## NEWSLETTER 2026

Welcome to another exciting year at ***Flaxmill School for 2026!***

We would like to extend a very warm welcome to all our new students, families and staff joining our wonderful school community this year. We are thrilled to have you with us and look forward to working together to make 2026 a year filled with growth, learning and success.

Over the holidays, you may have noticed some big changes around the school. The construction that took place last year has now been completed, and we are pleased to share that families are once again able to drop their children off directly to their classrooms, as was previously the case.

---

***We would like to remind families that parents and carers are not permitted to access the corridor for Rooms 1, 2, 3 and 4 during drop-off and pick-up times. We appreciate your support in helping us maintain a safe and calm environment for all students.***
