

ENGAGE DIGITAL COMMUNICATION AND SOLUTIONS - MUSIC TECHNOLOGIES

Looking to become a sound engineer or a music producer? The Music Technologies course focuses on learning how to create and manipulate sound and set up your own home recording studio. Students learn how to record and make beats using software such as Logic Pro, FL Studio and Studio One.

PREREQUISITES: NIL

WHAT WILL YOU LEARN?

01. Develop skills in Music software and sound manipulation.
02. Experiencing the tech and the design process behind a song or sound production.
03. Learn how to set up a home recording studio

Transferable Skills

- Investing time and effort in learning new skills
- Developing creative, innovative and/or practical solutions
- Establishing clear and attainable project goals and deliverables.
- Collaborating and contributing to team results

NASC SUBJECT PATHWAYS

- Digital Communications and Solutions: Music Technologies
- Integrated Studies: Music Studies and Showcase

ENROL IN NASC ENGAGE

You can attend ENGAGE courses under the following three statuses:

- As a Fee for Service (FFS) student: This means that you remain enrolled in your school; however, your school will purchase the subjects you decide to study.
- FLO 90%: This means that you remain enrolled in your home school; however, you will be provided with an onsite case manager and access to the entire CLC and NASC curriculum.
- NASC student: This means that you transfer from your home school and enrol as a FLO student at Northern Adelaide Senior College. You will be provided with a case manager and access to the entire CLC and NASC curriculum.
