

ADMINISTRATION OF FIRST AID POLICY

Under the *Education and Care Services National Regulations* the approved provider must ensure policies and procedures are in place for the administration of first aid (Reg. 168) and take reasonable steps to ensure policies and procedures are followed. First aid can save lives and prevent minor injuries or illnesses from becoming major. The ability to provide prompt basic first aid is particularly important in the context of an out of school hours service where educators have a duty of care and obligation to assist children who are injured, become ill, or require support with administration of medication.

PURPOSE

Playford PS Out of School Hours Care (OSHC) Service has a duty of care to provide and protect the health and safety of children, families, educators, and visitors of the Service. This policy aims to support educators to:

- Preserve life
- Ensure the environment is safe and other people are not in danger of becoming ill or injured
- Ensure that ill or injured persons are stabilised and comforted until medical assistance intervenes
- Relieve pain if possible
- Monitor ill or injured persons and promote recovery
- Provide immediate and effective first aid to children or adults
- Apply additional first aid if the condition does not improve

IMPLEMENTATION

First aid is the emergency aid or treatment given to persons suffering illness or injury following an accident and prior to obtaining professional medical services if required. It includes emergency treatment, maintenance of records, dressing of minor injuries, recognition and reporting of health hazards, and participation in safety programs. Legislation that governs the operation of approved children's services is based on the health, safety and welfare of children, and requires that children are protected from hazards and harm.

THE APPROVED PROVIDER/NOMINATED SUPERVISOR/MANAGEMENT IS RESPONSIBLE FOR:

- ensuring obligations under the *Education and Care Services National Law and National Regulations* are met
- ensuring Educators have knowledge of and adhere to this policy and procedure
- ensuring all new employees are provided with a copy of this policy as part of their induction process
- ensuring there is an induction process for all new staff, including casual and relief staff, that includes providing information on the location of first aid kits and specific first aid requirements; individual children's allergies and individual children's medical management plans
- ensuring families are aware of this *Administration of First Aid Policy*
- taking every reasonable precaution to protect children at the OSHC Service from harm and/or hazards that can cause injury
- ensuring that all Educators in attendance and immediately available in an emergency **at all times** the service is providing education and care to children [Reg.136]
 - All Educators, staff members or nominated supervisors must hold a current ACECQA approved first aid qualification
 - All Educators must have undertaken current approved anaphylaxis management training
 - All Educators must have a current approved emergency asthma management training

- ensuring a risk assessment is conducted prior to an excursion, regular outing, or when providing transportation to identify risks to health, safety, or wellbeing and specifying how these risks will be managed and minimised (NB: risk assessment for a regular outing or regular transportation is required at least annually) [Reg. 102B, 102D (4)]
- providing and maintaining an appropriate number of up-to-date, fully equipped first aid kits that meet Australian Standards including transportable first-aid kits to be used on excursions and when providing transportation [Reg. 89]
- monitoring the contents of all first aid kits and arrange replacement of stock, including when the use-by date has been reached
- disposing of out-of-date materials and supplies appropriately
- ensuring safety signs showing the location of first aid kits are clearly displayed
- providing and maintaining a transportable first aid kit that can be taken to excursions and other activities [Reg. 89]
- ensuring that first aid training details are recorded and kept up to date on each staff member's record
- ensuring there is an induction process for all new staff, including casual and relief staff, that includes providing information on the location of first aid kits and specific first aid requirements and individual children's allergies and individual medical management plans
- ensuring that families/parents are notified as soon as practicable or within 24 hours if their child is involved in an incident, injury, trauma or illness at the Service and that details are recorded on the *Incident, Injury, Trauma and Illness Record*
- ensuring the regulatory authority is notified within 24 hours if a child is involved in a serious incident, injury, trauma or illness at the OSHC Service [Reg 12, 176]
- ensuring that staff members are offered support and debriefing subsequent to a serious incident requiring the administration of first aid
- keeping up to date with any changes in procedures for administration of first aid and ensuring that all educators are informed of these changes
- ensuring parents/guardians provide written consent (via the enrolment record) for service staff to administer first aid
- ensuring parents/guardians provide written consent for the approved provider, nominated supervisor or educator to seek medical treatment for their child by a registered medical practitioner, hospital or ambulance service and if required, transport the child to hospital [Reg 161(1)(a)]

EDUCATORS WILL:

- implement appropriate first aid procedure. when necessary, by adhering to the service's *Administration of First Aid Procedure*
- maintain current ACECQA approved first aid qualification, and qualifications in approved anaphylaxis management and emergency asthma management as required
- renew cardio-pulmonary resuscitation every 12 months
- ensure that all children are adequately supervised while providing first aid and comfort for a child involved in an incident or suffering trauma
- ensure that the details of any incident requiring the administration of first aid are recorded on the *Incident, Injury, Trauma and Illness Record* accurately
- conducting a risk assessment prior to an excursion, regular outing or when providing regular transportation of children to identify risks to health, safety, or wellbeing and specifying how these risks will be managed and minimised (NB: risk assessment for a regular outing or regular transportation is required at least annually) [Reg. 102B, 102D (4)]

FAMILIES WILL:

- read and comply with the policies and procedures of the OSHC Service
- sign the *Incident, Injury, Trauma and Illness Record*-acknowledging they have been made aware of the incident and the first aid that treatment that was given to the child
- provide the required information for the OSHC Service's medication record
- provide the service with a medical management plan for their child if required
- provide written consent (via the enrolment record) for Service staff to administer first aid
- provide written consent for the approved provider, nominated supervisor or educator to seek medical treatment for their child by a registered medical practitioner, hospital or ambulance service and if required, transport the child to hospital
- be contactable, either directly or through emergency contacts listed on the child's enrolment record
- notify the director or educators of any change in condition of their child's health that may impact the child's care and require the administration of first aid (ACECQA, 2021).

INCIDENT, INJURY, TRAUMA AND ILLNESS RECORD

Any incidents, injuries trauma or illness, including first aid provided, must be recorded and include the following details, as per Education and Care Services National Regulation 87:

- name and age of the child
- circumstances leading to the incident, injury, trauma, or illness (including any symptoms)
- time and date
- details of action taken by the OSHC Service including any medication administered, first aid provided or
- medical personnel contacted
- details of any witnesses
- names of any person the service notified or attempted to notify, and the time and date of this
- signature of the person making the entry, and time and date of this.

FIRST AID KIT

The approved provider of the OSHC Service will ensure that first aid kits are kept in accordance with National Education and Care Service Regulations (Reg. 89).

ALL FIRST AID KITS AT THE SERVICE MUST:

- be suitably equipped
- not be locked
- not contain paracetamol
- be suitable for the number of employees and children and sufficient for the immediate treatment of injuries at the Service
- be easily accessible to staff and educators
- be constructed of resistant material, be dustproof and of sufficient size to adequately store the required contents
- be capable of being sealed and preferably be fitted with a carrying handle as well as have internal compartments
- contain a list of the contents of the kit
- be regularly checked using the *First Aid Kit Checklist* to ensure the contents are as listed and have not degraded or expired
- have a white cross on a green background with the words 'First Aid' prominently displayed on the outside
- be easily recognisable
- be easy to access and if applicable, located where there is a risk of injury occurring
- be maintained in proper condition and the contents restocked as required.

Our OSHC Service will display a well-recognised, standardised first aid sign to assist in easily locating first aid kits. Signage will comply with AS 1319:1994 – Safety Signs for the Occupational Environment.

CONTINUOUS IMPROVEMENT/REFLECTION

Our *Administration of First Aid Policy* will be reviewed on an annual basis in consultation with children, families, staff, educators and management.
