65	2023 Portraits

Dear students, staff, and families,

Our school is honoured to be situated on the traditional lands of the Kaurna people. We extend our deep respect to their Elders, past, present, and emerging, and recognise the invaluable contributions that Indigenous people continue to make within our community.

This yearbook marks our second combined instalment, covering the years 2022 and 2023. These two years have been unprecedented in the history of our College, as we officially opened Avenues College in a ceremony graced by the presence of the Premier of South Australia, Peter Malinauskas, the Minister of Education, Blair Boyer, and our local Member of Parliament, Dana Wortley. Their attendance marked a significant moment in our school's history.

Our college has become a highly desirable destination in the North-Eastern suburbs of Adelaide, recognised for our high levels of academic achievement across all year levels from Birth to Year 12. Our Year 12 SACE results continue to remain of Merit, a testament to the hard work and dedication of our students and staff to aim high and persevere for success. We take pride in our academic achievements and the expanding opportunities we offer to equip our students for their futures. By embracing the direction of the Public Education Strategy, our school is broadening its focus to develop a deeper understanding of how to better support the evolving needs of our students, ensuring they are well-prepared for the challenges and opportunities that lie ahead.

Looking ahead, I am confident that our school will continue to thrive and prosper. Our staff, students, and families have shown that we are adaptable, innovative, and compassionate. We have overcome challenges that we never thought possible and have emerged with a clear vision to work with our students to develop their individual

skills and gain the confidence to successfully face the challenges of an ever-changing world. In an environment that values a sense of learning, innovation, and agile thinking, I have no doubt that we will continue to provide an excellent education and enriching experience for our students, preparing them for success in their future beyond Avenues College.

Avenues College continues to remain a vibrant and dynamic learning community that builds on the legacy of Gilles Plain Primary School, Gilles Plains High School (including Windsor Gardens Vocational College and Secondary Colleges). We remain committed to nurturing the potential of every student. Our success is a testament to the unwavering dedication of our staff, which continuously go above and beyond to support and develop the abilities of our students. Their passion for education, combined with their commitment to fostering a positive and inclusive environment, ensures that each student is given the tools and encouragement needed to thrive. We extend our heartfelt thanks to our exceptional staff for their relentless efforts, creativity, and care in shaping the future of our students.

I would like to extend our schools deepest gratitude to our parent community for their ongoing efforts and support, as you play a vital role in the success of Avenues College. Your involvement, whether through volunteering, participating in school events, or supporting your child's education at home, strengthens our school community in countless ways. We are particularly thankful to the parents who serve on our Governing Council, whose dedication and leadership help guide the direction of our school.

A special acknowledgment goes to our outgoing Governing Council Chair, Sarah Keynes, whose leadership has been instrumental in shaping our school's progress. Sarah's commitment, vision, and tireless work have left a lasting impact, and we are incredibly grateful for her contributions.

Sincerely,

Hamish McDonald
Principal of Avenues College

2022 Talent Show

NAIDOC

Week

book week

During the 2022 Book Week, our students had an incredible time participating in the various events organised around the theme “Dreaming with Eyes Open.” The week was filled with creativity and enthusiasm as students embraced the joy of reading and storytelling. From dressing up as their favourite book characters to engaging in interactive storytelling sessions and book-related activities. The theme inspired students to explore the limitless possibilities of their imaginations, and it was wonderful to see them so deeply involved. Book Week 2022 truly brought our school community together in celebration of literature and the power of dreams.

SPORTS *Day*

The Avenues College Birth to 12 Annual Sports Day was a resounding success, showcasing the incredible talent, spirit, and teamwork of our students. Held on a beautiful sunny day, the event brought together students, families, and staff for a day filled with excitement and friendly competition.

Throughout the day, students participated in a variety of events, from traditional track and field competitions to fun novelty races that highlighted their creativity and teamwork.

The cheers and encouragement from classmates and families created an electric atmosphere, fostering a sense of community and camaraderie.

After a day of fierce competition, we are thrilled to announce that the house winner for this year's Sports Day was HYDE. Their outstanding performances across all events, coupled with their unwavering spirit, earned them the top spot. Congratulations to all the students in HYDE for their hard work and determination!

We extend our heartfelt thanks to the staff and volunteers who organised the day and ensured everything ran smoothly. Your commitment made this event a memorable experience for everyone involved. We also appreciate the support of our parent community, whose enthusiasm and encouragement helped make this day truly special.

2022 Graduation & formal

The Avenues College Graduation 2022 was a momentous occasion, celebrating the achievements and milestones of our Year 12 students. Families, friends, and staff gathered to honour the hard work and dedication of our graduates. We are proud to announce that our students achieved a remarkable 100% completion rate for the SACE, a testament to their commitment and perseverance.

The event featured inspiring speeches from the principal and student representatives, who reflected on the challenges and triumphs experienced throughout their educational journey. This year's College Dux was recognized for their outstanding academic performance, achieving an impressive ATAR of 98.5. Additionally, several other students achieved notable ATARs, including scores of 95 and above, highlighting the exceptional talent within our cohort.

Each graduate was presented with their certificate, marking the culmination of years of effort and learning. As they prepare for their future pathways, many students are considering opportunities for further study at universities or pursuing vocational education and training (VET) programs.

The evening concluded with a formal dinner and dance, where students celebrated this significant milestone with their peers. Laughter and joy filled the air as they created lasting memories with friends, dancing the night away. The Class of 2022 leaves Avenues College equipped with the knowledge and skills to embark on their next adventures, and we wish them all the best in their future endeavours!

at Night

2023 Graduation & formal

The Avenues College Graduation Ceremony celebrated the completion of 12 years of schooling for our class of 2023. The ceremony brought together families, friends, and staff in a heartfelt gathering filled with pride and joy.

As we acknowledged the achievements of our graduates, special recognition was given to subject and special award recipients. These outstanding students demonstrated exceptional dedication and excellence in their studies, contributing to the strong academic reputation of Avenues College. Their accomplishments serve as an inspiration to their peers and exemplify the values of hard work and determination that we instill in our school community.

We are proud to announce that our students achieved a remarkable 100% completion rate for the SACE this year. Among the graduates, our College Dux was recognised for their exceptional academic performance, achieving an impressive ATAR of 99.45. Additionally, several other students attained notable ATARs, with scores of 95 and above, showcasing the exceptional talent within our cohort.

As these graduates prepare to embark on their next adventures, many are exploring pathways to further education at universities, while others are considering vocational education and training (VET) programs. The skills and knowledge they have gained at Avenues College will serve as a strong foundation as they pursue their chosen futures. We are excited to see where their journeys will take them!

The Avenues College Formal took place at the exquisite National Wine Centre, providing a stunning backdrop for a night of celebration. Students arrived in style, dressed to impress, and the atmosphere was filled with excitement and anticipation.

The formal event featured a delightful dinner, allowing students to enjoy a meal together while reflecting on their experiences and memories from their time at Avenues College. The night continued with a lively dance, where graduates showcased their best moves and celebrated their achievements with friends.

The Class of 2023 will cherish this special occasion as they embark on their future endeavours!
