

# DRAMA

We do heaps of stuff. There's acting, film making, set design, script writing, lighting and sound, stage manager, director, make-up and hair, dance, prop making, circus skills (yes really). So, whatever your interest, your passion and your drive...even if you don't know yet, join the Drama class. We are an inclusive community of artists from every field. Our troupe needs performers, backstage collaborators and a front of house team. Let's be strange. Let's be kooky. Let's be fun!
