

Complaints & Grievances Policy

Policy Statement

Feedback from families, educators and the wider community is fundamental in creating an evolving Out of School Hours Care Service working towards the highest standard of care and education.

It is foreseeable that feedback will include divergent views, which may result in complaints. This Policy details our service's procedures for receiving and managing informal and formal complaints. Parents, educators, visitors, students and members of the community can lodge a grievance or complaint, with the understanding that it will be managed conscientiously and confidentially.

Purpose

The *Education and Care Services National Regulations* requires approved providers to ensure their services have policies and procedures in place for dealing with complaints (regulation 168) and take reasonable steps to ensure those policies and procedures are followed (regulation 170).

We aim to investigate all complaints and grievances with a high standard of equity and fairness. We will ensure that all persons making a complaint are guided by the following policy values:

- procedural fairness and natural justice
- code of ethics and conduct
- culture free from discrimination and harassment
- transparent policies and procedures
- opportunities for further investigation
- adhering to our Philosophy

Procedural Fairness and Natural Justice

Ridgehaven OSHC believes in procedural fairness and natural justice that govern the strategies and practices, which include:

- The right to be heard fairly
- The right to an unbiased decision made by an objective decision maker
- The right to have the decision based on relevant evidence.

Scope

This policy applies to children, families, educators, approved provider, nominated supervisor, students, volunteers and visitors of the service.

Policy Implementation

Grievances and complaints can transpire in any workplace. Addressing them appropriately and effectively is imperative for sustaining a safe, healthy, harmonious and productive-service environment. *Our Dealing with Complaints Policy* ensures that all persons are presented with procedures that:

- value the opportunity to be heard
- promote conflict resolution
- encourage the development of harmonious partnerships
- ensure that conflicts and grievances are mediated fairly
- are transparent and equitable

- appropriately handle children exhibiting harmful sexual behaviours
- promote children’s rights, safety and wellbeing
- consider a child’s age, cultural, developmental and additional needs

Ridgehaven OSHC is committed to the National Principles for Child Safe Organisations and adopts a child safe approach to complaints involving a child or young person. As a child safe organisation, we will respond promptly and systematically to any concerns, disclosures, allegations or suspicions while fostering an environment where children feel confident that their safety and wellbeing are paramount.

Any complaint of this nature must be reported by the approved provider or nominated supervisor to the Department of Early Childhood Education and Care within 24 hours of the complaint being made.

- if appropriate, the name of the child concerned and the condition of the child, including a medical or incident report (where relevant)

Written notification of complaints must be submitted using the appropriate forms, which are found on the ACECQA website and logged using NQA ITS (National Quality Agenda IT System).

Serious Incident: An incident resulting in the death of a child, or an injury, trauma or illness for which the attention of a registered medical practitioner, emergency services or hospital is sought or should have been sought. This also includes an incident in which a child appears to be missing, cannot be accounted for, is removed from the service in contravention of the Regulations or is mistakenly locked in/out of the service premises.

A serious incident will be documented in an *Incident, Injury, Trauma and Illness Record* as soon as possible and within 24 hours of the incident. The regulatory authority must be notified within 24 hours of a serious incident occurring at the service.

These records are required to be retained for the periods specified in Regulation 183.

The approved provider will notify the regulatory authority of any incident where there is a reasonable belief that physical and/or sexual abuse of a child has occurred or is occurring at the service, or any allegation that sexual or physical abuse of a child has occurred or is occurring at the service.

Privacy and Confidentiality

Management and educators will adhere to our *Privacy and Confidentiality Policy* when dealing with grievances and complaints. However, if a grievance or complaint involves a staff member or child protection issues, a relevant government agency will need to be informed.

- being heard fairly

Should a conflict of interest arise during a grievance or complaint that involves the approved provider or nominated supervisor, other management will be nominated as an alternative mediator.

The service may also engage the resources of an Independent Conflict Resolution Service to assist with the mediation of a dispute. All parties will ensure that throughout the conflict resolution process, the Services Code of Conduct is being adhered to.
