

OSHC SERVICE

Playford Primary School OSHC is a very structured, well managed service committed to providing a fun, safe, inclusive and inviting environment for all students and their families. We provide a caring and nurturing environment that encourages learning through play.

We have our own independent space located in the Dianella block where we offer a variety of both indoor and outdoor activities.

Children can enjoy playing in the games room with a variety of games and puzzles, colouring in and drawing or playing with fidgets while chilling on the couches.

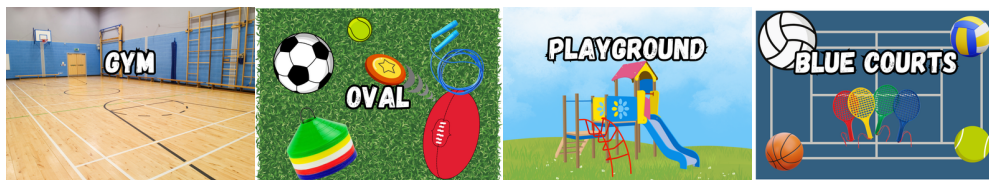

Create and play offers children the opportunity to think outside the square building with Lego, Magnetic tiles and mobilo, just to name a few. Barbies, Baby Dolls and the Vet hospital are great for encouraging imaginative play and social interactions.

Movie room is another great space where children can go to relax and unwind and watch a movie or cartoon.

We offer art and craft experiences during the School term and Vacation Care for the children to participate in, incorporating Cultural activities, special occasions, Easter and Christmas.

Our beautiful outdoor spaces on offer each day are the playground, OSHC oval, blue courts and the Gym where the children can engage in various ball sports, use hoops, skipping ropes and enjoy group games.

Our service has a dedicated Director and an awesome team of educators both Qualified and Unqualified who all bring their own unique set of skills and knowledge to the service. We pride ourselves on offering high quality care for all our children

Vacation care

We run a fantastic fun filled program with a variety of Excursions, Incursions and home day activities to keep everyone entertained.

Breakfast /Snack

We offer breakfast each morning and provide afternoon tea and fruit. We also offer a summer and winter menu incorporating healthy food options.
