Whole School Camp
20th-23rd

Dear Parents,

What a wonderful way to begin Term 4! It has been fantastic to see everyone return from the holidays happy, healthy, and full of enthusiasm. It's clear that the winter bugs have finally left us, and there's a real sense of vibrancy across our school.

As I complete my first week as Acting Principal, I already feel privileged to be part of such a welcoming team. The staff have been incredibly supportive and friendly, and I am continually impressed by our respectful, eager learners. The school grounds are a joy to explore, with spring flowers in bloom and baby birds making the most of the sunshine—what a beautiful environment to work, learn and play in!

Next week, I am excited to be joining students and staff on school camp. I am looking forward to four days of adventure, fun, and the opportunity to get to know everyone even better.

Thank you all for such a wonderful welcome—I'm loving it here at Koolunga Primary School!

Warm regards,
Kirsty Le Cornu

Around the grounds in Week 1

Week One has kicked off to an excellent start here at K.P.S. and it has been absolutely wonderful to welcome all of our students back from the holiday break, refreshed, re-energised, and ready for the term ahead.

There's a real buzz around the school as classrooms and the playground is filled with the sounds of learning, laughter, and connection. Our students have returned with great energy and enthusiasm, proudly demonstrating our school values of Respect, Responsibility, Care, Teamwork, and Honesty in everything they do. It's been amazing to see these values so clearly reflected in both their actions and attitudes.

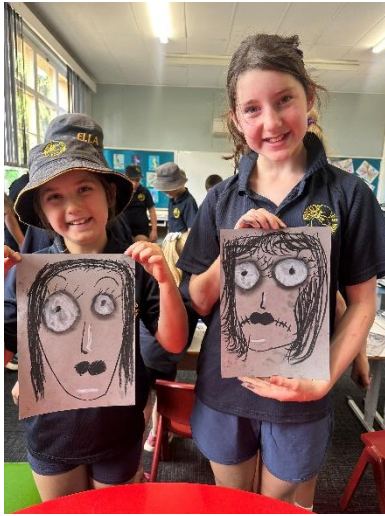

With the warmer weather upon us, it's also been fantastic to see students coming to school well-prepared with their hats and water bottles. These SunSmart habits are an important part of our school culture, and we commend our students for taking such positive steps to look after their health and wellbeing.

Another highlight of the week has been hearing all the wonderful stories students have shared about their holiday adventures.
