DELIVERY OF CHILDREN TO, AND COLLECTION FROM EDUCATION AND CARE SERVICE PREMISES

Under the *Education and Care Services National Regulations* the approved provider must ensure that policies and procedures are in place for the delivery of children to, and collection from, service premises and take reasonable steps to ensure those policies are followed. (ACECQA 2021).

Arrival and departure times are planned to promote a smooth transition between home and Playford PS Out of School Hours Care (OSHC) Service for before and after school care, and vacation care. The opportunity to build secure, respectful and reciprocal relationships between children and families is promoted during arrival and departure times where educators have the opportunity to engage in conversations with families and support each child's well-being.

To ensure the health and safety of children at our OSHC Service, our *Delivery of children to and collection from Education and Care Service Premises Policy* is strictly adhered to, allowing only nominated authorised persons to collect children at any time throughout the day. The daily sign in and out register is not only a legally required document to record children's attendance as per National Law and Regulations but is also used as a record of the children on the premises should an emergency evacuation be required to be implemented.

PURPOSE

We aim to ensure the protection and safety of all children, staff members, and families accessing the OSHC Service. Educators and staff will only release children to an authorised person as named by the parent/guardian on the individual child's enrolment form.

IMPLEMENTATION

Our OSHC Service has detailed processes, guidelines and practices for the delivery and collection of children to ensure the safety and wellbeing of each individual child. We ensure that all educators, educator assistants and staff implement these.

THE APPROVED PROVIDER/NOMINATED SUPERVISOR/RESPONSIBLE PERSON WILL ENSURE:

- that obligations under the *Education and Care Services National Law and National Regulations* are met
- educators, staff, students, visitors and volunteers have knowledge of and adhere to this policy
- families are aware of this *Delivery of children to, and collection from an Education and Care Service Premises Policy*
- a risk assessment is conducted at least once every 12 months, to identify any risks or hazards that may pose a risk to children's health, safety or wellbeing as they travel between our OSHC Service and any other service which provides education and care to children (See: *Safe Arrival of Children Action Plan*)
- adequate supervision is provided when children arrive and depart the OSHC Service premises
- relevant educator to child ratios is adhered to at all times
- accurate attendance records are kept
- children only leave the education and care premises in the care of a parent or authorised person or in accordance with written authorisation as per Reg. 99

- enrolment records are kept for each child enrolled in the OSHC Service including the name, address and contact details of
    - any emergency contacts
    - any authorised nominee
    - any person authorised to consent to medical treatment or administration of medication
    - any person authorised to give permission to the educator to take the child off the premises
    - any person who is authorised to authorise the education and care service to transport the child or arrange transportation of the child
    - details of any court order, parenting orders or parenting plan
    - authorisations for the service to take the child on approved outings.
    - any medical management plan, anaphylaxis medical management plan (ASCIA) or risk minimisation plan
- should any serious incident occur, an Incident, injury, trauma or illness record must be completed (see Incident, Injury, Trauma and Illness Policy and Procedure)
- in the case of a serious incident occurring, the regulatory authority must be notified within 24 hours through the NQA IT System
- all new educators and staff are provided with an induction to the Service including an understanding of this policy
- all educators and staff are provided with procedures and training on how they will verify the identity of an authorised nominee, or a person authorised by the parent or authorised nominee to collect the child (including procedures of what to do when an unauthorised person attempts to collect a child).

ARRIVAL AT OSHC SERVICE

- all children need to be signed in electronically by an authorised person via their own nominated phone number / pin. Note: the signing in of a child is verification of the accuracy of the attendance record. The system will register the child's name, the date and time and name of the person dropping off the child
- families will be reminded to sign their child/children into the OSHC Service and will be encouraged to do so immediately upon arrival to avoid forgetting
- should families forget to sign their child/children in, National Regulations require the responsible person or an educator to sign the child in
- The Spike attendance record is to be used in the case of an emergency to account for all children
- children are to be sighted by an educator before the parent or person responsible for the child leaves. This ensures that the educator is aware that the child has arrived and is in the building.
- a child's medication needs, or any other important or relevant information should be passed on to one of the child's educators by the person delivering the child
- the educator will check that the family has completed an *Administration of Medication Record* and store the medication appropriately, away from children's reach
- in order for children to feel secure and safe, it is important that children and families are greeted upon arrival by a member of staff and have the chance to say goodbye to the person dropping them off
- bag racks are available to children for their belongings.
- in the case of a separated family, either biological parent is able to add a contact in writing unless a court order is provided to the nominated supervisor stating that one parent has sole custody and responsibility.

DEPARTURE FROM OSHC TO SCHOOL

Educators and staff will:

- Children will be signed out of the OSHC Service utilising the Spike electronic call. Special Options students and Reception students will be escorted to the designated before-school play area where the teacher on playground duty will be advised of their arrival by an educator.

ABSENT OR MISSING CHILDREN

- parents must advise the OSHC Service staff as early as possible of their child/children's absence from school
- if a child is collected from the school early due to illness or other reasons the parent must notify the OSHC Service, using the service's telephone message bank if the service is unattended
- if a child does not arrive at the OSHC Service at the expected time after school an educator will:
    - contact the educational facility and confirm the child left the educational facility at the arranged time
    - contact Student Services to check if child left early
    - contact the parents or authorised nominee to determine the location of the child
    - If the child is missing after checks then the procedure below in relation to missing children will be followed.

MISSING CHILDREN

If a child is considered missing, an educator or staff member will:

- Contact the police by dialling 000
- Contact the child's parents. *If the parents have been contacted and the child is subsequently found, the educator must immediately contact the parents to let them know*
- Contact the school to inform them of the missing child
- Notify the regulatory authority within 24 hours of becoming aware of a serious incident. Complete an incident, injury, trauma and accident record as soon as possible.

DEPARTURE FROM OSHC SERVICE

- All children must be signed out by their parent (or a person authorised by the parent-authorised nominee) when the child is collected from our OSHC Service. If the parent or other person forgets to sign the child out, they will be signed out by the responsible person and the parent will need to verify details upon next sign in.
- Children may only leave the OSHC Service premises if the child leaves:
    - in accordance with the written authorisation of the child's parent or authorised nominee named in the enrolment record; or
    - an approved excursion arranged by the OSHC Service with the written authorisation of the child's parent or authorised nominee; or
    - given into the care of a person or taken outside the premises because;
        - the child requires medical, hospital or ambulance care or treatment; or
        - because of another emergency (evacuation due to bush fire, flood, severe storm as per Emergency Evacuation Policy).
- in the case of an emergency, where the parent/guardian or a previously authorised nominee is unable to collect the child, the parent or person responsible for the child (as listed on enrolment form as having a parenting role) may telephone the service and arrange an alternative person to pick up the child.
- photo identification must be sighted by an educator before the child is released. If educators cannot verify the person's identity, they will need to inform the responsible person before the child is released into that person's care.
- parents/guardians are required to arrive to collect their child/children by 6.00pm
- no child will be withheld from an authorised contact or biological parent named on the enrolment form unless a current court order is on file at the OSHC Service
- in the case of a particular person (including a biological parent) being denied access to a child, the service requires a written notice (court order) from a court of law.
    - educators will attempt to prevent that person from entering the service and taking the child; however, the safety of other children and educators must be considered
    - educators will not be expected to physically prevent any person from leaving the Service

- in such cases, the parent with custody will be contacted along with the local police and appropriate authorities
- a court order overrules any requests made by parents to adapt or make changes

- in the case of a serious incident occurring, as described above, the regulatory authority must be notified within 24 hours through the NQA IT System
- The responsible person will ensure that the authorised nominee pick-up list for each child is kept up to date. It is our policy that we do not allow emergency contacts/ authorised nominees under the age of 16 to collect children.
- if the person collecting the child appears to be intoxicated or under the influence of drugs, and educators feel that the person is unfit to take responsibility for the child, educators will notify the responsible person.

The Responsible Person will:

- follow procedures to protect the safety of children and staff of the education and care service as per Child Protection Law and Child Protection Policy
- contact the Police and other regulatory authorities (Child Protection Hotline 132 111)
- if an authorisation to collect a child is refused by the Service, it is best practice to document the actions for evidence to authorities (refer to *Refusal of Authorisation Register*).

DELIVERY AND COLLECTION OF CHILDREN DURING PUPIL FREE AND VACATION CARE DAYS

During periods of Vacation Care, policies and procedures will be followed as per *Arrival at OSHC Service*, and *Departure from OSHC Service* sections within this policy.

LATE COLLECTION OF CHILDREN

- if there are children still present at the OSHC Service upon closing, it is best practice to ensure a minimum of two educators are present remain until all children are collected.
- if parents/guardians know that they are going to be late, they must notify the OSHC Service. If possible, they should make arrangements for someone else to collect their child
- if they have not arrived by 6:00pm the Service will attempt to contact them via phone. If parents/authorised persons are unable to be contacted the responsible person will call alternative contacts as listed on the enrolment form to organise collection of the child
- due to licensing and insurance purposes, if by 6pm neither the parent or any of the authorised contacts are available or contactable, the Service may need to contact the police and other relevant authorities
- if the child is taken to an alternative safe location for example: Police Station, a sign will be displayed at the OSHC Service notifying parents/guardian of the child's whereabouts. If this occurs, the OSHC Service will be obligated to contact relevant Child Protection Agencies and notify the Regulatory Authority.
- should this non-compliance continue, the Service reserves the right to terminate a child's enrolment.
