forward to attending and participating in this exciting program.
