

TERM 2 WEEK 10 2025 WALLAROO PRIMARY SCHOOL NEWS

LEARNER AGENCY IN ACTION

Learners in Studio Curiosity have been practicing their agency by participating in inquiry based math lessons. The children investigated how Maths skills are used to build and design houses.

Dispositions: Resilient, resourceful, reflective
Capabilities focus : Critical and creative thinking, numeracy, literacy, self-management in the personal and social capability.

Learning intention: To apply real life geometric problem solving skills to build a tiny house, including perimeter and area.

From the Principal's Desk

Dear Wallaroo Primary School Community,
I can't believe how quickly this term has flown by. I am pleased to share the highlights of our Term!

Hay Bale Appeal: A Heartfelt Success

On Thursday, 26th June, Wallaroo Primary School became a vibrant farmyard as learners dressed as farmers to support drought-impacted South Australian farmers. The day, filled with excitement and community spirit, ended with a school disco and sausage sizzle. Organised by the Rotary Club of Adelaide Central, the event raised over \$750 to assist farmers struggling to feed their livestock. A special highlight was the Case IH 280 Magnum tractor, Scott from Larwoods Ag Kadina, kindly brought in for our children to explore. This enhanced the educational experience and supported our appeal through awareness. If you would like to **donate** please do so via this link:

Learner Free Day: Fostering Oracy and Learner Agency

On Tuesday, 10th June, our educators focused on the connection between oracy and learner agency. Lisa Burman facilitated our learning, and I modelled an inquiry-based lesson using artificial intelligence.

Learner Oracy: Oracy is defined as the ability to express oneself fluently, and crucial for personal and academic growth. It empowers learners to take charge of their education. Integrating Oracy into Learning: We explored strategies to integrate oracy across learning areas, ensuring it is a core part of our educational approach. Our inquiry focused on enhancing learner agency, aligning with the Department's goals for effective learners.

Commitment to Action: Our educators are committed to fostering an environment where learners can explore and investigate their learning. By prioritising oracy and learner agency, we are creating a more dynamic learning environment. Thank you for your continued support. We look forward to sharing more progress with you next term. We will be seeking your feedback through a Parent feedback survey created by the department. If you wish to know more about the learning at WPS, please contact the school.

Have a safe and happy Holidays!

Warm regards,
Jenevieve Heinrich

HAY APPEAL FUNDRAISER

THURSDAY 26TH JUNE!

Rotary Club of Adelaide Central has launched a new project: The Giant Hay Bales Appeal to Save SA Livestock. Farmers across South Australia are desperate for feed so Rotary is working with the Farmers Relief Agency and Department of Primary Industries and Regions to urgently deliver more than 1,000 whopping big round bales of hay to drought affected farms across the state. Just \$110 buys a struggling farmer a giant bale!

We jumped on board to help out our farming community to raise money to donate for the Giant Hay Bale Appeal. We had a farm dress up day, disco and sausage sizzle dinner to help raise this money. We're excited to announce that we have been able to raise \$750.20 for the Giant Hay Bales Appeal for Rotary Adelaide Central!

Thank you to everyone in our community for their support and donations.

A special thanks to Larwoods Ag Services, WPS Governing Council, and the Newbery and Ferguson family. An extra special thanks to Rotary Club of Adelaide Central for supporting our farmers, and Cheryl Maurici for letting us know about such a worthy cause to support!

A graphic of a chalkboard with the words "BACK TO SCHOOL" written in large, white, bubbly, outlined letters. The letters have a chalky texture. The background of the chalkboard is dark green with some light green scratches and smudges. The entire chalkboard graphic is set against a solid light blue background.

BACK TO SCHOOL

We are looking forward to welcoming all students back to Wallaroo Primary School on Monday, 21st July.

Our staff are excited to continue supporting your child's learning journey and to engage in another productive term.
