Dear Parents,

November is flying by and, with only four weeks left this term, the end of the year will be here before we know it! I would like to express how proud I am of our students for their outstanding participation in the recent Remembrance Day ceremony. They took full responsibility for the event—welcoming guests, delivering speeches, and leading the Ode. Their confidence and poise were exemplary, and they should be very proud of how they represented Koolunga Primary School.

Additionally, we had students representing our school in Adelaide at SAPSASA Tennis. It was a pleasure to hear that our students were recognised by their peers with a sportsmanship award—well done to all involved!

Please be aware that Sarah-Jane is currently away on leave and we are fortunate to have Lisa Meek here full time in her absence. Any messages regarding students can be relayed via the front office.

### Upcoming Student Free Day

Please note that we have an approved Student Free Day on Friday 5th December. This follows our end of year concert and will be perfect timing for some well-deserved rest for our students after a busy term. On this day, teachers will focus on planning and preparation for 2026 and spend valuable time diving into the new South Australian Curriculum. We appreciate your continued support as we work together to ensure the best possible learning environment for our students.

Kind regards,  
Kirsty Le Cornu

**Respect – Responsibility – Honesty – Teamwork - Care**

Remembrance day is to remember soldiers that died.

Every one comes to a service.

May we never forget the soldiers that died.

Eating scones after the service.

Many people fought and died.

Be respectful on the 11th of November.

Relieved that war is over but sad for who died.

A song of the land and sharing.

Never forget them.

Coming together to share our losses.

Ever lasting memories of the war.

## Remembrance Day

On Remembrance Day 11th of the 11th 2025 we tidied up the school for our guests. Then we practiced our lines and songs, so we were ready in time. After that we had a play break, so we were fresh. Then the guests started to stream in. Me Elsie Ella and Alicia warmed them with welcomes poppy's the order of service sheet and of course smiles. When everybody was there including parents Koolunga community and our special guest Jack Keain the service was starting. The juniors sat on a mat the guests sat on the edge of their seat and the uppers were ready to speak their speech. First up for the MC Master of Cermony was me Anniece I welcomed everybody and reminded them to keep their phones on silent. Alicia said welcome to country the juniors sang and acted care for country I told a brief story of what Remembrance Day means and represents Ella read the famous poem Flanders fields by john McRae Wesley welcomed the audience to stand for a minute of silence then we sang the national anthem and finally Aylah closed the service and invited everyone to have a scone and a biscuit which is what they all did. After people greeted family and friends while getting a scone and a biscuit. Then when everybody left, we had a play and continued with our normal routine. Overall, I loved Remembrance Day it reminded us of our past and future which is where I'd love to do it again.

By Blake Addie and Anniece.

### Poppies in the fields

On the eleventh day and month at eleven o'clock the war ended.

People sacrificed their life for us.

Parents came to the remembrance service today at our school.

I feel so bad for the people who sacrificed their life's.

Everybody was there

Somebody called Jack Keain brought a wreath as well

### Room 1 Woodwork/Tech

After planning, measuring, cutting, sanding, nailing, staining, varnishing, and adding the finishing touches, Room 1's vehicle projects are finally complete and they look absolutely fantastic!

Students have shown wonderful creativity, persistence, and teamwork throughout the process. From designing their ideas on paper to carefully assembling and painting their vehicles, everyone has taken great pride in their work. The results speak for themselves, a colourful collection of cars, trucks, and imaginative creations that really roll!

We are so proud of Room 1 for their dedication and craftsmanship. These projects have helped students build practical skills and confidence.

Well done, Room 1 have fun playing with your vehicles.

# SAPSASA TENNIS

## SAPSASA Tennis

When we arrived at the Broughton tennis Club Belinda (the coach) told us the order which was, Hanna 1st, Isla 2nd, Ruby 3rd, Me 4th, Penny 5th and Sophia 6th. In the boy's team there was Harry, Rory, Roman, Harrison, Brock and Thomas.

The first day at SAPSASA tennis I was really nervous because we were versing the best two teams. City South was the first team we versed and I played doubles with Sophia Duncan. In my singles I lost 6-0 but as I shook hands with my opponent, she said the score was not a reflection of the game and that I played really well, she was so, so kind. The next game we played was against Torrens River who we lost to but I versed a girl who kept smiling and was being really kind. After we finished both teams went to King Pin for bowling and laser tag and it was girls verse boys and I shot everyone.

The second day, we versed Tea Tree Gully and Adelaide North East and I played doubles with Ruby.

On the last day we versed Barossa & Light and in my singles my oppositions line calls weren't all that accurate but I still won and I played doubles with Penny, in the doubles Penny and I were down 0-3 but we came back and won 6-4. After all the games had finished we did presentations and Mid North had won the Sportsmanship Cup.

When presentations finished we did a mixed double tournament for fun but it was just a tie breaker to ten and my partner was Brock who was good friends with our opponents and said we were gonna cook them but we ended up losing but it was really fun. The next game we versed Soph and Thomas from Mid North and we lost again but Mid North won!

Thank you to Mum for taking me down there and supporting me also thank you to Belinda my coach for coaching me. It was one of the funnest SAPSASA's ever.

## **SAPSASA Tennis**

On the 1st day of the SAPSASA tennis we versed Torrens River and City South they were very hard we had loss to both of them, but had heaps of fun. I got to play with Isla in the top doubles, me and Isla didn't win any together, but we had heaps of fun together that day. We also got have Yo-chi (it was my first time having it) it was so yum.

On the 2nd day we versed Tea tree gully and Adelaide North east. The unfortunate thing was that while me and my opponent where playing singles a whistle blew so we had to quickly finish the point and stood at the net like everyone else and we had a minute of silence for Remembrance Day.

We went to king pin and got to do bowling and laser tag.

Laser tag was so fun I kept getting court but I did catch some people. There was a kid who was so annoying who kept catching me so I got him back.

The next day we got to play Barossa light and they were also tough, for these doubles we switched it a little me and Ruby got to play in the top doubles together, but sadly we got thrashed we had fun though. Then we played mixed doubles which was a bit of fun (it didn't count).

Well, done to Torrens River in first place and City South in Second place.

I'd like to thank all staff for letting us have this opportunity.

Thank you to Belinda for picking us all in the side it was an amazing experience.

## **Sapsasa Tennis**

On the 10/11/25 I had Sapsasa down in Adelaide at Broadview tennis club, the mid north team was in division 2 which was pretty hard but we didn't let that effect us.

Day 1 I got to the tennis courts at 8:00AM and found our group which was only Harry Pym, Penny and I because we were the only people for our team that had got their at that time. So we went out and had a hit on court and eventually everyone came from the girls and boys, once everyone was there Belinda (the coach) told us we were playing and who with, and then we went on court and played our first match, My first match was with roman and we won our doubles in a tiebreaker 7-4 our way so we won, My first singles I lost 6-1 but that was okay. Our second round that day me and roman played together again and won our doubles 6-0 or 6-1 so a good game for us, my singles I won 6-3.

Day 2 I got to the tennis courts at 8:20AM and I had another hit with Harry, our first doubles that day I played with roman again and we were down 5-2 and come up to 5-5 and won the tiebreaker 7-4 again, my single I won 6-1, and then our second round that day I played with Harry Pym me have been wanting to play together all week ant now we are we won 6-2 so a good win, and my singles for that day I won 6-2 again.

Day 3 the last day I got to the courts at 8:20 and had a hit with all the boys, first game that day me and Harry Pym played together again and we had a tough game and lost in a tiebreaker 8-6 so a very close game and then my singles I played number 3 and I had another tough game and I lost 6-3 which is ok. And then we had and mixed double for fun I played with Penny and we won 1 game out of 3. After that Belinda handed out some rewards for are team and then we went Home.

Thank you Belinda for coaching, and thank you to Broadview tennis club for hosting.

# 2025 Concert Costumes

Dear Parents,

It is that time of year again when the concert is beginning to come along quickly and students are all asking....what am I wearing?

This year there will be 2 dance items as part of the concert. A Yr 3 to 6 dance and a Reception to Yr 2 dance.

The R to 2 dance is called Tricky Frog and it's based on the song Crazy Frog. Frog headbands have been purchased for all students, black T- shirts with a frog on them have been purchased for the boys, and green tutus for the girls. These items have been subsidised by the school and will be provided at no cost to parents. All students can wear their school sneakers with socks. Boys will need to wear a pair of black shorts. Girls will need a pair of bike shorts for underneath their tutu (plain black if possible) and a black t-shirt.

The 3 to 6 dance is a hip hop theme dance. We have purchased hip hop style hats for the students, which have been subsidised by the school and will be provided at no cost to parents. Each child will need to wear sneakers, baggy pants and a plain t-shirt - preferably white. No mid drift tops, please. Your child may like to accessorise their hip hop outfit with chains, scarves, jewellery, etc. Please ensure they can dance comfortably without their accessories being caught in clothing or causing injury.

If you have any questions, please just ask.

Kind regards,

Marissa Lloyd
