Director

Under the *Education and Care Services National Regulations*, an approved provider must ensure that policies and procedures are in place for the payment of fees and the provision of a statement of fees charged by the service and take reasonable steps to ensure policies and procedures are followed. (ACECQA, 2021).

Out of School Hours Care (OSHC) provides quality education and care for primary school-age children outside school hours and during school holidays. Our OSHC Service supports children to engage in play and leisure activities, develop new skills and build relationships with other children and educators whilst supporting workforce participation of parents and carers. Our OSHC Service is committed to providing quality education and care to all children at an affordable fee for families.

As an approved childcare service, Child Care Subsidy (CCS) is available to reduce fees to eligible families. Our fee structure is based on our ability to provide the requirements of the Education and Care National Law and National Regulations, Family Assistance Law, the Australian Taxation Office and guidelines contained in the Child Care Provider Handbook.
