Our Learning Together
Communities playgroups
are facilitated by trained
early childhood
educators.

Our focus is on respectful
relationships, wellbeing
and learning together.

We know that
interactions and
connection between
parents/carers and their
children are vital for the
child's overall
development. Therefore,
we encourage and
support these
connections &
interactions at our
playgroups.

We also provide
opportunities for children
to develop in the areas of

- Literacy & numeracy
- Oral language
- Social skills
