## CHILDREN AND STUDENTS LEARNING AND THRIVING

### OUR PURPOSE

Public education is for every child and young person in every community across our state.

Educators and staff work in partnership with families and communities to nurture, develop and empower all South Australian children and young people with the knowledge, skills and capabilities they need to become fulfilled individuals, active, compassionate citizens and lifelong learners.

Our preschools and schools are the heart of local communities. They are safe, inclusive, and collaborative – a place where every child and young person is encouraged to contribute, develops positive relationships, has a say in their learning, and where their needs, interests and cultures are recognised and supported.

We are relentless in our ambition for all children and young people to enter the world beyond the classroom ready to learn and to create opportunities to live a satisfying and fulfilling life of their choosing.

When our children and young people thrive so does South Australia.
