

## CREATIVE ARTS - PRACTICAL ART SKILLS

Are you willing to discover your inner creative abilities? Do you want to make friends while creating art?

The Practical Art Skills subject focuses on practicing and developing drawing and painting skills, understanding the importance of colour and creating an artwork using the new skills you have developed over the semester. The Final artwork is developed from the skills students have learnt and is based around student choice.

PREREQUISITES: NIL

### WHAT WILL YOU LEARN?

- 01.** Learn drawing and printmaking skills exploring the elements and principles of art.
- 02.** Learn about other artists and culture in the creative arts and related industry careers.
- 03.** Create your own artwork, in your own style, incorporating the new skills you have learnt.
