

# VISUAL ARTS - ART

**Stage 1 Visual Art-** Begin your creative journey! This course introduces students to a variety of art media, techniques, and skills. You will explore visual arts concepts such as color, composition, and personal expression. The course encourages creative thinking and culminates in a major free-choice artwork, allowing you to communicate ideas that matter to you.

**Stage 2 Visual Art-** Take your art to the next level! Students will be supported in developing their individual artistic interests and passions. You will complete a self-directed Visual Study, where you research and explore artists, techniques, and concepts that inspire you. You'll also create a folio documenting your process from idea generation to a finished artwork, while honing your technical skills in your chosen media.

**PREREQUISITES:** ENTER STAGE 2: STAGE 1 VISUAL ARTS IS RECOMMENDED

## WHAT WILL YOU LEARN?

- 01.** Learning practical skills and techniques in a number of media.
